African Philosophy Richard H. Bell, 2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informal company

Meaning of Justice in African Philosophy Grivas Muchineripi Kayange, 2023-11-27 The book examines the meaning of justice in African political philosophy building on the use theoretical approach Currently most of the philosophical works in this context advocate for a communal interpretation of the meaning of justice such as the relational theory of justice and Ubuntu justice as fairness The author argues that this foundation of justice in the community undermines the self which is a major problem with these theories As an attempt to go beyond communitarianism in African thought the book recognizes other philosophical frameworks for elaborating the meaning of justice in ordinary people's experience such as vitalism theism ubuntuism and semantic framework The author opts for a reconstructed ubuntu based theory of the meaning of justice that reflects the traditional African experience and recuperates valuing self existence and valuing other existence as its foundations The book further identifies the centrality of rights in defining justice in traditional African communities

A Short History of African Philosophy, Second Edition Barry Hallen, 2009-09-03 A Short History of African Philosophy discusses major ideas figures and schools of thought in philosophy in the African context While drawing out critical issues in the formation of African philosophy Barry Hallen focuses on recent scholarship and relevant debates that have made African philosophy critical to understanding the rich and complex cultural heritage of the continent This revised edition expands the historical perspective takes account of recent discoveries and new canonical figures highlights new discussions about gender as a cultural and philosophical phenomenon clarifies issues regarding indigenous cultures and human rights and builds on the notion that African philosophy shares methods and concerns of philosophy worldwide This short reference is an essential resource for students scholars and general readers

Logos of Phenomenology and Phenomenology of the Logos. Book Five Anna-Teresa Tymieniecka, 2006-07-14 Having established in the *ontopoiesis* phenomenology of life the creative function of the human being as the fulcrum of our beingness in becoming let us now turn to investigate the creative logos In this collection the momentum of a gathering creative brainstorm leads to the vertiginous imaginative transformability of the creative logos as it ciphers through the aesthetic sense the elements of experience sensing feeling emotions forming in works of art thus lifting human experience into spirit and culture

The Cambridge Companion to Postcolonial Literary Studies Neil Lazarus, 2004-07-15 The Cambridge Companion to Postcolonial Literary Studies first published in 2004 offers a lucid introduction and overview of one of the most important strands in recent literary theory and cultural studies The volume aims to introduce readers to key concepts methods theories thematic concerns and contemporary debates in the field Drawing on a wide range of disciplines contributors explain the impact of history sociology and philosophy on the study of postcolonial literatures and cultures Topics examined include everything from anti colonial nationalism and decolonisation to globalisation migration flows and the brain drain which constitute the past and present of the postcolonial condition The volume also pays attention to the sociological and ideological conditions surrounding the emergence of postcolonial literary

studies as an academic field in the late 1970s and early 1980s The Companion turns an authoritative engaged and discriminating lens on postcolonial literary studies

Ethnophilosophy and the Search for the Wellspring of African Philosophy Ada Agada, 2022-01-12 This book provides a case for the de stigmatisation of ethnophilosophy by demonstrating its continuing relevance in contemporary African philosophy The book brings together established and brilliant young scholars who defend ethnophilosophy as a unique source of African philosophy with the capacity to colour African philosophical scholarship thereby distinguishing African philosophy from other philosophical traditions of the world and setting the stage for philosophical dialogue in the 21st century characterised by multiculturalism and globalisation The volume addresses the future of African philosophy by closely linking the past of this tradition with the exciting projects of the contemporary system builders whose works emerge from the ethnophilosophical while transcending it The book is aimed at African philosophy experts scholars of intercultural philosophy African studies scholars and graduate students of African and intercultural philosophy

Method, Substance, and the Future of African Philosophy Edwin E. Etieyibo, 2018-02-24 This book takes stock of the strides made to date in African philosophy Authors focus on four important aspects of African philosophy the history methodological debates substantive issues in the field and direction for the future By collating this anthology Edwin E Etieyibo excavates both current and primordial knowledge in African philosophy enhancing the development of this growing field

Consolationism and Comparative African Philosophy Ada Agada, 2021-11-18 In a major challenge to African philosophy this book demonstrates the importance of the universalisation question for every committed African philosopher Rooted in Africa s colonial legacy the universalisation question challenges the African thinker to show how authentically African philosophical concepts and phenomena can be universally applicable in a globalising world In this highly original book the author inserts the philosophy of consolationism into African philosophical discourse constructing a unique philosophical system that is at once African and universally relevant The book engages major African and Western philosophers of diverse ideological leanings in a compelling dialogue that announces the future of world philosophy as one of interculturality in which a common philosophical horizon is forged out of the cultural diversities of the world for the edification of humanity in a continually changing world This book will be an important read for researchers in the fields of African Studies intercultural philosophy philosophy of mind and existentialism
