questions Four appendices offer specific instructions and prayers for restoring sexual wholeness **The Soul of Ministry** Ray S. Anderson,1997-10-01 Ray Anderson offers an inspiring call for Christian leaders to view Jesus as a model for their own ministry today The Soul of Ministry explores the idea of ministry across denominations and discovers its soul in God s love for the world Designed for pastors of all denominations this book combines social biblical theology with numerous real life anecdotes from Anderson s teaching and ministry *The Journey Out* Ken Williams,2021-03-16 I didn t think there was a way out Many churches and individuals now affirm the gay Christian life and cheer on LGBTQ Pride But what if the LGBTQ life isn t the party for our neighbors loved ones or ourselves that the world says it is What if these valuable people are in pain Pain that sex and Gay Pride *Still Time to Care* Greg Johnson,2021-12-07 Charting the path forward for our churches and ministries in providing care not a cure for our non straight sisters and brothers who are living lives of costly obedience to Jesus At the start of the gay rights movement in 1969 evangelicalism s leading voices cast a vision for gay people who turn to Jesus It was C S Lewis Billy Graham Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism We see with them a positive pastoral approach toward gay people an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure With the birth and rise of the ex gay movement the focus shifted from care to cure As a result there are an estimated 700 000 people alive today who underwent conversion therapy in the United States alone Many of these patients were treated by faith based testimony driven parachurch ministries centered on the ex gay script Despite the best of intentions the movement ended with very troubling results Yet the ex gay movement died not because it had the wrong sex ethic It died because it was founded on a practice that diminished the beauty of the gospel Yet even after the closure of the ex gay umbrella organization Exodus International in 2013 the ex gay script continues to walk about as the undead among us pressuring people like me to say I used to be gay but I m not gay anymore Now I m just same sex attracted For orthodox Christians the way forward is to take a close look at our history It is time again to focus with our Neo Evangelical fathers on caring over attempting to cure With warmth and humor as well as original research *Still Time to Care* provides Guidance for the gay person who hears the gospel and finds themselves smitten by the life giving call of Jesus Guidance for the church to repent of its homophobia and instead offer gospel motivated love and compassion **The Manual** Dawn Sutton,2008 The Manual has the answers you have been seeking whether you are a new Christian just beginning your journey of faith or whether you are a mature Christian struggling with a particular issue Dawn Sutton shares her counseling expertise on a myriad of topics including anxiety depression grief forgiveness dating sexuality relationships how to know God s will accepting God s love effects of abuse joy robbers how to renew your mind and much more Don t let your questions go unanswered when they are available to you today in The Manual **Reparative Therapy of Male Homosexuality** Joseph Nicolosi,1997 1 non gay homosexuals who are they 2 the politics of diagnosis 3 the failure of the mental health profession 4 The importance of the father son

relationship 5 formation of the father son bond 6 failure of the father son relationship 7 problems emerging in childhood 8 other factors mother and family relations 9 physiogenetic factors 10 associate features of the homosexual personality 11 homosexual love relationships 12 gay sexuality 13 the refusal to acknowledge pathological elements 14 the treatment 15 the therapeutic relationship 16 therapeutic issues 17 group psychotherapy 18 the initial interview 19 the issues of individual psychotherapy 20 the process of group therapy      **The Christian Woman's Complete Guide to Health** Scott

Farhart, Elizabeth King, 2008 In this essential reference for Christian women of every age Farhart and King use the most current research to explain everything women need to know about their bodies from puberty to menopause and beyond including alternative therapies diagnostic suggestions and the latest recommendations for physical exams      *Anything but Straight* Wayne Besen, 2012-07-26 The real story behind ex gay ministries and reparative therapy Nationally known activist Wayne Besen spent four years examining the phenomenon of ex gay ministries and reparative therapies interviewing leaders attending conferences and visiting ministries undercover as he accumulated hundreds of hours of research The result is *Anything but Straight* Unmasking the Scandals and Lies Behind the Ex Gay Myth a groundbreaking expos of the controversial movement that is revered by independent religious groups and reviled by gay and lesbian organizations The book presents a historical perspective on the dispute examining ex gay groups such as Love In Action Exodus International Homosexuals Anonymous and profiling a cast of characters that includes Pat Robertson the Rev Jerry Falwell ex gay poster boy John Paulk National Association of Research and Therapy of Homosexuality activist Richard Cohen and psychiatrist Dr Robert Spitzer An in depth well researched and historically significant account *Anything but Straight* is full of startling facts and alarming surprises The original content and novel material in the book includes a first ever comprehensive history of the ex gay ministries and reparative therapy the inside story of the night the author photographed ex gay poster boy John Paulk inside a gay bar the author's discovery that Anne Paulk lied about being a lesbian and has admitted to having a strong attraction to men BEFORE she became ex gay previously undisclosed bizarre techniques used by the ex gay ministries and reparative therapists the author's exclusive in depth interviews with leading ex gay leaders they disclose their deepest secrets hidden desires and true motivations an extraordinary new study that shows that most ex gay leaders have suffered from substance abuse or severe emotional problems while many ex gay leaders claim they were unhappy being gay this report helps prove that their dissatisfactions came not from their homosexuality but from poor life choices and irresponsible behavior new revelations that one of the nation's leading reparative therapists hailed from a secretive cult that was scandalized for practicing nude therapy From the author Through my extensive experience I have learned that the extraordinary claims made by the ex gay groups are without merit and the efficacy of their programs is dubious at best and harmful at worst One frequent question I get is Why can't gay activists simply leave ex gay groups alone and let them go about their business This is exactly what happened for nearly three decades while ex gay groups labored in near anonymity But all this recently

