The Sound of Geese Over the House / Poems Daniel Abdal-Hayy Moore, 2015 The sound of geese over the house and in the house the prayer on the Prophet The sound of geese over the house and in the house Allah loves you The mountains are full of light and their gigantic shadows are eloquent since they re leaning against the sky and out into space with their crags and outcrops No sound can scale in a dimension commensurate with the pure expanse of it The sound of geese over the house puts a dome of life above us and a sea of life below us and a world of life all around us and a shaft of living Light inside Holiday from the Perfect Crime / Poems Daniel Abdal Moore, 2011-05-01 Somehow the resonance for me during the us entertaining of this title as an abiding albeit background theme for the poems was the perfect crime of our existence perfect because created by a perfect Creator A crime because we get up to such malfeasance all the time at the lower end of it and a crime at the higher end in the sense that the Sufis often mention that any existence of theirs before Allah ta ala any flake or residue of their self ness is a crime a flaw an obstruction before the Light of God Only when you have known a saint wali of whatever spiritual practice do you the sense of a personality honed to its finest before the divine consciousness whose actions and words and thoughts are soaked in divinity to such a degree that the person is truly human in its essence and effaced before God in His ever present and infinitely Merciful activity The Circle of Kirke: A time-travel Greek myth saga Matt Larkin, 2023-10-17 Unravel the threads of destiny in this epic Greek mythology series in the Eschaton Cycle historical fantasy universe Time is an ouroboros Fate has long tortured Pandora and her kin After years of travails she will soon reach a final decision If she cannot cut through the Tapestry of Fate she will instead cut down its weavers the inimical Fates Meanwhile Kirke finds herself enslaved by the same merciless threads that hold Pandora For decades she has remained

exiled on a lonely island But soon a new visitor will dangle the most fragile of hopes before her The hope for a future The Circle of Kirke is the eighth novel of the Tapestry of Fate series It begins an epic melding Greek myths time travel and dark fantasy into a vast adventure that spans millennia Familiar stories unfold in new ways Tragic heroes grapple with flaws and decisions that echo through time And in the darkest moments the greatest gift is a hope that refuses to burn out For fans of Madeline Miller Richard Swan and Ben Galley this is a dark mythological retelling filled with gods and monsters from the Classical Age and beyond This series serves as a preguel to Gods of the Ragnarok Era A Scattering of Jades Alexander C.
