challenges had shaped her destiny over and over again down through history Some experiences taught her painful lessons and others brought her unimaginable gifts but everyone she includes in this jigsaw of a tale seemed to play a unique and important part to the overview of life that was emerging In this second book she traces each character s life learnings and mysterious self discoveries in order to understand how each piece of the jigsaw fits with hers and what she can share with others keen to understand the same Although a personal journey it took on a spiritual nature of a very different kind leading to some exciting revelations about the magic we can each weave Find THE BOOK SOCIAL MEDIA on Linktree <https://linktr.ee/isisallthings>