changed when the ex gay groups intricately aligned themselves with the anti gay political agenda of the Religious Right With ex gays added to their arsenal the Right could disingenuously claim to love gay people and offer them hope for change while simultaneously fighting for punitive legislation Their insidious message Since gays and lesbians can change there is no need for laws that protect them against arbitrary prejudice Anything but Straight Unmasking the Scandals and Lies Behind the Ex Gay Myth is an essential read for activists on both sides of the ex gay fence family members of gays and lesbians Gay Bisexual Lesbian and Transgender church members psychiatric and social science professionals and anyone who has dealt with coming out issues An appendix of resources and a helpful bibliography make it easy to find additional information on this fascinating topic

**Soul, Self, and Society** Edward L. Rubin, 2015-02-17 Political and social commentators regularly bemoan the decline of morality in the modern world They claim that the norms and values that held society together in the past are rapidly eroding to be replaced by permissiveness and empty hedonism But as Edward Rubin demonstrates in this powerful account of moral transformations these prophets of doom are missing the point Morality is not diminishing instead a new morality centered on an ethos of human self fulfillment is arising to replace the old one As Rubin explains changes in morality have gone hand in hand with changes in the prevailing mode of governance throughout the course of Western history During the Early Middle Ages a moral system based on honor gradually developed In a dangerous world where state power was declining people relied on bonds of personal loyalty that were secured by generosity to their followers and violence against their enemies That moral order exemplified in the early feudal system and in sagas like The Song of Roland The Song of the Cid and the Arthurian legends has faded but its remnants exist today in criminal organizations like the Mafia and in the rap music of the urban ghettos When state power began to revive in the High Middle Ages through the efforts of the European monarchies and Christianity became more institutionally effective and more spiritually intense a new morality emerged Described by Rubin as the morality of higher purposes it demanded that people devote their personal efforts to achieving salvation and their social efforts to serving the emerging nation states It insisted on social hierarchy confined women to subordinate roles restricted sex to procreation centered child rearing on moral inculcation and countenanced slavery and the marriage of pre teenage girls to older men Our modern era which began in the late 18th century has seen the gradual erosion of this morality of higher purposes and the rise of a new morality of self fulfillment one that encourages individuals to pursue the most meaningful and rewarding life path Far from being permissive or a moral abdication it demands that people respect each other's choices that sex be mutually enjoyable that public positions be allocated according to merit and that society provide all its members with their minimum needs so that they have the opportunity to fulfill themselves Where people once served the state the state now functions to serve the people The clash between this ascending morality and the declining morality of higher purposes is the primary driver of contemporary political and cultural conflict A sweeping big idea book in the vein of Francis Fukuyama's The End of History Charles Taylor's The Secular Age and Richard

Sennett's *The Fall of Public Man* Edward Rubin's new volume promises to reshape our understanding of morality its relationship to government and its role in shaping the emerging world of High Modernity **And Such Were Some of You!** Anthony A. Falzarano, 2008-07 Homosexuality the hot button issue of the millennium is boldly and honestly discussed in this new book by Christian author and ex gay activist Anthony Falzarano Mr Falzarano spent 9 years in the gay lifestyle and discusses in detail how God delivered him out of it Anthony does not believe that anyone is born gay While looking for answers in regards to his own struggle he began to uncover a plethora of lies and deception that the well funded pro gay lobbyists organizations had planted in the media This book blows the roof off the political gay agenda in America but in a kind but poignant way Falzarano does not believe that homosexuals have a choice in their initial orientation because it is inflicted upon the child early in life However believes that the homosexual struggler has the power from God to reject this false identity and choose not to be gay He emphasizes that patience and compassion be extended to the struggler but grieves over the politically motivated gay lobbyists that are affirming millions of young people into the lifestyle through its lies Mr Falzarano is considered to be an expert on homosexuality and since 1988 has devoted his life's work to the ex gay movement Anthony has ministered to over 600 former homosexuals and their families since founding Parents and Friends Ministries PFM which is located in West Palm Beach FL The PFM website can be found at [parentsandfriends20m.com](http://parentsandfriends20m.com) He is used as a subject matter expert by nationally known media such as CBS CNBC BBC NET Salem Broadcasting The Washington Post The Washington Times Newsweek Magazine C Span and USA Radio Network He has addressed different family protection organizations such as Concerned Women for America Family Research Council and Focus on the Family He has appeared on nationally syndicated programs such as Geraldo The 700 Club Armstrong Williams Politically Incorrect Ricki Lake The Sally Jesse Raphael Show and Roseanne Queering Religion, Religious Queers Yvette Taylor, Ria Snowdon, 2014-02-18 This collection considers how religious identity interplays with other forms and contexts of identity specifically those related to sexual identity It asks how these intersections are formed negotiated and resisted across time and places including the UK Europe North America Australia and the Global South Questions around queer engagements in same sex marriages civil partnerships and other practices e.g adoption have created a number of provoking stances and policy provisions but what remains unanswered is how people experience and situate themselves within sometimes competing or contradictory moments as religious queers who may be tasked with queering religion Additionally the presumed paradoxes of marriage queer sexuality religion and youth combine to generate a noteworthy generational absence This leads to questions about where religious queers reside resist and relate experiences of intersecting religious and sexual lives In looking at interconnectedness this collection offers international contributions which bridge the contradictions in queering religion and in making visible religious queers It provides insight into older and younger people's understandings of religiosity queer cultures and religious groups A small but active religious minority in the US has received much attention for its anti gay

