The Minds Behind the Games Patrick Hickey, Jr., 2018-04-23 Featuring interviews with the creators of 36 popular video games including Deus Ex Night Trap Mortal Kombat Wasteland and NBA Jam this book gives a behind the scenes look at the creation of some of the most influential and iconic and sometimes forgotten games of all time Recounting endless hours of painstaking development the challenges of working with mega publishers and the uncertainties of public reception the interviewees reveal the creative processes that produced some of gaming's classic titles

Peer Relationships in Cultural Context Xinyin Chen, Doran C. French, Barry H. Schneider, 2006-04-03 This book responds to the absence of a comprehensive consideration of the implications of culture for children's peer relationships Although research in this field has burgeoned in recent years cultural issues have often been overlooked The chapters tap such issues as the impact of social circumstances and cultural values on peer relationships culturally prescribed socialization patterns and processes emotional experience and regulation in peer interactions children's social behaviors in peer interactions cultural aspects of friendships and peer influences on social and

school adjustment in cultural context The authors incorporate into their discussions findings from research programs using multiple methodologies including both qualitative e g interviewing ethnographic and observational and quantitative e g large scale surveys standardized questionnaires approaches based on a wide range of ages of children in cultures from East to West and from South to North Asia South America the Mid East Southern Europe and ethnic groups in the US **Alpha and Omega God** Mathewos T. Abera,2012-07 The book is about the Alpha and Omega God It is my testimony in regard to the existence and the will of the Deity creator for the entire creation activities I started to write about this supernatural and omnipotent God from the beginning which is unknown time I then proceeded in writing all the way to the time of eternity In the book I have talked and tried to prove the creatorship and rulership situation or condition of the Trinity God I have done this to make peoples of this world believe in existence of the almighty and the ubiquitous God who caused every thing seen and unseen to emerge and exist as they are found now Sibling Relationships Robert Sanders,2017-03-14 The impact of sibling relationships on how people develop has been dramatically under emphasised in the literature on child development Drawing together new and established research this accessible text shows that these relationships are crucial to professionals under standing of the children and the families they work with Sibling Relationships offers a theoretically grounded and culturally sensitive account of the many complexities of sibling relationships emphasising the significance of these for practice and the ways in which the effectiveness of work with children and families can be enhanced by promoting positive connections between brothers and sisters It examines a range of adverse circumstances for children and families substance abuse domestic violence loss disability and mental illness considering how sibling relationships are affected by these circumstances and how relationships with siblings might help to promote resilience in children Practice notes provide examples of how sibling relationships can become an important focus in the work of professionals This is the first book to link knowledge of sibling relationships to the practice of working with families It will be important reading for anyone interested in children and families including students and professionals in the areas of social work counselling applied social studies and childhood studies
