Major General Thomas Maley Harris ... A Member of the Military Commission that Tried the President Abraham Lincoln Assassination Conspirators ... And Roster of the 10th West Virginia Volunteer Infantry Regiment, 1861-1865. [With Illustrations, Including a Portrait.]. H. E. MATHENY, Thomas Maley HARRIS, 1963 Major General Thomas Maley Harris Herman Edmond Matheny, 1963 MAJOR GENERAL THOMAS MALEY HARRIS a member of the Military Commission that tried the President Abraham Lincoln assassination conspirators Roster of the 10th West Virginia Volunteer Infantry Regiment 1861 1865 Reprinted 1996 *Major General Thomas Maley Harris, a Member of the Military Commission That Tried the President Abraham Lincoln Assassination Conspirators, and Roster of the 10th West Virginia Volunteer Infantry Regiment, 1861-1865* H E Matheny, 2023-07-22 This meticulously researched volume offers a detailed history of Major General Thomas Maley Harris focusing on his role as a member of the military commission that tried the President Abraham Lincoln assassination conspirators The book also includes a roster of the 10th West Virginia Volunteer Infantry Regiment of which Harris was a member This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Major General Thomas Maley Harris, a Member of the Military Commission that Tried the President Abraham Lincoln Assassination Conspirators,.** Herman Edmond Matheny, 1963 Rome's Responsibility for the Assassination of Abraham Lincoln, with an Appendix Containing Conversations Between Abraham Lincoln and Charles Chiniquy Thomas Maley Harris, 2014-11-11 The author of this book General Thomas Maley Harris was a medical doctor who recruited and served as commander of the Tenth West Virginia Volunteers during the Civil War He rose in rank through meritorious service to become a brigadier general in the Union Army General Harris established a reputation for faithfulness industriousness intelligent and efficiency He was noted for his leadership in preparing his troops and leading them in battle He was brevetted a major general for gallant conduct in the assault on Petersburg General Harris was a member of the military commission that tried and convicted the conspirators who assassinated President Abraham Lincoln After the war General Harris served one term as a representative in the West Virginia legislature and was West Virginia s Adjutant General from 1869 to 1870 He had first hand knowledge of the sworn testimony of the witnesses in that trial This book summarizes the salient evidence brought out during the military trial and adds information from other sources to present before the U S public the ineluctable conclusion that the assassination of Abraham Lincoln was the work of the Roman Catholic Church The Roman Catholic Church has been largely successful in

suppressing the circulation of this book This book was never given a place on bookstore shelves as it exposed too much for the Roman Catholic hierarchy to tolerate Any display of this book would bring an instant boycott of the bookstore It is only now in the age of the internet where the marketplace of ideas has been opened wide that this book can be found by those searching for the truth of who was behind the assassination of Abraham Lincoln **Avenging Lincoln's Death** Thomas J. Reed,2015-11-12 **Avenging Lincoln's Death** The Trial of John Wilkes Booth's Accomplices is an examination of the 1865 military commission trial of eight alleged accomplices of John Wilkes Booth the assassin who murdered President Abraham Lincoln The book analyzes the trial transcript and other relevant evidence relating to the guilt of Booth's alleged accomplices as well as a careful application of basic constitutional law principles to the jurisdiction of the military commission and the fundamental fairness of the trial The author found that the military commission trial was unconstitutional and unfair because Congress never authorized trial by military commission for these eight civilians President Johnson exceeded the scope of his authority as commander in chief by ordering the accomplices to be tried by military commission He failed to follow the Habeas Corpus Act of 1863 that required him to turn over the alleged accomplices to civilian authorities for prosecution The accomplices were convicted on perjured testimony and the Government was allowed to drag in unrelated evidence of Confederate atrocities to poison the minds of the panel of officers **The Civil War** Army Library (U.S.),1965 *West Virginia Medical Journal* ,1906 **Every Day of the Civil War** Bud Hannings,2025-10-01 From the early seizure of government property during the latter part of 1860 to the final Confederate surrender in 1865 this book provides a day to day account of the U S Civil War Although the book provides a daily chronicle of the combat it is written in narrative form to give readers some continuity as they move from skirmish to skirmish During the course of the saga the book also chronicles the life spans of more than 600 Union and Confederate vessels documenting when possible the time of each vessel's acquisition commissioning major engagements and decommissioning Seven appendices provide lists of prominent Union and Confederate officers primary naval actions and Medal of Honor recipients from 1863 to 1865 The Era of the Civil War--1820-1876 Louise A. Arnold-Friend,US Army Military History Institute,1982 Mary Elizabeth Surratt Sidney St. James,1900 **MARY ELIZABETH SURRATT BOOK 5 THE LINCOLN ASSASSINATION SERIES** The trial of Mary Elizabeth Jenkins Surratt in the assassination of Abraham Lincoln at the end of the Civil War after Robert E Lee's surrender came to a dramatic conclusion on July 7 1865 Andrew Johnson did not declare however an end to the War Between the States until August 1866 In 1851 Mary Jenkins Surratt and her husband John stood outside their home and watched as it burned to the ground in Maryland They elected not to rebuild the home and instead built a home in combination with a tavern for weary travelers to partake in drink near Mary's parent's place a small area called Surrattsville John Surratt Sr died in 1862 Mary moved with her daughter Anna in 1864 to their Washington City location she and John purchased in 1853 This location plays a vital role in the many meetings held by Booth John Surratt Jr and others On April 11th Mary traveled with Louis

