Moy, 2016-11-01 Learn tips and tactics from the very best in this newly revised and expanded edition Consumer reviews say it best pool Hall of Famer Arthur Babe Cranfield wrote an easy to read and understand pool manual that will have beginners and skilled players alike play better Excellent guide helpful illustrations recommended to all Give it a try and you cannot help but play better *The British National Bibliography* Arthur James Wells, 2005 **The FAQs of Pool & Pocket Billiards**, 2011-10-01 Welcome to the Fascinating World of Pool Pocket Billiards This is your best resource to learn about the sport of pocket billiards Inside this book are the answers to hundreds of common questions about the Green Game FAQs about the Green Game FAQs about gambling FAQs about playing situations FAQs about practicing FAQs about playing equipment FAQs about teaching learning Rules for 25 different pool games Glossary of hundreds of pool terms A Rookie's Guide to Pool Table Assembly Mose Duane, 2023-05-31 The need for this manual came about with the realization that far too many people are talked out of assembling their own pool table because we professionals can do a better job Nothing could be farther from the truth Assembling a pool table is not hard and with a little insight and this manual any novice should be able to do a proficient job in an afternoon **Basic Defense and Safety Fundamentals for Pool and Pocket Billiards** Allan P. Sand, 2015-10-01 There are two classes of pool players in the world The serious shooter is dedicated to finding ways to gain better control how the cue ball rolls around the table Most players enjoy pool because well it's fun This book is written for you guys This is an introduction to the idea that defensive shooting is just as important as offensive shooting Here is something to remember there are no rules that require you to play stupid shots When you have a table layout with a shot that is too tough you really do not have to figure out some crazy way that the object ball MIGHT maybe get to a designated pocket How about this as a simple solution DON'T try to make the shot Instead shoot something that prevents your opponent from winning the game If you do this your opponent has a difficult situation You can let him invent silly reasons to miss You come back to the table with a good chance to win or get closer to a win Let him play all offense all the time You play a few safeties and let him give you the opportunity to win When this book falls into your hands there is stuff you can use immediately

Besides the tips there are techniques exercises and a few tricks that help you win more games Yes you can even use these to beat better shooters Consider this book to be the digest version of the Safety Toolbox A couple of hours of study combined with some practice table time and you are suddenly a tougher shooter Let your opponents use the bar banger style of calling fantastic hero shots such as 5 ball four rails off the 7 and into the side pocket This book will add some competitive maturity to your playing style I don t need to wish you good luck This book and some of your time is all you need to begin winning more games And here s a useful benefit from the book you don t have to outshoot your opponent Simply prevent him from winning
