A powerful work of narrative nonfiction that humanizes the immigration crisis in the United States through the lens of undocumented unaccompanied minors and the teacher who provides hope through poetry. With unprecedented access poet Seth Michelson takes readers inside the most restrictive maximum security detention center in the United States where undocumented unaccompanied youth are held in isolation. As the reader meets several children who are part of the author's poetry workshop we hear from the children in their own words and learn the harsh reality of the lived experiences of migrating people who are trying to escape violence and poverty in their home countries. Their pasts their struggles their hopes and their dreams are highlighted through the medium of poetry. The author shares these stories as well as those of mothers and children at a different facility in Dilley Texas infamous site of the death of 20-month-old Mariee Juarez whose death made front page headlines in 2018. Each chapter is grounded in the voices of migrating people from El Salvador Honduras Mexico and Cuba. Through these stories the reader learns the intricacies of our immigration system and the challenges migrants face as they work toward a better life. Armed with this knowledge readers may be inspired to act on behalf of these powerless children whether by implementing a model poetry workshop in their own community or working with advocacy groups or legal aid groups to champion for change.

Limón Blues es una novela de amores y pasiones en el marco de la gesta carismática del líder afrodescendiente Marcus Garvey líder desconocido para la mayoría de los costarricenses. Escrita desde el punto de vista de los periódicos publicados por la comunidad afroantillana en Puerto Limón en la primera mitad del

siglo XX en la novela las distintas culturas del Gran Caribe se encuentran se asocian se abrazan se besan Por encima de ellas el poder político y social las mira las desconoce las ignora o las expulsa Esta obra reconstruye minuciosamente la época en que Puerto Limón fue la ciudad más culta y cosmopolita del país Esa profundidad y ese esplendor debieron de haberse integrado al resto de la sociedad costarricense para enriquecerla pero no fue así La ignorancia y el racismo del Valle Central lo impidieron Esta novela responde en gran medida a las preguntas ¿quién fue Limón? ¿qué fue Limón? Porque todavía estamos a tiempo de asumir su pasado su presente sus historias sus luchas sus colores sus pérdidas su diversa voluntad Porque son también los nuestros **Cuentos por... y para...** Aida Claro García, 2008-05-19 Domadores de historias.
