Opening a Restaurant Or Other Food Business Starter Kit Sharon L. Fullen,2005 Book CD ROM Restaurants are one of the most frequently started small businesses yet have one of the highest failure rates A business plan precisely defines your business identifies your goals and serves as your firm's resume The basic components include a current and proforma balance sheet an income statement and a cash flow analysis It helps you allocate resources properly handle unforeseen complications and make good business decisions Because it provides specific and organized information about your company and how you will repay borrowed money a good business plan is a crucial part of any loan application Additionally it informs personnel suppliers and others about your operations and goals Despite the critical importance of a business plan many entrepreneurs drag their feet when it comes to preparing a written document They argue that their marketplace changes too fast for a business plan to be useful or that they just don't have enough time But just as a builder won't begin construction without a blueprint eager business owners shouldn't rush into new ventures without a business plan The CD ROM will cover the following subjects Elements of a Business Plan Cover sheet Statement of purpose The Business Description of The Restaurant Marketing Competition Operating procedures Personnel Business insurance Financial Data Loan applications Capital equipment and supply list Balance sheet Breakeven analysis Pro forma income projections profit loss statements Three year summary Detail by month first year Detail by quarters second and third years Assumptions upon which projections were based Pro forma cash flow Supporting Documents For franchised businesses a copy of franchise contract and all supporting documents provided by the franchisor Copy of proposed lease or purchase agreement for building space Copy of licenses and other legal documents Copy of resumes of all principals Copies of letters of intent from suppliers etc A new study from The Ohio State University has found the restaurant industry failure rate between 1996 and 1999 to be between 57-61 percent over three years Don't be a statistic on the wrong side plan now for success with this new book and CD Rom package **The Encyclopedia of Restaurant Forms** Douglas Robert Brown,2004 Accompanying CD ROM contains all the forms over 475 available in the book in pdf format and can be customized and printed

A Guide to Preparing a Restaurant Business Plan David L Hamilton,National Restaurant Association,1998-12-01 *How to Write a Restaurant Business Plan in Ten Steps* Paul Borosky Mba,2019-08-17 As a doctoral candidate professional business consultant and business plan writer I am often asked by aspiring and seasoned entrepreneurs alike What is the first step for starting a restaurant business or expanding a current restaurant operation When I first started out as a business consultant I would explain to my client their place in the entrepreneurial process I then support this analysis with proven academic and practicing business theory along with recommending specific steps to take to start or expand their restaurant operations After going through this process time and time again with restaurant entrepreneurs it dawned on me that the first step I

ALWAYS recommend is writing a business plan Unfortunately most restaurant entrepreneurs do not know how to write a professionally polished and structured restaurant business plan Hell most owners don t know how to write any type of business plan at all From this issue I decided to write this book focused on a ten step process to writing a well structured restaurant business plan The restaurant business plan writing steps include all aspects of the business plan writing process beginning with developing the executive summary through constructing a professional and polished funding request In each step I introduce you to a different restaurant business plan section I then explain in layman s terms what the section means offer a restaurant specific business plan sample and analyze the sample to help you understand the component The objective of this detailed process is to ensure full understanding of each section and segment with the goal of you being able to write a professional restaurant business plan for yourself by yourself IF you still need help writing your restaurant business plan at the end of the book I ALSO supply you with a professionally written sample restaurant business plan AND a restaurant business plan template for you to use On a final note to put the cherry on top I have conducted and included preliminary restaurant market research for you to use in your personalized plans In the end I am supremely confident that this book with the numerous tools and tips for restaurant business plan writing will help you develop your coveted restaurant business plan in a timely fashion
