Milwee, 2018-10-24 Currently 42.6 million people in the United States are sixty five or older America is not the nicest place to grow old so much emphasis is placed on youth However seniors have a lot to contribute to the world In *Grow Old along with Me* author Mark S Milwee offers a touching and inspiring Christian commentary that speaks to the value of accepting and welcoming elderly Christians to the church He shares his own experience in the pastoral ministry as he documents the

contributions of the faithful elderly and encourages us to follow their example Milwee shows seniors how they can be a blessing to others as they grow older and how to add value to those around them as they enter the twilight years He helps them understand that respect must be earned instead of demanded Grow Old along with Me reminds all that senior adults are a valuable asset to any church and deserve to be valued cherished and treated with dignity and respect It encourages seniors to make the decision to grow old gracefully and seeks to bring comfort to those who are facing death in the near future *Marathon Swimming The Sport of the Soul* Paul Andrew Asmuth, 2019-01-08 When the plans and dreams of a young swimmer are shattered by the United States boycott of the 1980 Olympic Games in Moscow God opens the door of new opportunities For Paul Asmuth then 22 it is the end of an unfulfilled dream and the beginning of another journey this one remarkable and life changing Plunging into the astounding grueling hypnotic and often oddly beautiful world of international marathon swimming competitions Asmuth experiences both triumph and tragedy and in a process as long and punishing as the marathon swims themselves slowly discovers the best of himself If you care for resumes Asmuth is one of the most successful marathon swimmers in history In the sapphire seas off Italy in the frigid lakes of Quebec Canada in the marshy back bays of New Jersey in the questionable waters ringing Manhattan swimming distances from twenty to forty miles Asmuth emerged victorious often to thunderous acclaim After multiple victories at the twenty six mile swim across Quebec s Lac Memphremagog up to 20 000 spectators would cheer and call him le roi the king of their lake But true victory is not a matter of accolades or medals and the stories that make a real difference unfold behind the headlines Overcoming self doubt nausea hypothermia cruel tides and dark watery shadows both real and imagined Asmuth calls upon passion iron clad resolve and steadfast faith to emerge a changed man attaining success in its truest and most honest form This success does not end when Asmuth retires from competing Coming full circle when he hangs up his swim suit Paul takes the knowledge lessons and examples he learned from his own experiences and some of the world s greatest coaches and turns to helping others with their swimming dreams His prayers to give back are answered by coaching opportunities at multiple World Championships and two Olympic Games where marathon swimming is now a contested event But this is not just the tale of a swimmer Like any great story Paul s transcends sport By listening to the voice of faith and not of fear new dreams are born and God s plans are revealed Forthcoming Books Rose Arny, 2003 **Gospel Music Networking Guide**, 1999 Books Out Loud, 2007
