Making Of Modern Iraq 1st Edition:

The Middle East Today Don Peretz, 1994-04-30 In this completely updated sixth edition Peretz offers a comprehensive introduction to the history politics and contemporary life of the Middle East This is the book for those who have little or no previous academic background to the region Since its initial publication in 1963 this definitive survey has been widely acclaimed and frequently used in history and political science classes As with previous editions this volume offers a basic understanding of the forces that shape life and politics in Israel Egypt Iran Iraq Lebanon Jordan Syria Turkey Saudi Arabia and the Gulf States and is up to date through the September 1993 Israeli P L O accords *Sonic Icons* Sarah Bakker Kellogg, 2024-11-05 A vivid artfully crafted and deeply hopeful account of one community s struggle to rediscover and reinvent itself after a century of genocidal loss dispossession and displacement To the extent that Middle Eastern Christians register in Euro American political imaginaries they are usually invoked to justify Western military intervention into countries like Iraq or Syria or as an exemption to anti Islamic immigration policies because of an assumption that their Christianity makes them easily assimilable in the so called Judeo Christian West Using the tools of multisensory ethnography *Sonic Icons* uncovers how these views work against the very communities they are meant to benefit Through long term fieldwork in the Netherlands among Syriac Orthodox Christians also known as Assyrians Aramaeans and Syriacs Bakker Kellogg reveals how they intertwine religious practice with political activism to save Syriac Christianity from the twin threats of political violence in the Middle East and cultural assimilation in Europe In a historical moment when much of their tradition has been forgotten or destroyed their story of self discovery is one of survival and reinvention By reviving the late antique Syriac liturgical tradition known as the Daughters and Sons of the Covenant they seek a complex form of recognition for what they understand to be the ethical core of Christian kinship in an ethnic as well as in a religious sense despite living in societies that do not recognize this unhyphenated form of ethnoreligiosity as a politically legitimate mode of public identity Drawing on both theological and linguistic understandings of the icon *Sonic Icons* rethinks foundational theoretical accounts of ethnicization racialization and secularization by examining how kinship gets made claimed and named in the global politics of minority recognition The icon as a site of communicative and reproductive power illuminates how these processes are shaped by religious histories of struggle for sovereignty over the reproductive future *The Modern History of Iraq* Phebe Marr, 2018-05-15 *The Modern History of Iraq* is a remarkably readable account of contemporary Iraq placing in historical perspective the crises and upheavals that continue to afflict the country This text weaves together several important themes including the search for a national identity the struggle to achieve social and economic development the changes in political dynamics and the impact of foreign interventions to provide readers with a holistic understanding of modern Iraq Revised and updated throughout the fourth edition features more discussion of cultural identity and media and society In addition this edition includes two new chapters on the events and shifts in the country of the early twenty first century the US intervention

