

Unitary System

Authority is concentrated in the central government.

Examples: United Kingdom, Japan, Sweden

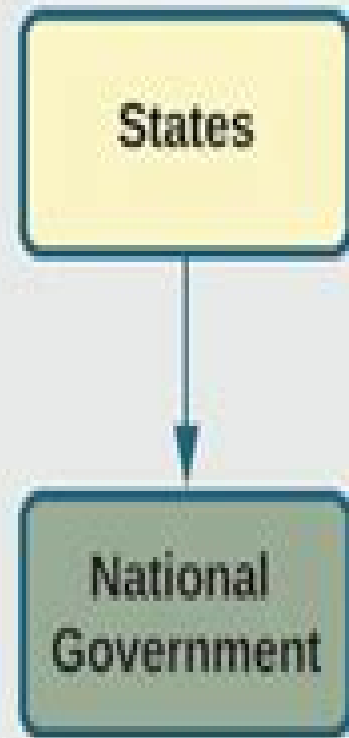

Federation

Authority is divided between central and state governments and is derived from the people.

Examples: Canada, India, United States under the Constitution

Confederation

Authority is concentrated in states.

Example: United States under the Articles of Confederation

Making American Government Work A Proposal To Reinvigorate Federalism

Michael A. Pagano

Making American Government Work A Proposal To Reinvigorate Federalism:

Making American Government Work Garry K. Ottosen, 1992-01-01 Making American Government Work argues that divided responsibility and fragmented power in American government have made it unworkable. The author claims the only solution to this problem is to reinvigorate federalism in the United States. Contents: Why American Government Doesn't Work, The Problem of Shared Responsibility, The Argument for Reinvigorating Federalism, The Tools of Centralization, A Program to Reinvigorate American Federalism, Answers to the Critics, The Promise of Competition, The Outlook, Appendix A: National Control Over State Programs and the Level of Competition Among States, Appendix B: Two Examples of State Innovation in Welfare Index. **Perils of Centralization** Ken Kollman, 2013-11-23 In this provocative and wide-ranging book, Ken Kollman examines the histories of the US government, the Catholic Church, General Motors, and the European Union as examples of federated systems that centralized power over time. He shows how their institutions became locked in to intensive power in the executive. The problem with these and other federated systems is that they often cannot decentralize even if it makes sense. The analysis leads Kollman to suggest some surprising changes in institutional design for these four cases and for federated institutions everywhere. **Making Government Work** Tex Lezar, 1994-11-01 The ideas and new vision contained in this volume lay a firm foundation for local leaders to build on as they employ their new mandate.

Forthcoming Books Rose Arny, 1993 **The Status of Federalism in America** Domestic Policy Council (U.S.). Working Group on Federalism, 1986 Current Publications in Legal and Related Fields, 1994 Federalism United States. Congress. Senate. Committee on Governmental Affairs, 1999 **Reviving the American Dream** Alice M. Rivlin, 1992-05-01 The American dream is fading for nearly two decades; the economy has been performing below par, the quality of life has deteriorated, and the government has not confronted the public problems that concern citizens most. In this provocative book, Alice Rivlin offers a straightforward, nontechnical look at the issues threatening the American dream and proposes a solution: restructure responsibilities between the federal and state government. Under her plan, the federal government would eliminate most of its programs in education, housing, highways, social services, economic development, and job training, enabling it to move the federal budget from deficit toward surplus. States would pick up these responsibilities, carrying out a productivity agenda to revitalize the American economy. Common shared taxes would give the state adequate revenues to carry out their tasks and would reduce intrastate competition and disparities. The federal government would be freer to deal with increasingly complex international issues and would retain responsibility for programs requiring national uniformity. A primary federal job would be the reform of health care financing to ensure control of costs and to mandate basic insurance coverage for everyone. Published in the summer of 1992, *Reviving the American Dream* was read by presidential candidate Bill Clinton by year's end. President Clinton appointed its author, Alice Rivlin, as deputy budget director. Today, the ideal in Rivlin's book and Rivlin herself are having an impact inside the administration. Selected as one of *Choice* magazine's

Outstanding Books of 1993 American Education ,1983 The Dynamics of Federalism in National and Supranational Political Systems Michael A. Pagano,2007-01-17 This collection of essays is designed to help scholars and practitioners understand the fluid and dynamic nature of federalism with particular emphasis on the federal system in the United States
 The book is written to aid our understanding of the contemporary question which federalism *Public Welfare* ,1993
