Making Masks for School Plays Barbara Snook,1972 *Theatrical Costume, Masks, Make-Up and Wigs* Sidney Jackson Jowers,2013-10-15 First published in 2000 Routledge is an imprint of Taylor Francis an informa company **The American Theatre Reader** Edited By The American Theatre Magazine,2010-06 All of us have immense inner resources for dealing with what life throws at us but we have to learn how to release those resources We can t always control what life sends us but we can choose how we respond And that Easwaran tells us is mainly a matter of quieting the agitation in the mind It s a simple idea but one that goes deep a truly calm mind can weather any storm And we learn to calm the mind through practice there s no magic about it This book offers insights stories practical techniques and exercises that will help us release the energy compassion and wisdom we need to ride the waves of life minute by minute day by day **The Teaching of Drama in the Primary School** Brian George Woolland,2014-06-11 The importance of drama in primary school has been elevated in recent years with many teachers continuing to make it high priority in their teaching They recognise that it can enrich children s understanding of the world and motivate and encourage them in other curriculum work This lively and readable book offers a blend of theory and practice based on the author s own considerable experience as a drama teacher He provides numerous examples taken from work with children in schools which will help teachers to prepare for drama sessions in the classroom The book examines the role of drama as a subject in its own right as well as its role in delivering other aspects of the curriculum within primary education It assumes no prior knowledge of teaching drama and will therefore be useful to trainee teachers and in service teachers wanting to make use of drama in their daily teaching

The American Theatre Reader Staff of American Theatre Magazine,2009-05-01 Essential reading for theater professionals and theatergoers alike With over 150 contributors **African American Males in School and Society** Vernon C. Polite,James Earl Davis,1999-10 In this groundbreaking and timely volume Vernon Polite and James Davis have brought together the perspectives and research findings of eminent scholars who study the educational and social lives of African American males The result is a volume that brims with new outlooks and viewpoints a refreshing departure from pervasive and oftentimes stereotypical literature about the African American male experience and gives the reader access to prevalent issues affecting this population today Thoughtful attention is paid to broader outcomes such as educational attainment job procurement and quality of life These topics are discussed against the backdrop of student background and schooling with an overall aim to improve the academic and social outcomes of this population Chapters range from explorations into identifying giftedness and responsive teaching styles to educating African American males in the suburbs The contributors to this volume offer differing methodologies and foci to document how the social and educational worlds of African American males cross and the editors suggest policy implications that derive from these studies This eloquent engaging and accessible volume has much to offer its readers and is especially important to people concerned with the well
