**Quiet Diplomacy in Action: The OSCE High Commissioner on National Minorities** Walter A. Kemp, 2021-08-04  
Quiet Diplomacy in Action is the first comprehensive account of the work of Max van der Stoep as High Commissioner on National Minorities for the Organization for Security and Co operation in Europe OSCE Because Van der Stoep worked discreetly until now very little has been written about his activities This book takes the reader behind the scenes to explain why the post of High Commissioner was created what his mandate is how he worked in practice and what recurrent themes and issues he encountered Quiet Diplomacy in Action also gives a detailed summary of the High Commissioner s activities in the more than fifteen countries that he was involved with between 1993 and 2001 Major documents relating to national minorities in the OSCE context are included in an annex As Michael Ignatieff writes in the Foreword Everyone talks about conflict prevention One of the few senior figures that actually does it is the OSCE High Commissioner on National Minorities This book written in co operation with Mr Van der Stoep gives a unique insight into conflict prevention minority rights and the challenge of resolving inter ethnic tensions It should be considered a primary resource for all those interested in these subjects

**Quiet Diplomacy in Action: The OSCE High Commissioner on National Minorities** OSCE High Commissioner on National Minorities, 2001-07-03 The role of NGOs *Human Rights Diplomacy: Contemporary Perspectives* Michael O'Flaherty, Zdzisław Kędzia, Amrei Müller, George Ulrich, 2011-10-28 This collection of essays explores the notion tools and challenges of human rights diplomacy Human rights diplomacy is understood as the utilisation of diplomatic negotiation and persuasion for the specific purpose of promoting and protecting human rights This book builds on discussions at a high level workshop on the topic organised by the University of Nottingham Human Rights Law Centre the European Inter University Centre for Human Rights and Democratisation and the Adam Mickiewicz University of Poznań that was held in Venice

**Minorities, Peoples And Self-determination** Nazila Ghanea-Hercock, Alexandra Xanthaki, Patrick Thornberry, 2005 This volume presents new thinking on minority and indigenous rights in international law Debates that receive attention in this volume include self determination definitional issues collective rights and rights to natural resources Other chapters unravel challenges that have not attracted sufficient attention to date such as multiculturalism integration colour as a ground for discrimination and the economic and social rights of minorities The volume also looks critically at the work of the World Bank the African Union the Council of Europe and the OSCE in this arena Finally case studies highlight the regrettable similarities in the suffering of groups in different parts of the world as well as the stark contrast between state claims and their actual practice

**Protecting Vulnerable Groups** Francesca Ippolito, Sara Iglesias Sánchez, 2015-04-30 The concept of vulnerability has not been unequivocally interpreted either in regional or in universal international legal instruments This book analyses the work of the EU and the Council of Europe in ascertaining a clear framework or a set of criteria suitable to determine those who should be considered vulnerable and disadvantaged It also explores the measures

required to protect their human rights Key questions can be answered by analysing the different methods used to determine the levels of protection offered by the two European systems These questions include whether the Convention and the case law of the Strasbourg Court the monitoring mechanisms of the Council of Europe EU law and the case law of the European Court of Justice enhance the protection of vulnerable groups and expand the protection of their rights or alternatively whether they are mainly used to fill in relatively minor gaps or occasional lapses in national rights guarantees The analysis also shows the extent to which these two European systems provide analogous or indeed divergent standards and how any such divergence might be problematic in light of the EU accession to the European Convention on Human Rights

**Minority Rights in Europe** Patrick Thornberry, María Amor Martín Estébanez, Council of Europe, 2004-01-01 This publication discusses the main standards and mechanisms created by the Council of Europe and other international organisations to protect the rights of minorities in Europe including key legal instruments such as the European Convention on Human Rights the Framework Convention for the Protection of National Minorities and the European Charter for Regional and Minority Languages It reviews the monitoring activities in various Council of Europe member and non member states both prior to their accession and in their post accession phase The publication also includes a detailed examination of the case of the Roma Gypsies a specific minority without a kin state

Galbreath, Joanne McEvoy, 2011-12-06 Evaluates the nature of the international governance of minority rights in the context of the enlargement of the European Union This book examines the origin and development of the European Minority Rights Regime paying particular attention to the institutions policies and actions of European organisations

### Strategic Frames Jennie L. Schulze, 2018-03-07 Joseph Rothschild Book Prize Honorable Mention Strategic Frames analyzes minority policies in Estonia and Latvia following their independence from the Soviet Union It weighs the powerful influence of both Europe and Russia on their policy choices and how this intersected with the costs and benefits of policy changes for the politicians in each state Prior to EU accession policymakers were slow to adopt minority friendly policies for ethnic Russians despite mandates from the European Union These initiatives faced majority opposition and politicians sought to maintain the status quo and their positions As Jennie L. Schulze reveals despite the credit given to the democratizing influence of European institutions they have rarely produced significant policy changes alone and then only when domestic constraints were low Whenever domestic opposition was high Russian frames were crucial for the passage of reforms In these cases Russia's activism on behalf of Russian speakers reinforced European frames providing powerful justifications for reform Schulze's attention to both the strategic framing and counter framing of external actors explains the controversies delays and suboptimal outcomes surrounding the passage of conditional amendments in both cases as well as the local political climate postaccession Strategic Frames offers a significant reference on recent developments in two former Soviet states and the rapidly evolving spheres of political influence in the postindependence era that will serve students scholars and policymakers alike

### **Mirrors of Justice** Kamari Maxine Clarke, Mark Goodale, 2010 Mirrors of Justice is a groundbreaking study of the meanings of and possibilities for justice in the contemporary world The book brings together a group of both prominent and emerging scholars to reconsider the relationships between justice international law culture power and history through case studies of a wide range of justice processes The book's eighteen authors examine the ambiguities of justice in Europe Africa

Latin America Asia the Middle East and Melanesia through critical empirical and historical chapters The introduction makes an important contribution to our understanding of the multiplicity of justice in the twenty first century by providing an interdisciplinary theoretical framework that synthesizes the book s chapters with leading edge literature on human rights legal pluralism and international law

**Human Rights and Minority Rights in the European Union** Kirsten Shoraka, 2010-06-17 Examines the development and the role of human rights in the European Union arguing that human rights have become an important component of the foreign policy of the European Union This book analyses the EU s policy on minorities as a particular example of human rights
