CAUTION Reading this book may cause your mind to be deliberately stretched well beyond its ability to shrink back to its original dimensions Carl Sagan Steven Hawking and others are well known for their theory of why we do not see abundant intelligent extraterrestrial life all around us The reason being that once intelligent life discovers technology that technology is used in a self destructive orgy that brings about the extinction of all intelligent life within reach So when one looks out into the Cosmos to search for intelligent life all life that once was there no longer exists save mankind This theory of course has profound implications for us stranded here on spaceship Earth especially as we watch in horror as our technology grinds out bigger and more powerful weapons of mass destruction every day This book is a flight of fancy that supposes our Creators with profound apologies to those who do not believe we have Creators have undertaken a mission to save Humankind from blowing themselves to kingdom come just like all of the other Intelligent life has already done well before mankind began to build parking lots and Condos Our Creators have names and their names are Yahweh and Asherah So come take an interstellar ride with Yahweh and Asherah as they struggle to help Humankind become an exception to the doomsday theories of Sagan and Hawking **Global Mission** Henry Harley Arnold,2023-07-06 Global Mission is General Hap Arnold s

personal story of his life and military career and a history of American military aviation with particular emphasis on World War II For twenty years prior to World War II General Arnold was a tireless and effective evangelist for American air power No other foresaw more clearly than he the revolutionary impact of the airplane upon the methods and conduct of war Hap Arnold performed still another public duty in recording for us the results and the conclusions of his lifetime experiences Whatever he has to say about air power deserves the close attention of all his fellow citizens General Dwight D Eisenhower US Army The compellingly interesting autobiography of a great soldier statesman and one of the finest presentations I have ever seen of the history of American military aviation Lieutenant General James H Doolittle US Air Force T his book is more than the chronicle of a flier s life it is in a sense a saga of United States air power and particularly a top level picture of the United States Army Air Force in World War II Global Mission will take an important place in the growing library of war books

a delightful book it brings out so strongly the lovable personality of Hap Arnold It is an important book these reminiscences are a monument to him Hanson W Baldwin The New York Times An interesting and important book Robert Gale Woolbert Foreign Affairs There are many groups of people who will profit by a careful reading of Global Mission As General Bradley well said in a recent letter to me It is must reading for the young military men of today who will have to be the Marshalls and Arnolds and Kings in any future emergency The thinking people of the United States will make wiser decisions in the selection of their leaders both military and civil if they have read Global Mission They will understand more clearly the frightful errors which have been made in the past and their cost in blood and treasure Any who are tempted to be pacifists or isolationists in the future had better read Global Mission to learn the implications which can flow from false doctrines The historian who has the difficult job of painting the true picture of the Second World War needs to read Global Mission for background Here alone will he find some of the missing pieces in his puzzle by any yardstick Global Mission is worthy reading for any American Lieutenant General Ira C Eaker USAF Ret Air University Quarterly Review General Arnold s book is a very important contribution to the history of the Second World War one reads it with passionate interest from start to finish It is written in a lively way and also with that frankness that outspokenness which always surprises French people from the pen of such a high authority It is also extremely revealing about the American character Ren Jouan Revue d histoire de la Deuxi me Guerre mondiale This book will be of enduring value Ordnance Spin Bill Gruber,2023-12-01 Everywhere things spin wheels turn motors hum tornadoes roar This book explains the history and basic physics of spinning objects from yo yos drills propellers and washing machines to ballet dancers dust devils and bacteria The book gives instructive entertaining accounts of everyday sights Does a curve ball really curve Why do figure skaters tuck in their arms Can you make a disposable pen fly How does a falling cat always land on its feet Answers to these questions and many others tell the amazing story of things that spin Brief ,1944-12 **America's Rite** Dean Crist,2006-03
