Deburg,2013-10-21 Martin Luther King Jr Malcolm X Muhammad Ali When you think of African American history you think of its heroes individuals endowed with courage and strength who are celebrated for their bold exploits and nobility of purpose But what of black villains Villains just as much as heroes have helped define the black experience Ranging from black slaveholders and frontier outlaws to serial killers and gangsta rappers Hoodlums examines the pivotal role of black villains in American society and popular culture Here William L Van Deburg offers the most extensive treatment to date of the black badman and the challenges that this figure has posed for race relations in America He first explores the evolution of this problematic racial stereotype in the literature of the early Republic documents in which the enslavement of African Americans was justified through exegetical claims Van Deburg then probes antebellum slave laws minstrel shows and the works of proslavery polemicists to consider how whites conceptualized blacks as members of an inferior and dangerous race Turning to key works by blacks themselves from the writings of Frederick Douglass and W E B Du Bois to classic blaxploitation films like Black Caesar and The Mack Van Deburg demonstrates how African Americans have combated such negative stereotypes and reconceptualized the idea of the badman through stories of social bandits controversial individuals vilified by whites for their proclivity toward evil but revered in the black community as necessarily insurgent and revolutionary Ultimately Van Deburg brings his story up to date with discussions of prison and hip hop culture urban rioting gang warfare and black on black crime What results is a work of remarkable virtuosity a nuanced history that calls for both whites and blacks to rethink received wisdom on the nature and prevalence of black villainy *Who Got the Camera?* Eric Harvey,2021-10-05 Reality first appeared in the late 1980s in the sense not of real life but rather of the TV entertainment genre inaugurated by shows such as Cops and America's Most Wanted the daytime gabfests of Geraldo Oprah and Donahue and the tabloid news of A Current Affair In a bracing work of cultural criticism Eric Harvey argues that reality TV emerged in dialog with another kind of entertainment that served as its foil while borrowing its techniques gangsta rap Or as legendary performers Ice Cube and Ice T called it reality rap Reality rap and reality TV were components of a cultural revolution that redefined popular entertainment as a truth telling medium Reality entertainment borrowed journalistic tropes but was undiluted by the caveats and context that journalism demanded While N W A's Fuck tha Police countered Cops vision of Black lives in America the reality rappers who emerged in that group's wake such as Snoop Doggy Dogg and Tupac Shakur embraced reality's visceral tabloid sensationalism using the media's obsession with Black criminality to collapse the distinction between image and truth Reality TV and reality rap nurtured the world we live in now where politics and basic facts don't feel real until they have been translated into mass mediated entertainment **Making a Promised Land** Paula J. Massood,2013-01-22 Making a Promised Land examines the interconnected histories of African American representation urban life and citizenship as documented in still and moving images of Harlem over the last century Paula J Massood analyzes how photography and film have been used over time to make African American culture visible to itself and to a

wider audience and charts the ways in which the Mecca of the New Negro became a battleground in the struggle to define American politics aesthetics and citizenship Visual media were first used as tools for uplift and education With Harlem s downturn in fortunes through the 1930s narratives of black urban criminality became common in sociological tracts photojournalism and film These narratives were particularly embodied in the gangster film which was adapted to include stories of achievement economic success and later in the century a nostalgic return to the past Among the films discussed are Fights of Nations 1907 Dark Manhattan 1937 The Cool World 1963 Black Caesar 1974 Malcolm X 1992 and American Gangster 2007 Massood asserts that the history of photography and film in Harlem provides the keys to understanding the neighborhood s symbolic resonance in African American and American life especially in light of recent urban redevelopment that has redefined many of its physical and demographic contours The Stuff of Spectatorship Caetlin

Benson-Allott,2021-04-06 Film and television create worlds but they are also of a world a world that is made up of stuff to which humans attach meaning Think of the last time you watched a movie the chair you sat in the snacks you ate the people around you maybe the beer or joint you consumed to help you unwind all this stuff shaped your experience of media and its influence on you The material culture around film and television changes how we make sense of their content not to mention the very concepts of the mediums Focusing on material cultures of film and television reception The Stuff of Spectatorship argues that the things we share space with and consume as we consume television and film influence the meaning we gather from them This book examines the roles that six different material cultures have played in film and television culture since the 1970s including video marketing branded merchandise drugs and alcohol and even gun violence and shows how objects considered peripheral to film and television culture are in fact central to its past and future *The Ultimate Book of*

American Film Cycles Amanda Ann Klein, 2011-12-01 A series of movies that share images characters settings plots or themes film cycles have been an industrial strategy since the beginning of cinema While some have viewed them as subgenres mini genres or nascent film genres Amanda Ann Klein argues that film cycles are an entity in their own right and a subject worthy of their own study She posits that film cycles retain the marks of their historical economic and generic contexts and therefore can reveal much about the state of contemporary politics prevalent social ideologies aesthetic trends popular desires and anxieties *American Film Cycles* presents a series of case studies of successful film cycles including the melodramatic gangster films of the 1920s the 1930s *Dead End Kids* cycle the 1950s juvenile delinquent teenpic cycle and the 1990s ghetto action cycle Klein situates these films in several historical trajectories the Progressive movement of the 1910s and 1920s the beginnings of America's involvement in World War II the birth of the teenager in the 1950s and the drug and gangbanger crises of the early 1990s She shows how filmmakers audiences film reviewers advertisements and cultural discourses interact with and have an impact on the film texts Her findings illustrate the utility of the film cycle in broadening our understanding of established film genres articulating and building upon beliefs about contemporary social problems shaping and disseminating deviant subcultures and exploiting and reflecting upon racial and political upheaval

Rapper,

Writer, Pop-Cultural Player Josephine Metcalf, Will Turner, 2016-04-08 This collection of essays critically engages with factors relating to black urban life and cultural representation in the post civil rights era using Ice T and his myriad roles as musician actor writer celebrity and industrialist as a vehicle through which to interpret and understand the African American experience Over the past three decades African Americans have faced a number of new challenges brought about by changes in the political economic and social structure of America Furthermore this vastly changed social landscape has produced a number of resonant pop cultural trends that have proved to be both innovative and admired on the one hand and contentious and divisive on the other Ice T s iconic and multifarious career maps these shifts This is the first book that taken as a whole looks at a black cultural icon s manipulation of or manipulation by so many different forms simultaneously The result is a fascinating series of tensions arising from Ice T s ability to inhabit conflicting pop cultural roles including hardcore gangsta rapper and dedicated philanthropist author of controversial song Cop Killer and network television cop self proclaimed pimp and reality television house husband As the essays in this collection detail Ice T s chameleonic public image consistently tests the accepted parameters of black cultural production and in doing so illuminates the contradictions of a society erroneously dubbed post racial
