Writings Francis Augustus Macnutt, 2020-08-05 Reproduction of the original Bartholomew de Las Casas his life apostolate and writings by Francis Augustus MacNutt The Catholic Periodical and Literature Index ,2003 **Rogue Clerics** Anson Shupe, 2011-12-31 During the past several years the mass media in the United States has been awash with reports of priestly pedophilia ecclesiastical cover up and clerical intimidation or financial settlements intended to silence victims Based on journalistic accounts or scholarly research it might be assumed that this is a recent phenomenon Journalist reports began only within the past few years Similarly most sociologists of religion and particularly specialists in deviance and criminology did not reflect awareness of clerical misbehavior in their work Despite this Anson Shupe shows that clergy deviance whether it is sexual or otherwise is not merely a recent problem It is as old as the church itself and is inevitably bound to recur due to the nature of religious groups This comprehensive analysis offers the first up to date analysis of sexual economic and authoritative clergy malfeasance across faiths and denominational authority structures Drawing on examples taken from antiquity up until the present day and using reports by historians theologians church spokespersons therapists social scientists and journalists Shupe critically evaluates clergy deviant behavior dividing it into various types He also makes use of the therapeutic literature addressing victimization at the level of the individual church and community at large In this way he compares the response of the clergy to victims attempts to mobilize movements calling for church reform Perhaps most controversial this book considers the possible relationship of homosexuality in the clergy to the occurrences of scandals in all religious traditions across the board As an overview of clergy misconduct this book is singular There is simply no other comprehensive serious examination of this subject Written by a sociologist for a wide range of readers its multi disciplinary nature vivid examples and wealth of research will make the volume of interest to sociologists of religion and crime historians and theologians as well as a general public **Parenting Through Crisis** Barbara Coloroso, 2010-01-26 In this companion to her bestselling Kids are Worth It parenting educator Barbara Coloroso shows how parents can help children find a way through grief and sorrow during the difficult times of death illness divorce and other upheavals She offers concrete compassionate ideas for supporting children as they navigate the emotional ups and downs that accompany loss assisting them in developing their own constructive ways of responding to what life hands them At the heart of her approach is what she calls the T A O of Family Time Affection and Optimism coupled with her deep understanding of how people move through grief Barbara Coloroso s clear answers to difficult questions are enriched by uplifting humor and insightful anecdotes from her own experiences as a Franciscan nun mother of three and her thirty years as a parenting educator With this Guide in hand parents can feel assured that they are responding with wisdom and love when children need them most

Bartholomew de Las Casas; his life, apostolate, and writings Various, 2016-09-01 The controversies of which Bartholomew de Las Casas was for more than half a century the central figure no longer move us for slavery as a system is dead and the claim of one race or of men to hold property rights in the flesh and blood of another finds no defenders We may

study the events of his tempestuous life with serene temper solely for the important light on the history of human progress It is sought in the present work to assign to the noblest Spaniard who ever landed in the western world his true place among those great spirits who have defended and advanced the cause of just liberty and at the same time to depict the conditions under which the curse of slavery was first introduced to North America It in no degree lessens the glory of Las Casas to insist upon the historical fact that he was neither the first Spaniard to defend the liberty of the American Indians nor was he alone in sustaining the struggle to which the best years of a life that all but spanned a century were exclusively dedicated Born in an age of both civil and religious despotism his voice was incessantly raised in vindication of the inherent and inalienable right of every human being to the enjoyment of liberty He was preeminently a man of action to whom nothing human was foreign and whose gift of universal sympathy co existed with an uncommon practical ability to devise corrective reforms that commanded the attention and won the approval of the foremost statesmen and moralists of his time True he also had a vision of Utopia and his flights of imaginative altruism frequently elevated him so far above the realities of this world that the incorrigible frailties of human nature seemed to vanish from his calculations but when the rude awakening came he neither forsook the fight nor failed to profit by the bitter lesson

The Last Supper Paul Elie, 2025-05-27 This enthralling group portrait brings to life a moment when popular culture became the site of religious strife strife that set the stage for some of the most salient political and cultural clashes of our day Circa 1980 tradition and authority are in the ascendant both in Catholicism via Pope John Paul II and in American civic life through the Moral Majority and the so called televangelists But the public is deeply divided on issues of body and soul devotion and desire Enter the figures Paul Elie calls cryptoreligious Here is Leonard Cohen writing Hallelujah on his knees in a Times Square hotel room Andy Warhol adapting Leonardo's The Last Supper in response to the AIDS pandemic Prince making the cross and altar into signs of the times Through Toni Morrison spirits speak from the grave Patti Smith and Bruce Springsteen deepen the tent revival intensity of their work Wim Wenders offers an angel's eye view of Berlin U2 the Neville Brothers and Sinéad O'Connor reckon with their Christian roots in music of mystic yearning And Martin Scorsese overcomes fundamentalist ire to make The Last Temptation of Christ a struggle that anticipates Salman Rushdie's struggle with Islam in The Satanic Verses In Elie's acclaimed first book The Life You Save May Be Your Own Catholic writers ventured out into the wilds of postwar America in this book creative figures who were raised religious go to the margins of conventional belief calling forth controversy Episodes such as the boycott sparked by Madonna's Like a Prayer video and the tearing up of Andres Serrano's Piss Christ in Congress are early skirmishes in the culture wars but here the creators not the politicians are the protagonists and the work they make speaks to conflicts that remain unsettled The Last Supper explores the bold and unexpected forms an encounter with belief can take It traces the beginnings of our postsecular age in which religion is at once surging and in decline Through a propulsive narrative it reveals the crypto religious imagination as complex credible daring and vividly recognizable
