Puritan Reformed Spirituality:

Puritan Reformed Spirituality Joel R. Beeke, 2006 In these pages Dr Joel Beeke provides us with a first class tour of some of the great sites of Reformed theology and spirituality Here we meet John Calvin reformer extraordinaire then we encounter the learned Dr William Ames and the insightful Anthony Burgess Soon we have traveled north to meet the Scotsmen John Brown of Haddington the great Thomas Boston and the remarkable brothers Ebenezer and Ralph Erskine Predictably but happily our guide brings us to The Netherlands and to the time of the Nadere Reformatie before taking us back to the New World in the company of the remarkable Theodorus Jacobus Freylinghuysen But the climax of this tour is not reached until our trusted guide has brought us to the family roots from which all these theologians and pastors came to the strong foundations of Christian living in justification by faith and sanctification in life nourished by the power of biblical preaching Author Joel R Beeke Ph D Westminster Theological Seminary is president and professor of systematic theology and homiletics at Puritan Reformed Theological Seminary pastor of the Heritage Netherlands Reformed Congregation in Grand Rapids Michigan editor of The Banner of Sovereign Grace Truth and author of numerous books

Puritan Reformed Spirituality Joel R. Beeke, 2004 **Soul Recreation** Tom Schwanda, 2012-04-11 Spiritually there is a great hunger today for contemplative and more satisfying experiences with God Puritanism might seem to be an unlikely source for this yet few groups in the history of Christian spirituality have written more extensively or wisely on the subject Isaac Ambrose 1604-64 a relatively forgotten English Puritan developed a theological foundation for the spiritual life based upon the Christian's intimate union with Christ which the Puritans often called spiritual marriage Schwanda demonstrates that this vibrant relationship of union and communion with Jesus inspired by the Holy Spirit was manifested in a deep contemplative piety of gazing lovingly and gratefully upon God At the same time Ambrose did not neglect loving his neighbors This study reveals how heavenly meditation was one of the significant practices engaged by Ambrose to cultivate spiritual intimacy and enjoyment of God Further his experiential reading of Scripture in particular the Song of Songs provided him with a language of rapture and delight in God This book provides a distinctively Protestant foundation for recovering the contemplative life while recognizing the significant contributions of the Western Catholic tradition

Thriving in Grace Joel R. Beeke, Brian G. Hedges, 2020-05-29 Using the Puritan writings judiciously Joel R Beeke and Brian G Hedges provide twelve fascinating chapters on how the Puritans help us in a variety of ways such as shaping our lives by the Scriptures convicting our consciences of the subtlety and sinfulness of sin opening for us the beauty and loveliness of Christ and much more Let this book transform your daily Christian life and move you to read the Puritan treasures for yourself Table of Contents 1 The Puritans Shape Our Lives by the Authoritative Scriptures 2 The Puritans Lift Our Gaze to the Greatness and Glory of Our Triune God 3 The Puritans Convict Our Consciences of the Subtlety and Sinfulness of Sin 4 The Puritans Open Our Eyes to the Beauty and Loveliness of Christ 5 The Puritans Liberate Our Hearts with the Freedom and Power of Grace 6 The Puritans

Stephen Yuille,2008-04-15 Without minimizing the validity of the social political and ecclesiastical approaches to this field of study Yuille affirms that the essence of Puritanism is found in its spirituality He demonstrates this by turning to a relatively unknown Puritan George Swinnock 1627 1673 At the root of Swinnock s spirituality was his concept of fear of God as the proper ordering of the soul s faculties after the image of God This concept is pivotal to Swinnock s spirituality because he viewed it as the Christian s true principles of practice Yuille shows the prevalence of this paradigm among Swinnock s fellow Puritans and sets it in a historical tradition extending back to Augustine through Calvin Reformed Spirituality Howard L. Rice,1991-01-01 Rice makes a concerted effort to point us toward new and exciting avenues of spiritual growth and development I find the book provocative stimulating and challenging Ben Campbell Johnson Peachtree Professor of Evangelism and Church Growth Columbia Theological Seminary Decatur Georgia *Puritan Reformed Theology* Joel R. Ravished by Beauty Belden C. Lane, 2011-04-21 Belden Lane weaves autobiographical essays that illuminate his own experience of nature into a green theology drawn from the unexpected resources of Reformed Christian spirituality He offers a surprising new portrait of the Reformed tradition revealing a Calvin who spoke of himself as ravished by the earth s beauty and a Jonathan Edwards who urged a sensuous enjoyment of God s beauty as the only real way of knowing God Lane explores the apparent paradox of Reformed spirituality arguing that Calvinists who may seem prudish are in fact a people of passionate desire

