Revival Culture Allen M. Baker, 2009-07-01 The great burden of Al Baker's life that which drives him in Christian ministry more than anything else is to see the church of the Lord Jesus Christ rise up and become mighty as she has been so often in past years One thing has become very clear to Baker the western church is in big trouble Many pastors are terribly discouraged in their ministries So are their people Pastors have been told that they can model their ministries after whoever the latest and hottest preacher is and all will be well with them that they can expect exponential growth in their churches With few exceptions this has not been their experience They have attended the seminars and read the latest books but they have little to show for their efforts As a pastor Baker is heartbroken over the vastness of people's problems in today's church everything from incest child molestation homosexuality pornography severe depression suicide divorce wayward children adultery fornication and more The pastoral problems are epidemic The Christian faith in American churches is woefully lacking Church people are generally no different from those of the world What are we to do We need revival We need a revival culture in the western church We need like Israel laboring under Egyptian bondage to become intolerable of our circumstances Israel cried out to the Lord when their slavery became intolerable to them May God move us to divine discontent to be dissatisfied with the status quo Glory Increasing God's Presence (Expanded Edition) Bill
