Making Miracles in Medieval England Tom Lynch, 2022-08-05 The cult of the saints was central to medieval Christianity largely due to the miraculous Saints were members of the elect of heaven and could intercede with God on the behalf of supplicants Whilst people visited shrines and prayed to the saints for many reasons it was the hope of intercession and the praise of miracles past which drove the cult of the saints This book examines how a person solicited aid from a saint how they might give thanks and the ways in which post mortem miracles structured the cult of the saints A huge number of miracle stories survive from medieval England in dedicated collections as well as in saints lives and other source material This corpus is full of stories of human relationships vulnerability and deliverance of people from all parts of society These stories reveal all manner of details about ordinary people in extraordinary circumstances They also show us how people navigated the world

with the aid of the saints Saints could help with wayward livestock lost property or lawsuits as well as fire plague and injury They could also protect members of their communities correct lapses by their custodians and even kill those who mistreated them A respectful relationship with a saint could be proof against any problem Making Miracles in Medieval England will appeal to all those interested in religious practices in medieval England medieval English culture and medieval perceptions of miracles *Making Miracles* Paul Pearsall,1993 **Making Miracles** Arnold Fox,Barry Fox,1989 PSYCHOLOGY POP PSYCHOLOGY **Reproducing Reproduction** Sarah Franklin,Helena Ragone,Helena Ragoné,1998 Reproducing Reproduction addresses these debates in a range of sites in which reproduction is being redefined and argues persuasively for a renewed appreciation of the centrality of reproductive politics to cultural and historical change *Making Miracles* Arnold Fox,Barry Fox,1992-12-01 A fourteen day self improvement plan aims at replacing negative attitudes with positive ones as a way of improving one s physical and mental health The Way of Miracles Mark Mincolla,2021-06-22 Mark Mincolla s The Way of Miracles Accessing Your Superconsciousness teaches us that we can create our own miracles every day The Way of Miracles is an adventure for the mind and spirit that begins with the premise that miracles don t randomly happen we create them According to Mark Mincolla PhD developing our superconscious mind and recognizing the divine source that exists within each of us is what generates miracles A wholistic physician for more than three decades Mark used his own techniques and learnings to cure himself of a life threatening illness In The Way of Miracles he shares experiences documented research and exercises that he provides his patients and uses himself to raise consciousness in order to cultivate the ability to heal and create miracles that have a lasting effect Make Miracles in Forty Days Melody Beattie,2010-11-30 If you could ask for a miracle right now what would it be We ve all had situations in our lives that seem beyond our control or that have no clear remedy In this concise inspirational guide bestselling self help guru Melody Beattie shows us that we have the ability to make a miracle for almost any circumstance we re facing Beattie a trusted counselor for millions of readers has shared her own stirring stories of overcoming obstacles and dealing with life s tragedies for more than twenty five years In Make Miracles in Forty Days she now offers the ultimate distillation of what she knows about gratitude surrender and connecting with our essential power She challenges us to be more present each day and details a six week action plan the Miracle Exercise to jump start transformation in our lives After completing a series of activities we ll establish what miracles we d like to create and then she ll walk us through practicing this innovative exercise alone with a partner and even with our children Beattie instructs us to be thankful for everything in our lives and for how we re really feeling we need to express gratitude for what we have and who we are not just for our obvious blessings It is crucial that we are grateful for recognizing what is upsetting and bothering us Through acknowledging the pain that we re feeling we can excise any denial or resistance that is holding us back As we progress over the forty days instead of feeling lost numb or confused we ll become more conscious aware and alive Our miracle will begin to materialize Along the way Beattie reveals her own experiences of making

Ekphrastic Image-making in Early Modern Europe, 1500-1700 Arthur J. DiFuria,Walter Melion,2021-12-20 In epideictic oratory ekphrasis is typically identified as an advanced rhetorical exercise that verbally reproduces the experience of viewing a person place or thing more specifically it often purports to replicate the experience of viewing a work of art Not only what was seen but also how it was beheld and the emotions attendant upon first viewing it are implicitly construed as recoverable indeed reproducible This volume examines how and why many early modern pictures

operate in an ekphrastic mode such pictures claim to reconstitute works of art that solely survived in the textual form of an ekphrasis or they invite the beholder to respond to a picture in the way s he responds to a stirring verbal image or they call attention to their status as an image in the way that ekphrasis as a rhetorical figure makes one conscious of the process of image making or finally they foreground the artist s or the viewer s agency in the way that the rhetor or auditor is adduced as agent of the image being verbally produced Contributors Carol Elaine Barbour Ivana Bi ak Letha Ch ien James Clifton Teresa Clifton Karl Enenkel Arthur DiFuria Christopher Heuer Barbara Kaminska Annie Maloney Annie McEwen Walter Melion Lars Cyril N rgaard Dawn Odell April Oettinger Shelley Perlove Stephanie Porras Femke Speelberg Caecilie Weissert Elliott Wise and Steffen Zierholz