political activity much less attention has been paid to the more positive supportive role that religious based groups play in e.g. providing housing education and political advocacy for queer youth Queer methodologies and intersectional approaches offer a lens both theoretically and methodologically to uncover the salience of related social divisions and identities This collection is both innovative and sensitive to blended identities and their various enactments [Reader's Guide to Lesbian and Gay Studies](#) Timothy Murphy,2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report **What on Earth Are You Thinking for Heaven's Sake? (eBook)** Michael Cassidy,2006-09-29 WHAT ON EARTH ARE YOU THINKING FOR HEAVEN'S SAKE focuses on difficult perplexing and sometimes contentious moral and ethical issues confronting the modern church today The issues of divorce same sex marriage and capital punishment can become so confusing that the church in many areas is tempted to succumb to the spirit of the age and be subdued into the world's ways of thinking and acting WHAT ON EARTH ARE YOU THINKING FOR HEAVEN'S SAKE sheds new light and answers on some tough ethical issues **Jesus, the Bible, and Homosexuality** Jack Bartlett Rogers,2006-01-01 In this sure to be controversial book former seminary professor and church official Jack Rogers argues unequivocally for the ordination of homosexuals and for the extension of full and equal rights in society to all people who are homosexual Christianity he observes has moved through history in the direction of ever greater openness and inclusiveness Today's church is led by many of those who were once cast out people of color women and divorced and remarried people It is inevitable he believes that gay lesbian bisexual and transgender people will one day walk in the same steps as other Christian leaders Rogers an evangelical begins by discussing his own personal change of heart and mind on the issue a change that has moved him into the middle of this controversy in his own church the Presbyterian Church U S A He examines how the church misused the Bible to justify slavery and the denial of rights to women and links these efforts to efforts today to use biblical texts to deny equal rights to gays and lesbians He shows how neither the Bible nor the Confessions are opposed to homosexuality and debunks frequently used fundamentalist stereotypes and myths about gays and lesbians Rogers concludes with his thoughts on how the church can heal itself and move forward **Religious Trauma, Queer Identities** Joel Hollier,2023-04-06 In a polarised milieu that too often posits queer and Christian as competing realms this book explores the complexities of identity development religious traumatised and the task of creating safe faith spaces in which LGBTQIA people can find healing particularly in the Evangelical context First Joel Hollier examines the historical path of Evangelicalism providing context for the current terrain of the culture war we find ourselves in He then parses out experiences of gender sexuality and religious spiritual identity development grounding them in an evolving theoretical base

Finally Hollier offers a rounded critique of Evangelical church structures and mechanisms of trauma that hinder the healing process along with potential sources of healing Central to this work are the voices of LGBTQA people whose stories weave together a deeper understanding of the harms the Church has perpetrated and the path forward Homosexuality and the Politics of Truth Jeffrey Satinover,1996-02-01 A Christian psychiatrist examines the latest research refuting the alleged genetic basis for homosexuality and assessing the social power homosexuals have gained Unnatural Rachel Murr,2014-08-05 As a freshman in college Rachel Murr found herself trying to decide which campus social group to join the gay and lesbian advocacy group or the campus Christian fellowship She knew it couldn t be both For the next fifteen years she held onto the belief that she couldn t be both gay and Christian When the pain involved in trying not to be lesbian called for a change in theology she came out to her evangelical church Conflict ensued Unnatural is a collection of stories not only of the harm religiously inspired negative messages about homosexuality inflict but also of redemption Rachel uses her own story as well as personal interviews with ten other queer women and one female to male transgender man to tell how they were judged lectured kicked out of homes and families subjected to reparative therapies and even assaulted Some faced homelessness depression suicide attempts and pervasive shame Still they fought to keep their faith alive Each demonstrated an Unnatural ability to forgive love believe advocate and heal
