Major Problems Of Mormonism:

Major Problems of Mormonism Jerald Tanner,Sandra Tanner,1989 Mormonism 2010 Handbook on Mormonism ,

The 10 Most Important Things You Can Say to a Mormon Ron Rhodes,2001-08-15 Covers the Mormon view of the Bible the Book of Mormon origins Stresses the importance of the Trinity salvation by grace not works and more What

Every Mormon (and Non-Mormon) Should Know Edmond C. Gruss,Lane A. Thuet,2006 **What Do Mormons Really**

Believe John Ankerberg,John Weldon,2011-08-01 Mormons say they are Christians but are they Do they believe in the same Bible the same God and the same Jesus that Christians follow This book answers these questions and more Was God ever a man Were Jesus and Lucifer brothers Is Scripture still being written Are we saved by what we do Did Joseph Smith ever give false prophecies The meaning of terms Mormons use as well as their views on the Bible reveal the huge chasm between what Mormons and Christians believe This book will help you share the truth with Mormons that come to your door **Is**

Mormonism Now Christian? Steven A. Crane,2010-01-01 For years Mormonism has taught that all the creeds of Christianity were an abomination and all other churches were corrupt Pearl of Great Price Joseph Smith 1 19 Joseph Smith was told not to join with any of them but to help lead in what would be a restoration of the true church In the same way Christianity has never accepted Mormons among their ranks considering them teachers of a different gospel Galatians 1 6 But a new ecumenical spirit of openness might suggest that the doctrinal distance between these two groups is shrinking Are the two sides actually moving closer together Is there significant change within the ranks of Mormonism If so is the change widespread Does this new direction reflect the views of the leadership or is it simply the belief of a few Worse yet is it a deceptive media ploy on behalf of the Church of Jesus Christ of Latter day Saints LDS to appear to be something it is not This work is a fresh new look at the distinctives between Christianity and Mormonism in an attempt to answer the question Is Mormonism Now Christian **Leaving Mormonism** Corey Miller,Lynn K. Wilder,2017-11-28 The growing popular

perception today is that the Mormon church as just another denomination within Christianity and representatives of the LDS church often encourage this perspective Despite points of agreement major differences exist on foundational theological matters for example the Trinity as well as social and moral issues such as racial equality As former Mormons turned evangelical Christians each of whom is an accomplished scholar the four contributors to this volume provide a unique and authoritative corrective Each contributor shares his or her story of growing up in the Mormon church and how biblical theological moral or scientific issues forced them to eventually leave Mormonism The contributors draw on the expertise of their respective academic fields to show how Mormon teachings and practice fall short biblically and rationally They also address common objections raised by former Mormons who have lost faith altogether and have embraced atheism or agnosticism especially under the influence of new atheists like Richard Dawkins and Christopher Hitchens **Reasoning from the Scriptures with the Mormons** Ron Rhodes,Marian Bodine,1995-07-01 Have the Mormons ever left you unsure of

what to say Their arguments are convincing their teachings seem indisputable and their stand on what they believe is firm How can you effectively communicate to the Mormons that their gospel does not match up with the Bible One of the best ways is to ask penetrating questions Cult experts Ron Rhodes and Marian Bodine will help you understand the main points of Mormonism and discover where it falls short of God's truth They then equip you to ask strategic questions that challenge the Mormon claim to be the only true church the reliability of Mormon prophets the authenticity of the Book of Mormon Jesus' supposed visit to ancient America the Mormon view of God Jesus and the Holy Spirit and much more You'll find Reasoning from the Scriptures with the Mormons a valuable guide to responding to Mormons with confidence

The Challenge of the Cults and New Religions Ron Rhodes, 2009-08-30 Cults and New Religions Aren't Hard to Find They're in your neighborhood your workplace your school maybe even your family Cults are flourishing across America Chances are you've encountered one perhaps even know someone who is involved in a cult Can you discuss knowledgeably the critical differences between Christianity and the teachings of Mormonism Jehovah's Witnesses Scientology the New Age movement Hindu based cults and other prominent groups and religious movements In this essential resource preeminent cult authority Ron Rhodes explains what cults are why they are cause for concern and why in the 21st century as never before their numbers and memberships are exploding nationally and worldwide Drawing on his extensive experience as a cult researcher Rhodes offers to the point cutting edge information on twelve major cults and new religions Mormonism Jehovah's Witnesses Mind Sciences New Age Movement Church of Scientology Hindu based Cults Unification Church Baha'i Faith Unitarian Universalism Oneness Pentecostalism Masonic Lodge Satanism Learning the distinctives of these groups will equip you to deal with any of the thousands of other less significant cults you may encounter The Challenge of the Cults and New Religion includes Color photos Scripture Index Subject Index Glossary Bibliography And your resources don't end at the last page You can supplement your knowledge whenever you choose by visiting the author's Web site at www.ronrhodes.org for free thorough up to the minute information on each cult discussed in the book If you're concerned for the temporal and eternal welfare of others The Challenge of the Cults is a must It will help you confront the deception of false Christs and lying doctrines with the clear well grounded truth of biblical Christianity

Mormonism and the Nature of God Kurt Widmer, 2012-10-12 Until around the latter part of the 20th century Mormonism has been presented in scholarly reconstructions as a religion that has not changed significantly from its beginnings whose presently held beliefs existed as a central core of doctrine at the church's founding in 1830 The author argues instead that the development of Mormonism has been primarily due to external events popular cultural philosophical religious and scientific and that these influences have led to the emergence of several streams of thought that are actually in opposition to the early beliefs of the church Mormonism can be seen as a reflection of the development of American society and culture from the early 1800s to the present The major aim of this work is to establish a proper chronology for the development of Mormon thought specifically in

Pasts Newell C. Bringham, Lavina Fielding Anderson,2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century **Is**

Mormonism Christian? Jacob O. Gurley, Ernest E. Dean,2013 A familiar sight in America today is seeing two young men wearing ties white shirts with name tags and black pants pedaling their bicycles through towns and neighborhoods Most recognize the uniform of young Mormon missionaries on their two year mission seeking to promote and convert anyone willing to listen to their story What is becoming increasingly familiar is the rise of entertainment and political figures also identifying themselves as practicing Mormons What is difficult for many Americans is deciding whether the gospel the LDS Church has promoted over the past two centuries is the same gospel proclaimed by traditional Christian churches over the past two millennia Are they sincere Christians a non Christian cult or something else altogether This book seeks to provide an understanding of the history and basic beliefs of traditional Christianity and compare them to the history and beliefs of Mormonism *Another Jesus, a Different Spirit, a Different Gospel* Steven H. Propp,2011-12-13 Its the Christmas season the

most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of

men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel A Multicultural Christmas will be pleased to see a brief reappearance of two characters from that book
