Postmillennialism An Eschatology Of Hope:

Postmillennialism Keith A. Mathison,1999 Is there hope for this world Do the promises of the gospel hold out a bright future for the families and nations of the earth In this enlightening work Keith A Mathison sets forth a wealth of biblical historical and theological evidence for an optimistic eschatology Unlike end time forecasts that see modest growth in the church before Christ s return postmillennialism expects the Spirit blessed gospel to have overwhelming success in bringing the world to Christ Mathison explains why and he calls us to renewed faith and expectation as we serve the reigning King of Kings **He Shall Have Dominon** Kenneth L Gentry,2021-04-08 This book provides a thorough presentation of

postmillennialism Postmillennialism is the eschatological system of Scripture that holds that the gospel of Jesus Christ will gradually win world wide sway The postmillennialist believes that o ne day before Christ returns the world as a system will be Christianized operating on biblical principles in all areas of life This will lead to a long period in which righteousness peace and prosperity will prevail in the earth He Shall Have Dominion argues for Christianity s dominance in world affairs be means of scores of Bible verses and numerous theological observations It provides three entire chapters answering objections to the postmillennial hope **Postmillennialism & the Imminent Return of Christ** Travis

Fentiman,2025-06-17 A major share of the Reformation and puritan era held to post millennialism that only after the majority of the nations convert to Christianity in the Millennium Ps 22 26 31 Isa 2 2 5 Rev 20 4 etc will Christ come again It is sometimes posed as an objection to this that Christ may come back at any time therefore post millennialism is not true Yet most of Church history has recognized from Scripture that there are prophecies which must occur before Christ comes again hence Christ cannot come at any time This article demonstrates from the Scriptures that the Lord s standing at the door and coming quickly is consistent with a robust postmillennialism [The Twilight of Postmillennialism](#) Michael A. Fenemore,Kurt

M. Simmons,2010-08-26 Dr Keith A Mathison is one of postmillennialism s leading proponents He describes his eschatological vision postmillennialism teaches that the thousand years of Revelation 20 occurs prior to the Second Coming An essential doctrine of postmillennialism is that prior to the Second Coming the messianic kingdom will grow until it has filled the whole earth Postmillennialism An Eschatology of Hope pp 10 191 But in his book When Shall These Things Be Mathison concedes As far as Paul knew Christ could have returned in his lifetime p 194 If Christ could have returned within Paul s lifetime how could there have been enough time for an enormous millennium culminating in the messianic kingdom filling the whole earth If you find this tremendous inconsistency disturbing The Twilight of Postmillennialism will be of interest to you Within its pages numerous specious arguments proposed by leading advocates of postmillennialism and amillennialism are exposed as fatally flawed You will be outraged as you witness Mathison and Dr Kenneth L Gentry Jr distorting simple pronouns in desperate attempts to prove their points If you are a postmillennialist prepare for a crisis of belief as Michael A Fenemore decisively disproves postmillennialism s lynchpin teaching that Matthew 24 should be divided

into fulfilled and unfulfilled sections You may not know whether to laugh or cry as Kurt M Simmons exposes the ill conceived theory of unfolding eschatology proposed by Dr Richard L Pratt Jr Authors have been quoted extensively so reading their books first is not required The Twilight of Postmillennialism was written to be of value to all Christians including those with a limited understanding of post amillennialism Three articles in the appendices present powerful evidence precluding ALL eschatological systems that place the second coming of Christ in the future leaving full preterism as the only option **The Source of Hope** John S. Hammett,2025-08-01 In The Source of Hope John Hammett crafts a detailed and accessible introduction to the discipline of eschatology **Biblical Missions** Thomas Nelson,2025-02-25 Biblical Missions Principles Priorities and Practices brings together experienced and biblically focused missions voices to equip evangelical students worldwide for a faithful gospel witness today This comprehensive textbook produced by The Master s Academy International TMAI a non profit organization and part of the John MacArthur family of ministries is designed to equip pastors and church leaders around the world in biblical missiology and practice The book combines 100 voices from 60 nations of origin or service to not only address the principles of biblical missions theory but also offer recommendations for faithful field applications both within historically missions sending countries as well as in Majority World countries that are reaching their surrounding regions with the gospel Local churches around the world as well as like minded Christian colleges seminaries and missions organizations are invited to follow these proven pathways to fulfill the Great Commission faithfully

The Fulfillment of the Davidic Covenant Patrick W. Nasongo,2019-01-01 The author discusses three major hermeneutical views concerning the fulfillment of the promises God made in the Davidic Covenant that is a house dynasty a kingdom realm and a throne right to rule He shows how the adherents of each view differ regarding the timing and nature of the fulfillment of each aspect He also investigates the hermeneutical methodology of each view to determine how they arrived at their conclusions and then he analyzes their conclusions from an exegetical perspective Furthermore he explains in detail and defends the view he considers to be biblical Most of all in an age where compromise on biblical interpretation has become the norm he encourages his readers to interpret the Scriptures according to the normal laws of language in order to arrive at their intended meaning I am honored to endorse this book for Patrick Nasongo His extensive research reveals why three prominent evangelical approaches differ in their interpretations of the fulfillment of the Davidic Covenant His analysis is fair and the reader will learn much about each methodology Larry A Tyler Ph D Dean Bowman School of Bible Theology Temple Baptist Seminary
