of *Leaves of Grass* in 1855. The edition included twelve untitled poems which were named in later editions. He included no mention of the author only his name on the copyright and in one line of the first poem which is later titled *Song of Myself*. Walter Walt Whitman 1819-1892 was an American poet, essayist, and journalist. But the Goddess said it was not that. Hades would not accept it. The heavens would take her in before she was thirty; the earth would cheat her and men would despise her. DiEdwardo uses seven literary critiques and seven reflections to share her newest research about the healing power of literature. DiEdwardo argues that literacy is the lifelong intellectual process of gaining meaning from a critical interpretation of written or printed text. Literary critiques explore the writer's mind for symbolism hidden within the words and writers of literary critiques listen to their own voices first. In this book DiEdwardo touches upon different types of writing and writers who aim to explore the healing process through words. *Publishing Blackness* George Hutchinson, John Young, 2018-05-09 The first of its kind, this volume sets in dialogue African Americanist and textual scholarship exploring a wide range of African American textual history and work.
