Public Sector Leadership Petri Virtanen,Harri Jalonen,Marika Tammeaid,2022-11-30 Drawing its origins from the Human Relations movement of the early 20th century and from public leadership orientations emphasising human aspects human centred public leadership approaches leadership from a system s perspective It explores societal institutions organisations and phenomena as an emergent system structure that manifests its existence through the multilateral and reciprocal interaction of its parts Systems thinking and the need for systemic change suggest that one can only understand and improve a system by looking at how all the parts interact with each other and how they are integrated The systemic nature of public leadership refers to dynamic learning mechanisms as they relate to the contents of leadership

development tools which are derived mainly from the changing mode of the operating environment from the leaders own experience from their own personalities from a learning by doing approach to leadership development and from the ways in which leaders learn and unlearn This book presents key concepts approaches origins applications and best practices to understand the evolution and nature of human centred approach in public leadership It introduces a new public leadership paradigm that is needed in a complex internationally interconnected social economic cultural and political environment Based on scholarly public leadership research in addition to the authors professional experience as academics managers practitioners and consultants this volume offers guidance for decision makers public business and non governmental sector leaders managers and practitioners about how to create a context and contents for human centred leadership in the age of complex society and turbulent operating environment It will be of value to researchers academics and students in the in the fields of leadership and public management Effective Police Leadership in the 21st Century Rob Elkington, Christopher D. O'Connor, Tiffany Castell, Les Sylven, 2025-05-01 Effective Police Leadership in the 21st Century New Paradigms for a Novel Context provides a platform and pathway to equip existing and emerging Police leaders with a range of leadership mindsets and skillsets Kindness in Leadership Gay Haskins, Michael Thomas, Lalit Johri, 2018-03-09 In a global climate of increasing complexity and uncertainty there have been calls for a more responsible form of leadership in business and society The relationship between kindness and leadership is therefore a topic of fundamental importance for our well being as individuals for the success of our organisations and for the future of our global community Kindness in Leadership is one of the first books to explore both the concept and practice of kindness in leadership and consider them in different societal and organisational settings Its uniqueness lies in combining an innovative mix of personal views from leaders with explorations of organisational philosophies and practices It opens with a definition of kindness and its contours and underpinnings It then explores the importance of kindness within different organisations parts of the world economic strata age groups and genders drawing on research on organisational compassion and neuroscience In order to support learning each chapter is supported by a series of questions for consideration and discussion This will be a stimulating and thought provoking read for a wide audience of practicing managers and leaders in organisations of all shapes and sizes for academics involved in educating for leadership and for students aspiring to develop their own kind and compassionate leadership style

Innovations in Public Leadership Development Ricardo S. Morse, Terry F. Buss, 2014-12-18 This is the best single source guide to leadership development in the public sector It offers a wealth of advice for teachers students trainers human resource officers and established leaders The all original chapters include discussions of leadership frameworks competencies for public leaders for the new governance and strategies for senior leaders in government The book s wide ranging coverage includes in depth discussions of specific approaches to learning methods such as action learning and social artistry as well as presentations of leader development models such as transformational stewardship and global leadership

The contributors present experiences from real world leadership development programs and the book situates leader development within the current trends of networks collaboration and boundary crossing work in the public sector *Police Leadership in the 21st Century* Robert Adlam, Peter Villiers, 2003-01-01 This title looks at the extensive research on the topic of leadership and concludes by suggesting certain simple but fundamental rules or Golden Rules for police leaders

Canadian Public Administration in the 21st Century Charles Conteh, Ian Roberge, 2013-08-13 The demands associated with good governance and good public management are at an all time high Yet the discipline of Canadian public administration is in flux and the time is ripe for an open and frank analysis of its state and possibilities Canadian Public Administration in the 21st Century brings together emerging voices in Canadian public adm Transformational Human Resources Management in Zimbabwe Mervis Chiware, Bernard Nkala, Innocent Chirisa, 2022-09-19 This book is a stepping stone toward solving public sector human capital challenges in Zimbabwe as it equips human capital managers with solutions to key issues in the public sector In Zimbabwe the public sector human capital drives the economy as over half of the population access their services through public enterprises Government is the major agent in economic and infrastructure development as well as the production of goods and services However Zimbabwe s public service is underperforming due to poorly motivated and managed employees who do not respond to the needs of its clients This is a cause of concern as the public sector human capital is central to the overall performance of the public sector Often public sector managers and leaders lack advanced relevant and dynamic skills and knowledge to deal with human resource challenges within the New Public Management environment It is critical for the public sector to transform its human resource management to suit twenty first century needs Effective human resource management in the public sector leads to economic growth and therefore the achievement of the Zimbabwe National Vision 2030 Therefore this book serves as a guide for public sector managers and those directly or indirectly involved in human capital management It provides in depth knowledge and guidance in effective human capital management within the context of the public sector in Zimbabwe
