members and executives a clear path to organizational improvement Within every organization is an ecosystem of influencers In organizations with boards of directors and executives that ecosystem is even more complex and it is even more important to understand it for the benefit of everyone including investors and donors To date governance models have provided little to no understanding of this ecosystem of influence leaving this as an ongoing problem in organizations with the complexity of a board and executive Governance experts have applied a number of inadequate solutions to a problem they still do not grasp In Aligned Influence Ken Schuetz presents the Aligned Influence model which offers a unique perspective on this central problem and a solution that addresses organizational alignment as a necessary prerequisite to effectiveness

Philanthropy and Fundraising in American Higher Education, Volume 37, Number 2 Noah D.

Drezner,2011-05-17 From gifts of blankets chickens and candles to multimillion dollar gifts and billion dollar campaigns voluntary support of American higher education has been part of the American ethos since the founding of the colonial colleges Peter Dobkin Hall in 1992 noted that no single force is more responsible for the emergence of the modern university in America than giving by individuals and foundations Institutions are turning to private giving to meet budgetary demands This book provides a review of the philanthropy and fundraising literature and addresses the impact of philanthropy on American higher education the theoretical under pinnings and motivations for voluntary support and a comprehensive look at the mechanics of fundraising

Stakeholder Capitalism and Corporate Governance in Japan Saori Sugeno,2025-01-27

Japan has long been regarded as an exemplar of a stakeholder model of corporate governance where the interests of employees customers suppliers and the wider community in addition to shareholders are taken into account in decision making However Japan s traditional stakeholder focused corporate governance model is facing new pressures as the economy has undergone changes including increasing foreign share ownership calls for more transparency and a shift towards UK and US style corporate governance This book provides an in depth analysis of Japan s changes and challenges in balancing the interests of shareholders and stakeholders in corporate governance The first section of the book provides a comprehensive overview of the history of corporate governance in Japan and its evolution It includes information on the key regulatory and legal frameworks including the Companies Act and the Financial Instruments and Exchange Law The second section delves into the implementation of the Abenomics corporate governance reforms and their impact on Japan s corporate landscape It also includes information on the codes of Stewardship 2014 and Corporate Governance 2015 The final part provides an in depth analysis of the challenges faced by Japanese companies in terms of corporate governance and the prospects of further corporate governance reforms in Japan It discusses the convergence trend of Japan s traditional bank based stakeholder orientated corporate governance model and a shareholder value driven corporate governance system in the UK and the US This book is aimed at executives policymakers business leaders academics and anyone interested in the future of business and corporate governance It will be of particular interest to those interested in learning about the unique
