Stefan Zweig

Major Figures Of Turnofthecentury Austrian Literature Studies In Austrian Literature Culture And Thought:

Major Figures of Turn-of-the-century Austrian Literature Donald G. Daviau, 1991 The purpose of this projected seven volume series is to help make the major figures of Austrian literature from 1800 to the present accessible to an English speaking audience The introductions provide an overview of the cultural and political background of the age to furnish a broader context for the individual contributions Bibliographies of primary and secondary texts enhance the value of the volumes as reference works This volume covers the turbulent period between the two world wars Despite the hardships endured by a country recovering from a severe war and despite the prominence of politics literature flourished to a degree that surprisingly perhaps makes this era one of the richest periods in Austrian literary history **Modern Austrian Literature**, 1996 Includes the index to the Journal of the International Arthur Schnitzler Research Association 1961 67

The Legacy of Kafka in Contemporary Austrian Literature Frank Pilipp, 1997 Austrian Writers and the Anschluss Donald G. Daviau, 1991 This series of essays attempts to revise the widespread view of Austria as the first victim of Hitler and thus place the events of the 1930s and the Anschluss of March 11 1938 into a more accurate perspective The articles fall into three groups those dealing with events leading up to the Anschluss those concerned with the Anschluss directly and those presenting the retrospective views of contemporary authors toward the Anschluss The presentations make clear how the Nazi takeover was prepared and how the political events of the 1930s and the Anschluss still influence contemporary Austrian society adversely **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **Robert Musil and the Tradition of the German Novelle** Kathleen O'Connor, 1992 This book explores Musil's Novellen to determine the significance of their roots in a generic tradition and to elucidate the ways in which they defined possibilities and marked limits of the genre Musil's Novellen share the conventional narrative purpose of the tradition mediation of an unusual occurrence to a common understanding and its dominant characteristics tension between objectivity and subjectivity and the claim to convey truth Yet they participate in the modernist search for new modes of knowledge and expression **Subject Guide to Books in Print**, 2001 Vienna, the Past in the Present Inge Lehne, Lonnie Johnson, 1995 The best access to Vienna is through its history This chronologically organised survey of Vienna from its origins to the present does not presuppose any detailed knowledge of Central European history The book covers cultural political and social influences Austria, 1938-1988 William Edward Wright, 1995 Austria's government her writers and most disappointingly her universities were without effect in bracing Austria's people against the Anschluss and indeed may have hastened it Once the Anschluss was a fait accompli most Austrians accommodated as German citizens but some resisted either in civil disobedience or in active opposition especially late in the war **Adepts in Self-Portraiture: Casanova, Stendhal, Tolstoy** Stefan Zweig, 2019-08-16 Written in the 1920s Zweig's work of literary criticism and biography might today be titled Masters of Memoir In it Stefan Zweig one of the 20th century's most widely published

writers describes the creative process and work of authors for whom no subject is as compelling as the material of their own lives Adept in Self Portraiture examines the lives and work of three men who represent in Zweig's view three levels of development in autobiographical writing The first and most basic level is evinced by Giacomo Casanova the Venetian womanizer who records his sexual and social conquests adventures and escapes without attempting to analyze or even reflect on them The second level of self portraiture is exemplified by Stendhal the French pioneer of psychological fiction who kept voluminous notebooks on his own experience of life and on whom no nuance of feeling seems to have been lost Russian master Leo Tolstoy represents the third and highest level of autobiographical writing in which the psychological is imbued with the spiritual and ethical In Adept in Self Portraiture Stefan Zweig examines the impulses that give rise to life writing and anticipates the current popularity of the memoir form

Thomas Bernhard and His Grandfather Johannes Freumbichler Caroline Markolin, 1993 In literary reference works Johannes Freumbichler is most often mentioned with only a few lines born in 1881 died in 1949 regional poet 1937 Austrian State Prize for Literature He would probably have faded into oblivion if it were not for Thomas Bernhard's autobiographical works in which he writes about his grandfather the one human being of essential importance in my life and existence and my only teacher From Freumbichler's letters preserved in Salzburg the author has created a portrait of the man and writer Previously the far reaching extent of Johannes Freumbichler's influence on his grandson Thomas Bernhard could only be deduced from Bernhard's highly stylized literary works For the first time this book documents conclusively the biographical dimension of Bernhard's writing

Three Masters: Balzac, Dickens, Dostoevsky Stefan Zweig, 2019-08-16 In these early 20th century literary essays Stefan Zweig offers a Central European view of the writers he believed to be the three greatest novelists of the 19th century Balzac Dickens and Dostoevsky In Zweig's view Balzac set out to emulate his childhood hero Napoleon Writing 20 hours a day Balzac's literary ambition was tantamount to monomania in its persistence its intensity and its concentration His characters each similarly driven by one desperate urge were more vital to Balzac than people in his daily life In Zweig's reading Dickens embodied Victorian England and its bourgeois smugness His characters aspire to A few hundred pounds a year an amiable wife a dozen children a well appointed table and succulent meats to entertain their friends with a cottage not too far from London the windows giving a view over the green countryside a pretty little garden and a modicum of happiness The ideal of middle class respectability suffuses Dickens fiction Dostoevsky drew on the struggles of his own life to illuminate the contradictions of the human soul In Zweig's view his heroes had no desire to be citizens or ordinary human beings While Balzac's heroes would gladly have subjugated the world Dostoevsky's heroes wished to transcend it

