much of the world Netanyahu is a right wing nationalist zealot for many Israelis he is a centrist who is too soft on Arabs and backs down too easily in a fight Love him or loathe him Netanyahu has been at the very centre of Arab Israeli politics since 1990 when he became the telegenic Israeli spokesman for CNN's coverage of the Persian Gulf War arguably ushering in the Americanization of the Israeli media Netanyahu is famous for his TV skills but there is so much more to reveal good and bad about the man and his place in Israeli Middle Eastern and world political history Using the juncture of the Oslo Accords to take the reader back to Netanyahu's formative years Neill Lochery a renowned scholar of Middle Eastern politics and history chronicles not only the Prime Minister's life but also the issues his career has encompassed from the rise of militant Islam to the politics of oil from the transformation of Israeli politics by the 24/7 cable news cycle to the US's changing role in the Middle East At present there is no major profile of Netanyahu in the English language so the publication of this book is a landmark of considerable importance especially as in March 2015 he was re-elected for a further term in office
