C. Grayling, 2009-05-26 The epic story of the interlocking struggles to achieve the individual rights and freedoms that characterize Western civilization by one of the world s leading public intellectuals Perhaps the hallmark of western

civilization over the past five hundred years writes A C Grayling is the series of liberation struggles without which the ordinary citizen in Western countries would not enjoy the rights and freedoms we now take for granted They began with the often violent battle to allow independent thought uncontrolled by the Church which led in time to political freedom as monarchies were gradually replaced by more representative forms of government These in turn made possible the abolition of slavery rights for working men and women universal education the enfranchisement of women and much more Each of these struggles was a memorable human drama and Grayling skillfully interweaves the stories of celebrated and little known heroes alike from Martin Luther and John Locke to the sixteenth century French scholar Sebastien Castellio and the nineteenth century feminist Elizabeth Cady Stanton The triumphs and sacrifices of those who dared to oppose authority ring loudly down the ages proving how hard won each successive victory has been And yet as Grayling persuasively shows in a cautionary coda democratic governments under pressure have often thought it necessary to restrict rights in the name of freedom further underlining how precious they are Toward the Light of Liberty is thus particularly relevant as we head toward an election season in which our own civil liberties will surely be an issue Towards the Light A. C.

Grayling,2014-04-24 In Towards the Light A C Grayling tells the story of the long and difficult battle for freedom in the West from the Reformation to the Universal Declaration of Human Rights from the battle for the vote to the struggle for the right to freedom of conscience As Grayling passionately affirms it is a story and a struggle that continues to this day as those in power use the threat of terrorism in the 21st century to roll back the liberties that so many have fought and died to win for us Including an appendix of landmark documents including the British and American Bills of Rights and the Declaration of the Rights of Man and of the Citizen the Bloomsbury Revelations edition also includes a new preface by the author reflecting on developments since the book s original publication **The Cyclopaedia of India and of Eastern and Southern Asia, Commercial, Industrial, and Scientific ; Products of the Mineral, Vegetable and Animal Kingdoms, Useful Arts and Manufactures** Edward Balfour,1885 **Harper's Young People** ,1894 **New Standards in Industry, Politics, Education** Margaret Cole,1923 **Children's Book Review Index** ,1985 Cyclopædia of India and of Eastern and Southern Asia, Commercial, Industrial and Scientific Edward Balfour,1871 **Cyclopaedia of India and of Eastern and Southern Asia, Commercial, Industrial and Scientific** ,1871
