Maker And The Myth:

Plato the Myth Maker Luc Brisson,2000-12-15 We think of myth as a fictional story and Plato was the first to use the term muthos in that sense But Plato also used muthos to describe the practice of making and telling stories the oral transmission of all that a community keeps in its collective memory In the first part of Plato the Myth Maker Luc Brisson reconstructs Plato s multifaceted and not uncritical description of muthos in light of the latter s famous Atlantis story The second part of the book contrasts this sense of myth as Plato does with another form of speech that he believed was far superior the logos of philosophy Appearing for the first time in English Plato the Myth Maker is a solid and important contribution to the history of myth based on the privileged testimony of one of its most influential critics and supporters

Myth of the Maker Bruce Cordell,2017-04-30 **Man the Myth-maker** Wilfred Thomas Jewkes,1973 *The Mythmaker* Carter Wheelock,2014-05-29 Readers who are intrigued though often mystified by the intellectual fantasies of Jorge Luis Borges will find this book a revelation a skeleton key to one of the most fundamental and baffling aspects of Borges s fictions the pattern of symbolism with an inner meaning Carter Wheelock s study reduces a number of literary and intellectual abstractions to concrete terms enabling the reader to understand Borges s fantasies in ways that show them to be not so fantastic after all Indeed they are amazingly consistent and minutely accurate in their symbolic depiction of the magic universe of the mind Wheelock also discusses the affinity between Borges s philosophical idealism and his esthetic of the intelligence the relationship between these and the esthetic ideas of French Symbolism and the influence on his fictions of the Rub iyyat of Omar Khayy m Why is it that this writer s writer from the Argentine erudite allusive elusive has attracted such international attention In Wheelock s opinion it is because he has symbolized in his short stories the fundamental form of the human consciousness the functioning of the imaginative world creating mechanism and the eternal battle between form and chaos The Mythmaker is concerned with elucidating the particulars of Borges s fictional works but even as it does so it also reveals their universality **The Writings of John Fiske ...: Myths and myth makers** John Fiske,1902

Myths and Myth-Makers: Old Tales and Superstitions Interpreted by Comparative Mythology John Fiske,1873 *The Dramatic World of Harold Pinter: Its Basis in Ritual* Katherine H. Burkman,1971 **Myths and Myth-makers: Old Tales and Superstitions Interpreted by Comparative Mythology** Fiske,1892 **Myths and Myth-makers** John Fiske,1865 **The Disciple Maker's Handbook** Bobby Harrington,Josh Robert Patrick,2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and

Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts

The Mythmaker Hyam Maccoby,1986 The author presents new arguments which support the view that Paul not Jesus was the founder of Christianity He argues that Jesus and also his immediate disciples James and Peter were life long adherents of Pharisaic Judaism Paul however was not as he claimed a native born Jew of Pharisee upbringing but came in fact from a Gentile background He maintains that it was Paul alone who created a new religion by his vision of Jesus as a Divine Saviour who died to save humanity This concept which went far beyond the messianic claims of Jesus was an amalgamation of ideas derived from Hellenistic religion especially from Gnosticism and the mystery cults Paul played a devious and adventurous political game with Jesus followers of the so called Jerusalem Church who eventually disowned him The conclusions of this historical and psychological study will come as a shock to many readers but it is nevertheless a book which cannot be ignored by anyone concerned with the foundations of our culture and society Book jacket
