Puccini Tosca Zubin Mehta:

Zubin Mehta Bakhtiar K Dadabhoy, 2017-04-17 Zubin Mehta A Musical Journey traces the nearly six decade long rich and uniquely varied career of the maestro The only musician ever to simultaneously direct two major orchestras in North America Mehta has worked with the most distinguished artistes of the last century His extraordinary journey from Mumbai to some of the most prestigious podiums of the music world is a saga of genius and dedication This meticulously researched authorized biography explores his life musical legacy and association with the Israel Philharmonic Orchestra Engagingly written it offers an insightful window into the life of one of the twentieth century s greatest conductors *Zubin Mehta* Zubin Mehta, Renate v Matuschka, 2009 Captures the life of this celebrated musician including a review of his childhood days in Bombay his early education in music in Europe his great success with orchestras around the world and his receipt of the United Nations Lifetime Achievement Peace and Tolerance Award American Opera Singers and Their Recordings Clyde T. McCants, 2004-08-06 This book focuses on American opera singers and what their recordings say about their artistry It is not a book about all American opera singers since many who had important careers on stage made few if any recordings And many of those who did make recordings did so prior to the introduction of electrical recording in 1925 and the resulting advances in the reproduction of the human voice Opera enthusiasts can only imagine the sound of Farinelli s voice or read what his contemporaries have written about it but with almost any famous or near famous singer of recent years enthusiasts do not have to imagine Their voices are available through the technology of sound recording There are 53 entries one each for 52 singers and a composite entry for a group of Hollywood vocalists Each entry contains biographical information and is followed by a discography of operatic recordings to be used in conjunction with the critical commentaries The entries are in alphabetical order by the singer s last name and provide critical analyses of key recordings and of the artists gifts and limitations The Right Place, The Right Time! Donald Peck, 2007-07-20 From Yakima Washington to the Chicago Symphony Orchestra Donald Peck s journey as a flutist has been extraordinary Here Peck offers an insider s view of the inner workings of one of the most prestigious orchestras in the country Peck like many artists did not select his path voluntarily but rather let fate lead him to a career in music In 1957 he secured a seat with the orchestra as a flutist Beginning in 1958 Peck garnered the title of principal which he kept until his retirement in 1999 A memoir filled with stories about life on the road making recordings and working with the best musicians and singers in the business *The Right Place The Right Time* is a joy for anyone interested in the life of a dedicated devoted and talented artist **Giacomo Puccini** Roger Flury, 2012-06-21 Opera recordings have been with us since the creation of the first wax cylinders Now at a time when the 25 year reign of the compact disc appears to be coming to an end is the moment to take stock of the history of recordings of arguably the most popular composer of operas Giacomo Puccini In *Giacomo Puccini A Discography* librarian and music historian Roger Flury looks at each opera chronologically from *Le Villi* to *Turandot* followed by sections on Puccini s instrumental chamber

orchestral and solo vocal works Details of each complete opera are listed by recording date followed by excerpts in the order in which they occur in the opera Recordings of each aria are listed alphabetically by the name of the artist For ease of use Flury establishes as the main criteria for inclusion those recordings assigned a commercial issue number and available for purchase This book does not limit itself to mainstream recordings but includes as well unofficial recordings taken from broadcasts or illegally recorded in theaters ensuring that the audio recording history of Puccini is free of gaps Video and DVD issues whether of staged performances or excerpts in concert are not included unless they have been issued in a sound only format This volume brings together information on nearly 10 000 recordings of Puccini s music It provides a comprehensive overview of the recorded history of the composer s works and serves as a useful guide for the transfer of recordings from one format to another
