New Immigrants Portraits In Passage:

New Immigrants, Portraits in Passage Thomas Bentz, 1981 **The New Immigrant in American Society** Marcelo M. Suarez-Orozco, 2014-06-03 First published in 2002 Routledge is an imprint of Taylor Francis an informa company **The INS on the Line** S. Deborah Kang, 2017 The INS on the Line Making Immigration Law on the US Mexico Border 1917 1954 offers a comprehensive history of the INS in the southwestern borderlands tracing the ways in which local immigration officials both made and enforced the nation's immigration laws **To Be An American** Bill Ong Hing, 1997-03-01 The impetus behind California's Proposition 187 clearly reflects the growing anti immigrant sentiment in this country Many Americans regard today's new immigrants as not truly American as somehow less committed to the ideals on which the country was founded In clear precise terms Bill Ong Hing considers immigration in the context of the global economy a sluggish national economy and the hard facts about downsizing Importantly he also confronts the emphatic claims of immigrant supporters that immigrants do assimilate take jobs that native workers don't want and contribute more to the tax coffers than they take out of the system A major contribution of Hing's book is its emphasis on such often overlooked issues as the competition between immigrants and African Americans inter group tension and ethnic separatism issues constantly brushed aside both by immigrant rights groups and the anti immigrant right Drawing on Hing's work as a lawyer deeply involved in the day to day life of his immigrant clients To Be An American is a unique blend of substantive analysis policy and personal experience

A Different Mirror Ronald Takaki, 2012-06-05 Takaki traces the economic and political history of Indians, African Americans, Mexicans, Japanese, Chinese, Irish, and Jewish people in America with considerable attention given to instances and consequences of racism. The narrative is laced with short quotations, cameos of personal experiences, and excerpts from folk music and literature. Well-known occurrences such as the Triangle Shirtwaist Factory Fire, the Trail of Tears, the Harlem Renaissance, and the Japanese internment are included. Students may be surprised by some of the revelations but will recognize a constant thread of rampant racism. The author concludes with a summary of today's changing economic climate and offers Rodney King's challenge to all of us to try to get along. Readers will find this overview to be an accessible, cogent jumping-off place for American history and political science, plus a guide to the myriad other sources identified in the notes.

Passages to America Emmy E. Werner, 2009-08-31 More than twelve million immigrants, many of them children, passed through Ellis Island's gates between 1892 and 1954. Children also came through the Guardian of the Western Gate, the detention center on Angel Island in California that was designed to keep Chinese immigrants out of the United States. Based on the oral histories of fifty children who came to the United States before 1950, this book chronicles their American odyssey against the backdrop of World Wars I and II, the rise and fall of Hitler's Third Reich, and the hardships of the Great Depression. Ranging in age from four to sixteen years old, the children hailed from Northern, Central, Eastern, and Southern Europe, the Middle East, and China. Across ethnic lines, the child immigrants' life stories tell a remarkable tale of human resilience. The sources of family and community support that they relied on, their educational aims and accomplishments, their hard work, and their optimism about the future are just as crucial today for the new immigrants of the twenty-first century. These personal narratives offer unique perspectives on the psychological experience of being an immigrant child and its impact on later development and well-being. They chronicle the joys and sorrows, the aspirations and achievements, and the challenges that these small strangers faced while becoming grown citizens.
