D. Burns, 2004 While recovering from a heart transplant a strange dream kept returning Bob Hunter found himself once again on a small lobster boat bobbing up and down in the ocean in front of a beautiful lighthouse he had never seen before A number of colorful lobster floats and a stack of lobster traps were on the boat in front of him Waves crashing and exploding against a rocky shore in front of the lighthouse sending giant sprays of white foam into the air A girl in a white dress was standing on a rocky ledge to the left of the lighthouse and waving He knew that somehow she was waving at him As the sequence of dreams returned he would find himself walking up to her as she opened her arms to greet him She was one of the most beautiful girls he had ever seen Her long auburn hair and white dress were gently flowing in the breeze off of the ocean He would always wake up just as he approached Over a period of time he developed an unexplainable and obsessive love for her even though he knew she could not possibly be real Bob Hunter was an artist and a naturalist and painted a picture of both the lighthouse and the girl in his dreams A new acquaintance saw the painting of the lighthouse and told him it was real as she had visited and photographed the same lighthouse She encouraged him to travel to the area to see if he could find a reason for his dreams The dreams had no rhyme or reason Bob had never seen a lobster boat and could not believe that the lighthouse in his dreams actually existed The only way he could rid himself of these dreams was to follow his friend's suggestion and travel to the lighthouse and begin a search for the lady of his dreams *Sunday Money* Maggie Hill, 2025-07-30 It's 1971 but for Claire Joyce and girls basketball it might as well be 1871 Stilted rules three bounce dribbling two roving players for full court games and uniforms that include bloomers set their play unfairly apart from the boys basketball Claire's older brother John has trained her in Basketball is the only constant in Claire's life and as she enters her teen years the skills she's cultivated on the court passing shooting and faking help her guard against the chaos of an alcoholic mother an increasingly violent younger brother and the downward spiral her beloved John soon finds himself unable to climb out of Deeply cut from the cloth of the Catholic Church Brooklyn's working class and the limited expectations her world has for girls Claire strives to find a mirror that might reflect a different future self Then Title IX bounces on the scene Suddenly girls basketball becomes explosive musical passionate and driven and if Claire plays it just right it just might offer a full ride to a previously out of reach college Sunday Money follows Claire as she narrates her way through 1970s Brooklyn hustling on and off the court and striving to break free of the turmoil in her home and the rulebook good girls are supposed to follow [Search and Rescue](#) Valerie Hansen, 2016-09-01 DEFENDING HIS OWN Newly sworn in as chief of police Ryder Hayes is ready to defend the citizens of Desert Valley especially his five year old daughter Lily from his wife's murderer So when Ryder starts to grow close to K 9 trainer Sophie Williams he pushes her away to protect her He can't let Sophie become the next target of the deranged serial killer who's obsessed with him But Sophie has secrets of her own and Ryder's caution