Weichmann to her tavern in Surrattsville she had leased to John Lloyd They passed Lloyd on the road to Uniontown and from testimony given by Louis Weichmann Mary told Lloyd the shooting irons would be needed soon This was associated with other testimony given in the trial about rifles that were hidden at the tavern by some Booth conspirators The fifth book in this series will allow the reader to determine for themselves if in fact Mary Surratt should have received the penalty handed down to her at the completion of the trial In numerous novels on this subject some say Mary Surratt is guilty as sin Many say Mary Surratt was only in the wrong place at the wrong time and it was the United States Government out for revenge out for blood In the trial of Mary Elizabeth Jenkins Surratt a military tribunal rather than a civilian court was chosen as the prosecutorial venue Why Because the government officials at the time thought it might be more lenient in regards to the evidence allowing the court to get to the bottom of what they perceived as a vast conspiracy From all indications enough preliminary witnesses mentioned Mary Surratt's participation as responsible for providing the nest that hatched the egg her boarding house in Washington City One thing in the proceedings that appeared suspicious was on the night she was arrested she denied having ever seen Lewis Thornton Powell when he appeared at her boarding house According to numerous witnesses in the trial Lewis had been there on multiple occasions to meet with her son and others Was Mary lying or was it just too dark when she was asked if she recognized him in front of the boarding house Mary Surratt was on trial with seven men Her attorneys were John Clappitt and Frederick Aiken In prison Lewis Powell continued to tell anyone who would listen that keeping Mary shackled and in prison was wrong as she had nothing to do with the assassination of the President Testimony given by John Lloyd and Louis Weichmann weighed heavily in the Military Commission's final decision During the trial Mary dressed in total black Her head was covered in a black bonnet The expressions on her face were barely recognizable hidden behind the netting of her silk veil This court case in its entirety for Mary Surratt is depicted in this novel the fifth novel in the Lincoln Assassination Series The reader will have the opportunity to determine from the evidence and the testimony of the witnesses whether or not Mary Elizabeth Surratt should be hung or be turned free

Murder, Rape, and Torture in a Catholic Nunnery Edward Hendrie, 2015-05 There has probably not been a person more maligned by the powerful forces of the Roman Catholic Church than Maria Monk In 1836 she published the famous book Awful Disclosures of the Hotel Dieu Nunnery of Montreal In that book she told of murder rape and torture behind the walls of the cloistered nunnery Because the evidence was verifiably true the Catholic hierarchy found it necessary to fabricate evidence and suborn perjury in an attempt to destroy the credibility of Maria Monk The Catholic Church has kept up the character assassination of Maria Monk now for over 175 years Edward Hendrie has examined the evidence and set it forth for the readers to decide for themselves whether Maria Monk was an impostor or a brave victim An objective view of the evidence leads to the ineluctable conclusion that Maria Monk told the truth about what happened behind the walls of the Hotel Dieu Nunnery of Montreal The Roman Catholic Church which is the most powerful religious and political organization in the world has engaged in an unceasing campaign of

vilification against Maria Monk Its crusade against Maria Monk however can only affect the opinion of the uninformed It cannot change the evidence The evidence speaks clearly to those who will look at the case objectively The evidence reveals that the much maligned Maria Monk was a reliable witness who made awful but accurate disclosures about life in a cloistered nunnery

The Confederate Alamo John J. Fox,2014-04-25 The first book length study about the bloody chaotic Battle of Fort Gregg Sweeping insightful military history at its best Civil War News By April 2 1865 General Ulysses S Grant s men had tightened their noose around the vital town of Petersburg Virginia Trapped on three sides with a river at their back the soldiers from General Robert E Lee s Army of Northern Virginia had never faced such dire circumstances To give Lee time to craft an escape a small motley group of threadbare Southerners made a suicidal last stand at a place called Fort Gregg The venerable Union commander Major General John Gibbon called the struggle one of the most desperate ever witnessed At 1 00 p m hearts pounded in the chests of thousands of Union soldiers in Gibbon s 24th Corps These courageous men fixed bayonets and charged across 800 yards of open ground into withering small arms and artillery fire A handful of Confederates rammed cartridges into their guns and fired over Fort Gregg s muddy parapets at this tidal wave of fresh Federal troops Short on ammunition and men but not on bravery these Southerners wondered if their last stand would make a difference Many of the veterans who fought at this place considered it the nastiest fight of their war experience Most could not shake the gruesome memories yet when they passed on the battle faded with them On these pages award winning historian John Fox resurrects these forgotten stories using numerous unpublished letters and diaries to take the reader from the Union battle lines all the way into Fort Gregg s smoking cauldron of hell Fourteen Federal soldiers would later receive the Congressional Medal of Honor for their valor during this hand to hand melee yet the few bloody Confederate survivors would experience an ignominious end to their war This richly detailed account is filled with maps photos and new perspectives on the strategic effect this little known battle really had on the war in Virginia [West Virginia Legislative Hand Book and Manual and Official Register](#) ,1928