John Eliot's Puritan Ministry to New England "Indians" Do Hoon Kim, 2021-12-10 John Eliot 1604-90 has been called the apostle to the Indians This book looks at Eliot not from the perspective of modern Protestant mission studies the approach mainly adopted by previous research but in the historical and theological context of seventeenth century puritanism Drawing on recent research on migration to New England the book argues that Eliot like many other migrants went to New England primarily in search of a safe haven to practice pure reformed Christianity not to convert Indians Eliot s Indian ministry started from a fundamental concern for the conversion of the unconverted which he derived from his experience of the puritan movement in England Consequently for Eliot the notion of New England Indian mission was essentially conversion oriented Word centered and pastorally focused and in common with the broader aims of New England churches pursued a pure reformed Christianity Eliot hoped to achieve this through the establishment of Praying Towns organized on a biblical model where preaching pastoral care and the practice of piety could lead to conversion leading to the formation of Indian churches composed of sincere converts

Biblical Spirituality Christopher W. Morgan, 2019-06-24 What is spirituality For some it means nothing more than vague self improvement pulled from the latest best selling self help book For others it refers to some generic religious practice Shedding life giving light on what often remains ill defined and unclear this book sets forth a vision of biblical spirituality a renewed sense of the momentousness of being alive in God s world as God s people are led by God s Spirit through God s Word unto godly Christlike character With careful exegetical work and theological reflection the contributors pastors and scholars such as Christopher W Morgan Paul R House Nathan A Finn and Gregg R Allison address spirituality from the perspective of the Bible exploring topics such as the Trinity divine sovereignty and human responsibility the already and not yet and the church This book also addresses practical questions about spirituality related to the workplace disciplines of the body and more

Meet the Puritans Joel R. Beeke, Fraser E. Jones, Randall J. Pederson, 2025-10-21 Whether you re meeting them for the first time or returning with questions this is the indispensable guide to the lives and works of the Puritans If your impression of the Puritans comes from grim portraits high

collars and joyless sermons Meet the Puritans will surprise you in the best way Behind those caricatures lies a warm Christ centered spiritual tradition shaped by people who loved Scripture treasured grace and sought to glorify God in every part of life The Puritans took life seriously because they took God seriously Grace and guilt love and sacrifice heaven and hell weren't abstractions to them they were urgent realities Today when conviction of sin is dismissed as gloom when earnest faith is pitied and when diligent obedience is labeled as legalism we desperately need their witness If you hunger for depth for holiness for real communion with God open these pages Let these lives challenge you and these writings nourish you Take the time to meet the Puritans you'll find in them deep truths godly examples and an exalted Christ This New Edition Includes 45 New Biographies for a total of 190 English and American Puritans seventeenth century Scottish Presbyterians and Dutch Further Reformation divines 278 New Summaries of Puritan works with annotated bibliographies of modern reprints Comprehensive Revision of the entire previous edition 200 New Titles Added to the select bibliography of secondary sources New Expanded Glossary plus an updated expanded list of Puritan publishers The definitive reference for engaging the Puritan tradition praised by pastors scholars and serious readers alike Substantial enough for study accessible enough for devotional use Meet the Puritans is that rare kind of reference book that invites you to actually read it If you're serious about reading the Puritans or simply looking for a clear starting point this is the place to begin

A New Creation in Christ T. Michael Christ, 2024-08-08 What is the most important book on sanctification For John Murray it was Walter Marshall's The Gospel Mystery of Sanctification William Cowper praised Marshall I think Marshall one of the best and most spiritual expositors of Scripture The Marrow men also commended Marshall Even Andrew Murray believed Gospel Mystery to be the one book admitted by all to be the standard on sanctification Marshall's enduring value is well established yet scarcely any resources explain Marshall's theology T. Michael Christ's A New Creation in Christ fills this void by exploring Marshall's theology in the context of the antinomian and neonomian controversies of Marshall's day At a time when interlocutors were pushing one another to further extremes Marshall achieves balance because he grounds sanctification in the believer's union with Christ and deploys two limiting concepts that discourage using one error to refute the other He insists both that some measure of assurance of salvation must precede actual works of holiness refuting neonomianism and that holiness is a necessary part of salvation countering antinomianism A New Creation in Christ explores how these limiting concepts translate into practical help for those who as Marshall says pursue holiness under the guilt and power of indwelling sin

