Make Believe Family Romance:

Veiled Desires Maureen Sabine, 2013-08 *Veiled Desires* is the first full length study of the film nun to trace the shifting features of her screen representation in twelve or more postwar films that span a sixty year period It not only situates them within the changing history of modern women religious but employs an inter disciplinary perspective to argue that the film nun projects a complex and often vexed portrait of both traditional religious and modern female desires *A Perverse Romance: a Tourist Dance to Art and Satirical Provocation* Pru La Motte, 2019-06-17 *A Perverse Romance* is a satirical tale of artist Hephzibah Brown who is persuaded by Cedric the Imp of Perversity to follow him to the recently independent Ghana following with the temptation that they will compose a tourist book for him to write and for her to illustrate She does follow but knowing his unreliability she changes it to a book about tourists one a pragmatist and the other an idealist And more than this her tourists will be women The novel becomes an examination of real life being a form of transience How I use satire Satire is the uncomfortable life of being disturbed but draws to our notice the human capacity of doubling our subjective thinking This is a philosophical impact which philosopher Thomas Nagel brought to my attention in mind and cosmos materialism Subtracts from the physical world as its major object is everything mental consciousness meaning intention or purpose It is the absence known but ignored too hard Subjectivity becomes fictive but remains to challenge through satire

The Sidney Family Romance Gary Fredric Waller, 1993 William Herbert 1580 1630 third earl of Pembroke and Lady Mary Wroth 1587 1653 were first cousins the nephew and niece of Sir Philip Sidney whose family was one of remarkable literary and political importance Herbert was a poet a voluminous letter writer and one of the Jacobean court s richest and most powerful courtiers and politicians Wroth was arguably the most important woman writer of the period she authored the first Petrarchan poetic sequence the first prose romance and one of the first plays in English by a woman In addition to their connections as cousins and as writers they were lovers and the parents of two illegitimate children *The Sidney Family Romance* is both a cultural biography and a symptomatic reading of the sexual and textual relationships of Herbert and Wroth Waller s analysis of their letters and literary works relies on a variety of critical apparatuses social history current political and social theories of the Jacobean period and most notably feminist psychoanalytic theory In both his biographical information and interpretive comments Waller focuses on subject construction and gender construction of the early modern period to find that Herbert s poems proceed from his life at court to engage in the gender politics of Petrarchan poetry while Wroth s work proceeds from her disempowered position to project a desire for an autonomy which would lead to mutuality between the sexes Waller tries to find ways of analyzing the inner lives of his subjects in the absence of direct evidence and with a paucity of documentation He examines historical documents including the writings of the two cousins and recent historical research along with contemporary studies of family interactions and gender construction and detailed case histories drawn from nearly a century of clinical and therapeutic studies The author concludes with a discussion of the crisis

child Looking for Love in the Legal Discourse of Marriage Renata Grossi, 2014-09-01 This book examines the in visibility of romantic love in the legal discourse surrounding modern Australian marriage It looks at how romantic love has become a core part of modernity and a dominant part of the Western marriage discourse and considers how the ideologies of romantic love are or are not replicated in the legal meaning of marriage This examination raises two key issues If love has become central to people s understanding of marriage then it is important for the legitimacy of law that love is reflected in both the content and application of the law More fundamentally it requires us to reconsider how we understand law and to ask whether it is engaged with emotions or separate from them Along the way this book also considers the meaning of love itself in contemporary society and asks whether love is a radical force capable of breaking down conservative meanings embedded in institutions like marriage or whether it simply mirrors them This book will be of interest to everyone working on love marriage and sexuality in the disciplines of law sociology and philosophy The Brangwen Family Saga: The Rainbow & Women in Love D. H. Lawrence, 2019-12-18 The Rainbow tells the story of three generations of the Brangwen family a dynasty of farmers and craftsmen who live in the east Midlands of England on the borders of Nottinghamshire and Derbyshire The book covers a period from the 1840s to 1905 and shows how the love relationships of the Brangwens change against the backdrop of the increasing industrialization of Britain The first central character Tom Brangwen is a farmer whose experience of the world does not stretch beyond these two counties while the last Ursula his granddaughter studies at university and becomes a teacher in the progressively urbanized capitalist and industrial world Women in Love is a sequel to novel The Rainbow and follows lives of the Brangwen sisters Ursula a schoolteacher and Gudrun a painter They meet two men who live nearby school inspector Rupert Birkin and Gerald Crich heir to a coal mine and the four become friends Ursula and Birkin begin a romantic friendship while Gudrun and Gerald eventually begin a love affair The emotional relationships thus established are given further depth and tension by an intense psychological and physical attraction between Gerald and Rupert All four are deeply concerned with questions of society politics and the relationship between men and women The novel ranges over the whole of British society before the time of the First World War and eventually concludes in the snows of the Tyrolean Alps *Women and Discourse in the Fiction of Marguerite Duras* Susan D. Cohen, 1993 A comprehensive study of Marguerite Duras fiction with a focus on language representation and difference which Duras explores on every structural level **The Doctor's Undoing** Gina Wilkins, 2010-07-01 When the going gets tough third year medical student Ron Gibson walks away He s learned the hard way to sidestep commitment to avoid heartache Yet the footloose bachelor seems to forget his cut and run philosophy when it comes to his sexy colleague Haley Wright An optimist with a temper that rivals his own she gets under his skin and has a starring role in his fantasies Ron knows he and Haley are meant to be much more than friends For the first time he intends to fight like hell for what he wants the chance to be the man she deserves But convincing her to trust him is his toughest challenge yet And with their friendship at risk the stakes couldn t be higher
