public schools has inspired flight to private schools home schooling and new alternatives such as charter schools Barely a
decade old the charter school movement has attracted a colorful band of supporters from presidential candidates to ethnic
activists to the religious Right At present there are about 1 700 charter schools with total enrollment estimated to reach one
million early in the century Yet until now little has been known about the inner workings of these small inventive schools that

rely on public money but are largely independent of local school boards Inside Charter Schools takes readers into six strikingly different schools from an evangelical home schooling charter in California to a back to basics charter in a black neighborhood in Lansing Michigan With a keen eye for human aspirations and dilemmas the authors provide incisive analysis of the challenges and problems facing this young movement Do charter schools really spur innovation or do they simply exacerbate tribal forms of American pluralism Inside Charter Schools provides shrewd and illuminating studies of the struggles and achievements of these new schools and offers practical lessons for educators scholars policymakers and parents