The Wild Woman and Other Plays Felix Mitterer, 1995 This second volume of Felix Mitterer's plays in English translation offers further evidence of this dramatist's powerful artistry A mythological Wild Woman changes the lives of five wood cutters exposing their loneliness and desperation Home reiterates the dictum that you can't go home again especially where prejudice brutality and hatred reside

An historical drama based on actual court records *Children of the Devil* depicts institutional superstition and cruelty as perpetuated upon the most vulnerable members of society its children *One Everyman* is a modern version of the traditional medieval morality play complete with a Devil from Wall Street while the Biblical analogy *Abraham* concerns the scourge of AIDS but even more the love between a father and his son The Austrian playwright Felix Mitterer born in 1948 in the Tyrol is one of today's leading European dramatists His two four part television series *Piefke Saga* and *Verkaufte Heimat* were seen by millions of viewers in the German speaking countries

Elfriede Jelinek Jorun B. Johns, Katherine Arens, 1994 The essays collected here demonstrate the range and significance of this major literary voice addressing Jelinek as a master of modernist prose of postmodern critiques of literary genres of stage and screen and of feminist and antifascist criticism Jelinek's oeuvre encompasses reworkings of older literary genres reminiscent of Joyce Carol Oates refashioned as contemporary criticism of domestic violence pornography oppression of women or the continuance of the fascist legacy in the everyday world of contemporary Austria and Germany Her experiments on the stage and screen are as eerily evocative as the works of Robert Wilson yet deliver trenchant political and social critiques as their shared modernist and postmodern agendas would require

The Convent School Barbara Frischmuth, 1993 Barbara Frischmuth portrays the convent school's authoritarian conditioning and a young teenager's struggle to become her own person in spite of it The fourteen briefly sketched chapters are a kaleidoscope of the confusion teenagers face when caught in a well meaning but unfeeling legalistic educational process Frischmuth has a superb ear for language as a repressive and an expressive tool She adroitly blends many voices of the girls exploring certain passages of the Old Testament or of the nuns preaching a strange mix of common sense survival techniques with outrageous strategies for controlling a husband Life for the young charges in the convent is schooling with a vengeance a rigid and authoritarian system drills the girls in answers to all the problems of life Frischmuth presents the reader with the story of an individual who manages to find a voice of her own in spite of the strict pedagogical system which does not encourage independence of spirit or thought In the final chapter we hear her for the first time communicating in a voice completely her own marking the dramatic shift away from her oppressive tutelage to the first stirrings of genuinely critical self awareness

Mental Healers: Franz Anton Mesmer, Mary Baker Eddy, Sigmund Freud Stefan Zweig, 2019-08-16 This Plunkett Lake Press eBook is produced by arrangement with Viking an imprint of Penguin Publishing Group a division of Penguin Random House LLC Health is natural sickness is unnatural at least so it seems to man is how Stefan Zweig begins his fascinating often entertaining examinations of Franz Anton Mesmer Mary Baker Eddy and Sigmund Freud Bodily suffering is not assuaged by technical manipulation but through an act of faith *Mental Healers* is dedicated to Albert Einstein the scientist who had won the Nobel Prize for Physics in 1921 It first appeared in 1931 as *Die Heilung durch den Geist* or *Healing Through the Spirit* a title that anticipates our current interest in alternative medicine and the placebo effect Zweig's first healer Franz Anton Mesmer 1734-1815 was a German physician who introduced

animal magnetism to the world Viewed by many as a charlatan he died an outcast before he could properly understand and explain his discovery Zweig s second healer Mary Baker Eddy 1821 1910 was a New England matron who found her vocation only in middle age She established Christian Science an American Protestant system of religious practice that rejects medical intervention when she was almost 60 Zweig s third healer Sigmund Freud 1856 1939 was the Viennese Jewish physician who founded psychoanalysis Zweig who knew Freud and delivered a eulogy at his funeral describes Freud s then new ideas with the insight of an artist who lived in the same time and place Fluently written and psychologically astute *Mental Healers* is compelling cultural history and a valuable window onto the genesis of new ideas in healing Mesmer Eddy and Freud were critical figures alerting the modern world to the influences of the mental and emotional on health and illness Their impact was tremendous and Zweig s classic study provides a wonderful opportunity to engage with these significant innovators Ted Kaptchuk Professor of Medicine Harvard Medical School Director Program in Placebo Studies *Therapeutic Encounter*

Reunion in Vienna Edith Foster,1991

The Baron and the Fish Peter Marginter,1992

Co-existent

Contradictions Helen Chambers,1991 As a socialist monarchist Jewish Catholic sceptical mystic and humorous sage Roth has never fitted neatly into any one literary or historical category The essays in this volume devoted to the Austrian writer Joseph Roth on the occasion of the fiftieth anniversary of his death in Paris in 1939 take a fresh look at his apparent contradictions and demonstrate his contemporary relevance as an acute analyst of the relationship between private life and political change ***The House of the Linsky Sisters*** Florian Kalbeck,1996 The celebrated concert pianist Clara Line is going through a period of artistic crisis when her twin sister Resl suddenly dies Clara s decision to adopt the name and persona of her twin leads to involvements with four very different men But the place is Vienna the year s 1937 the eve of Hitler s invasion of Austria and Clara Line now Resl Linsky is Jewish Her search for fulfillment also leads to involvement in the resistance and the discovery of the spiritual dimension of a Judaism she thought she had left behind
