**Pucker Factor 10** James Joyce, 2016-08-24 In 1963 there was no way I could have known sitting in a classroom on that beautiful campus in Ohio that by raising my hand I would be going to war in Vietnam and that I would see things hear things and do things that most people cannot imagine James Joyce The author was drawn into the United States Army through ROTC and went through training to fly helicopters in combat over Vietnam His experiences are notable because he flew both Huey Slicks and Huey Gunships the former on defense as he flew troops into battle and the latter on offense as he took the battle to the enemy Through this book the author relives his experiences flying and fighting with special attention given to his and other pilots day to day lives such as the smoke bombing of Disneyland the nickname given to a United States Army sponsored compound for prostitution Some of the pilots Joyce served with survived the war and went on to have careers with commercial airlines and many were killed

*Pucker Factor 10* James Joyce, 2009-07-01 In 1963 there was no way I could have known sitting in a classroom on that beautiful campus in Ohio that by raising my hand I would be going to war in Vietnam and that I would see things hear things and do things that most people cannot imagine James Joyce The author entered the United States Army through ROTC and trained to fly helicopters in combat over Vietnam He flew both Huey Slicks and Huey Gunships the former on defense flying troops into battle and the latter in taking the battle to the enemy Here he relives his experiences flying and fighting with special attention given to pilots day to day lives This entry refers to the LARGE PRINT edition For the standard edition please see ISBN 978 0 7864 1557 1 »Welcome to My Bunker« - Vietnamkriegserfahrung im Internet Roland Leikauf, 2015-12-15 Willkommen zur ck Auf tausenden Websites begr en Vietnamveteranen die Besucher in ihrer neuen Heimat dem Internet Das Netz hat f r viele Beteiligte des l ngsten und umstrittensten Kriegs den Amerika je gef hrt hat eine wichtige Bedeutung gewonnen Der Historiker Roland Leikauf zeigt Hier findet nicht weniger als die radikale Redefinition der Konzepte Vietnamveteran und Vietnamkrieg statt Die Studie l sst deutlich werden warum die Kriegsverarbeitung im virtuellen Raum auch f r die Veteranen aktueller Kriege immer wichtiger wird Shoulda Played the Flute Richard Elgin, 2015-12-11 Shoulda Played the Flute is a memoir about the author s adventure in Army Aviation 1968 1971 including a year flying combat missions in Vietnam Raised in the rural Midwest the book describes Dick s path to joining the Army and becoming a helicopter pilot As thousands of other young men did some as young as 18 Dick went through rotary wing flight school as a Warrant Office Candidate WOC Each WOC had his own story of how he sought out and volunteered for one of the most dangerous missions of the War the combat helicopter pilot Most had failed lives or unfulfilled expectations so in their late teens volunteered for Army flight school They had no idea how drastically and quickly they would grow up In the coming two years of flight school and flying combat missions in Vietnam most would age about 10 years if they came home These relative youngsters were given unbelievable responsibilities in unpredictable circumstances often against long odds They responded with courage and usually without recognition but they

earned the respect of every grunt and ground commander who ever served in the field This is the story of one such Army Aviator Once in Vietnam Dick and a group of his flight school classmates Class 69 5 were assigned to the Americal Division in Chu Lai Not all would return home Within the Americal he was assigned to the 196th Light Infantry Brigade and flew the OH 6A Light Observation Helicopter or LOH living and flying off of LZ Baldy south of Danang As a 196th Charger LOH driver he flew probably the widest variety of missions of all LOH pilots in Vietnam Through vignettes Dick describes these mission sometimes mixed with Army Aviator black humor Late in his tour Dick transferred to A Company 123rd Aviation Battalion the Pelicans flying off of Ky Ha in Chu Lai There he became an Aircraft Commander in the iconic UH 1 Huey Dick s story doesn t end with the day he returns to The World He concludes the book with his observations about Vietnam Veterans PTSD his proud Life Membership in the Vietnam Helicopter Pilots Association VHPA a very interesting piece about his 2011 return trip to Vietnam and a chance meeting with a former Viet Cong foe at LZ Baldy and a closing piece expressing his views of the tragedy of the Vietnam War This book will interest anyone involved with aviation during the Vietnam era and will appeal to those with family members who served in Vietnam They will get a first person account and perspective about the War Dick explains that the main reason he wrote this memoir is so his kids and grandkids and the family members of other helicopter pilots will have a better understanding of the rigors of flight school and the risks and sacrifices of those who flew helicopters in Vietnam This Vietnam memoir is different in that Dick has studied the history of the Vietnam War His being an amateur Vietnam historian is evident with his use of Endnotes They are interesting historical footnotes about the War and bring great perspective and a pause to his story Very well written Dick s writing style flows The story moves is interesting and engaging Unlike some other Vietnam memoirs you get the sense that his vignettes are not embellished With Dick s self deprecating style and humor you will chuckle while reading about some of his experiences and saddened by others The book is richly illustrated with six maps 65 photos and four appendices Oh the book title you wonder Dick played the flute in his high school band While in Basic Training at Ft Polk LA the post band director made him an offer He could fulfill his Army obligation right there playing the flute in the Ft Polk Army Band He declined opting to fly helicopters in Vietnam to protect the free world from the spread of communism There were missions in Vietnam when Dick remembered the offer Hence Shoulda Played the Flute