and withdrawal the stabilization and subsequent unraveling of the Maliki government the effects of the Arab uprisings and the rise of ISIS and their political economic and social consequences Written by noted Iraq scholar Phebe Marr with new co author Ibrahim al Marashi this text is essential reading for readers who seek to understand modern Iraq in the context of historical perspective Routledge Library Editions: History of the Middle East Various, 2021-08-25 This multi volume set of reissued classics brings together a collection of titles that touch on many key aspects of the history of the Middle East From the early explorers of Arabia to the 1979 revolution in Iran via histories of places as varied as the UAE and Zanzibar the analysis of Nazi policies towards the Arab East and a close reading of the territorial foundations of the Gulf states the books collected here form a wide ranging and eclectic study of the history of the region *State and Sufism in Iraq* David Jordan, 2021-12-30 *State and Sufism in Iraq* is the first comprehensive study of the Iraqi Ba th regime s r 1968 2003 entanglement with Sufis and of Sunn Sufi Islam in Iraq from the late Ottoman period until 2003 and beyond For far too long the secular and authoritarian Ba th regime has been reduced to the dictator Saddam Husayn and portrayed as antireligious Its growing political employment of Islam during the 1990s in turn has been interpreted either as an abstract Ba thist nationalist Islam or as an ideological U turn from secularism to a form of Islamism that ultimately contributed to the spread of Islamist terrorism after 2003 Broadening the narrow focus on Saddam Husayn this book analyses other leading regime figures their close entanglement with Sufis and Ba th religious politics of a state sponsored revival of Sufi Islam and Iraq s broad and distinct Sufi culture It is the story of a secular regime s search for moderate Islam in order to overcome the challenges of radical Islamism and sectarianism in Iraq The book s two pronged interdisciplinary approach that deals equally with politics and Sufi Islam in Iraq makes it a valuable contribution to scholars and students in Islamic and Middle Eastern Studies Religious Anthropology and Sociology Political Science and International Relations *Sectarianism in Iraq* Khalil Osman, 2014-10-10 This book links sectarianism in Iraq to the failure of the modern nation state to resolve tensions between sectarian identities and concepts of unified statehood and uniform citizenry After a theoretical excursus that recasts the notion of primordial identity as a socially constructed reality the author sets out to explain the persistence of sectarian affiliations in Iraq since its creation following the dismemberment of the Ottoman Empire Despite the adoption of homogenizing state policies the uneven sectarian composition of the ruling elites nurtured feelings of political exclusion among marginalized sectarian groups the Shicites before 2003 and the Sunnis in the post 2003 period The book then examines how communal discourses in the educational curriculum provoked masked forms of resistance that sharpened sectarian consciousness Tracing how the anti Persian streak in the nation state s Pan Arab ideology which camouflaged anti Shicism undermined Iraq s national integration project *Sectarianism in Iraq* delves into the country s slide from a totalizing Pan Arab ideology in the pre 2003 period toward the atomistic impulse of the federalist debate in the post 2003 period Employing extensive fieldwork this book sheds light on the dynamics of political life in post Saddam Iraq and is essential

reading for Iraqi and Middle East specialists as well as those interested in understanding the current heightening of sectarian Sunni Shicite tensions in the Middle East

Writing the Modern History of Iraq Jordi Tejel, Riccardo Bocco, 2012 The modern history of Iraq is punctuated by a series of successive and radical ruptures coups d etat changes of regime military adventures and foreign invasions whose chronological markers are relatively easy to identify Although researchers cannot ignore these ruptures they should also be encouraged to establish links between the moments when the breaks occur and the *longue dur e* in order to gain a better understanding of the period Combining a variety of different disciplinary and methodological perspectives this collection of essays seeks to establish some new markers which will open fresh perspectives on the history of Iraq in the twentieth and twenty first centuries and suggest a narrative that fits into new paradigms The book covers the various different periods of the modern state the British occupation and mandate the monarchy the first revolutions and the decades of Ba thist rule through the lens of significant groups in Iraq society including artists film makers political and opposition groups members of ethnic and religious groups and tribes

[The Arab Nahda as Popular Entertainment](#), 2023-11-16 What was popular entertainment like for everyday Arab societies in Middle Eastern cities during the long nineteenth century In what ways did caf culture theatre illustrated periodicals cinema cabarets and festivals serve as key forms of popular entertainment for Arabic speaking audiences many of whom were uneducated and striving to contend with modernity s anxiety inducing realities Studies on the 19th to mid 20th century s transformative cultural movement known as the Arab nahda renaissance have largely focussed on concerns with nationalism secularism and

language often told from the perspective of privileged groups Highlighting overlooked aspects of this movement this book shifts the focus away from elite circles to quotidian audiences Its ten contributions range in scope from music and visual media to theatre and popular fiction Paying special attention to networks of movement and exchange across Arab societies in Lebanon Syria Egypt Iraq and Morocco this book heeds the call for translocal transnational cultural histories while contributing to timely global studies on gender sexuality and morality Focusing on the often marginalized frequenters of caf s artist studios cinemas nightclubs and the streets it expands the remit of who participated in the nahda and how they did