The Puritan Imagination Todd D. Baucum, 2022-07-29 This book seeks to add a needed introduction to a way of meditation used among early modern English Protestants influenced by Bishop Joseph Hall Furthermore the major role that Hall had in his Arte of Divine Mediation on late seventeenth century Protestant spirituality went beyond the practice of meditation and established a positive claim on the role of the imagination in shaping souls well into the modern period Within this context the questions related to ancient understandings of faith and the interrelationship of divine revelation are

discussed with fresh insights for our own times If a revival of interest emerges again in Hall s work it would be a compelling and fresh impetus to reclaim the broken imagination evident in many parts of the Western Church **The Federal**

Theology of Jonathan Edwards Gilsun Ryu,2021-07-07 The Christ centered exegesis of Jonathan Edwards Jonathan Edwards is remembered for his sermons and works of theology and philosophy but he has been overlooked as an exegete Gilsun Ryu s The Federal Theology of Jonathan Edwards explores how exegesis drove Edwards s focus on the headship of Christ as second Adam and likewise formed a foundation for his broader theological reasoning and writing especially on Christ and the covenants Edwards s distinctive emphases on exegesis redemptive history and the harmony of Scripture distinguish him from his Reformed forebears Ryu s study will help readers appreciate Edwards s contribution as an exegetically informed Reformed theologian The Foundation of Joy Jeff Strickland,2025-04-21 The Puritans have been

depicted as killjoys whose teachings on assurance of salvation and self examination bred anxiety and despair But is that really the case In The Foundation of Joy Jeff Strickland investigates the link between John Flavel s understanding of assurance and his pursuit of joy After explaining Flavel s approach to assurance and how it actually provides a foundation for joy Strickland demonstrates how Flavel expresses these in the key areas of looking to Christ discerning the Spirit obeying the law keeping the heart and carrying the cross Joy is the hallmark of Flavel s spirituality a fine example of what it means to cultivate a cheerfulness of heart founded on a sense of one s interest in Christ **Godly Conversation** Joanne J.

seventeenth century were true physicians of the soul and this is made readily apparent in Adam Embry s study of John Flavel In *Keeper of the Great Seal of Heaven* Embry shows the prominent themes of heavenly mindedness and the work of the Holy Spirit in Flavel s life and pastoral ministry He goes on to evaluate Flavel s teachings about the Spirit explains Flavel s view on the sealing of the Spirit and compares Flavel with other Puritans Embry further traces the significance of Flavel s theology of the Spirit in the American Great Awakenings gives an evaluation of Flavel s exegesis relating to the sealing of the Spirit and concludes with an insightful pastoral reflection on the material While this study reveals a diversity of thought within Puritanism it also underscores the profound commitment this spiritual brotherhood shared for treating the matter of the heart with biblical truth in dependence on the Holy Spirit Soul Recreation Tom Schwanda,2012-04-11 Spiritually there is

a great hunger today for contemplative and more satisfying experiences with God Puritanism might seem to be an unlikely source for this yet few groups in the history of Christian spirituality have written more extensively or wisely on the subject Isaac Ambrose 1604 64 a relatively forgotten English Puritan developed a theological foundation for the spiritual life based

upon the Christian's intimate union with Christ which the Puritans often called spiritual marriage Schwanda demonstrates that this vibrant relationship of union and communion with Jesus inspired by the Holy Spirit was manifested in a deep contemplative piety of gazing lovingly and gratefully upon God At the same time Ambrose did not neglect loving his neighbors This study reveals how heavenly meditation was one of the significant practices engaged by Ambrose to cultivate spiritual intimacy and enjoyment of God Further his experiential reading of Scripture in particular the Song of Songs provided him with a language of ravishment and delight in God This book provides a distinctively Protestant foundation for recovering the contemplative life while recognizing the significant contributions of the Western Catholic tradition

The Devoted Life Kelly M. Kopic, Randall C. Gleason, 2004-10-22 Notable scholars like Mark Noll and Sinclair Ferguson invite you to sit at the feet of classic Puritan writers to experience a living three dimensional portrait of the devoted life that emphasizes the Christian experience of communion with God corporate revival biblical preaching and the sanctifying working of God's Holy Spirit Edited by Kelly M Kopic and Randall C Gleason

The Drama of Preaching Eric B. Watkins, 2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script Thus no sermon is complete until God's redemptive work is powerfully proclaimed and his people are instructed in how they too are participating in the Missio Dei In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them As postmodernism sets the stage of contemporary preaching The Drama of Preaching interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word
