Poverty And Mental Retardation A Causal Relationship:

Poverty and Mental Retardation, A Casual Relationship RODGER L. HURLEY, 1968 **Poverty and Mental Retardation, a Causal Relationship** W. H. G. Armytage, 1969 **Poverty and mental retardation, a causal relationship, by Rodger L. Hurley** Rodger L. Hurley, *A Message from the President's Committee on Mental Retardation* United States. President's Committee on Mental Retardation, 1966 **Retardation, Corrections, and Retarded Offenders** Miles Santamour, Bernadette West, 1978 *Mentally Ill and Handicapped Children* United States. Congress. House. Committee on the District of Columbia, 1972 *Culture and Retardation* L.L. Langness, Harold G. Levine, 2012-12-06

Mental retardation in the United States is currently defined as significantly subaverage general intellectual functioning existing concurrently with deficits in adaptive behavior and manifested during the development period Grossman 1977 Of the estimated six million plus mentally retarded individuals in this country fully 75 to 85% are considered to be functionally retarded Edgerton 1984 That is they are mildly retarded persons with no evident organic etiology or demonstrable brain pathology Despite the relatively recent addition of adaptive behavior as a factor in the definition of retardation 1 0 still remains as the essential diagnostic criterion Edgerton 1984 26 An 1 0 below 70 indicates subaverage functioning However even such an objective measure as 1 0 is problematic since a variety of data indicate quite clearly that cultural and social factors are at play in decisions about who is to be considered retarded Edgerton 1968 Kamin 1974 Langness 1982 Thus it has been known for quite some time that there is a close relationship between socioeconomic status and the prevalence of mild mental retardation higher socioeconomic groups have fewer mildly retarded persons than lower groups Hurley 1969 Similarly it is clear that ethnic minorities in the United States Blacks Mexican Americans American Indians Puerto Ricans Hawaiians and others are disproportionately represented in the retarded population Mercer 1968 Ramey et al 1978 *Rehabilitation Record* , 1966 **Day Care: Resources for Decisions** Edith Henderson Grotberg, 1971 **OEO Pamphlets** Economic Opportunity Office, **Reading Poverty in America** Patrick Shannon, 2014-03-14

In this book Shannon's major premise remains the same as his 1998 *Reading Poverty* Poverty has everything to do with American public schooling how it is theorized how it is organized and how it runs Competing ideological representations of poverty underlie school assumptions about intelligence character textbook content lesson formats national standards standardized achievement tests and business school partnerships and frame our considerations of each In this new edition Shannon provides an update of the ideological struggles to name and respond to poverty through the design content and pedagogy of reading education showing how through their representations and framing advocates of liberal conservative and neoliberal interpretations attempt the ideological practice of teaching the public who they are what they should know and what they should value about equality civic society and reading For those who decline these offers Shannon presents radical democratic interpretations of the relationship between poverty and reading education that position

the poor the public students and teachers as agents in redistribution of economic cultural and political capital in the United States **Hearings, Reports and Prints of the House Committee on the District of Columbia** United States.
