## **Quiet Murder Large Print:**

*Quiet Murder* Nancy Livingston, 1993 The senseless brutal murder of a London pensioner seems the work of a psychopath but peculiarities about the crime complicate the investigation *Ghosthunting Ohio (Large Print 16pt)* John Kachuba, 2011-01-22 Whether you believe in ghosts or other aspects of the paranormal every culture has its folklore and many many people have had an experience they simply can't explain John Kachuba decided to investigate for himself so he started with his home state of Ohio *Ghosthunting Ohio* examines more than 30 of the spookiest haunts from cemeteries to inns and taverns to libraries and cafes all over the Buckeye State The results might surprise even the most devout skeptics

**The Anointed (Large Print Edn.)** John Ostrowick, 2009-07-18 Not much is clear when we consider the history of first century Israel We know it was a nation in turmoil with constantly shifting politics and ideas Crippled by kings who were unable to keep their thrones governors who were evicted from office soon after taking it Israel was beset with brutal violent outbursts and equally brutal suppressions In such a climate it was inevitable that there'd be no shortage of populist leaders all pretending to know what was best for the people But something happened and whatever it was it was to determine the history of the world for the next two thousand years We all know the familiar story But what if it didn't happen like that

**Old Bones** Ron Chudley, 2011-02-01 Resting on what was left of the bench was something else lighter in shade than the background round about the size of a cabbage There were two large holes close together a smaller pair below then two rows of wedge shaped objects The pattern suddenly coalesced in atavistic and chilling familiarity In a remote British Columbia lake an ancient auto wreck is discovered Inside are the half century old remains of a traveler long lost and long forgotten While there are few clues to the identity of the corpse the discovery sets in motion a singular chain of events that dramatically affects a small and disparate group of people each unknown to the other but connected by history to the dead driver Old agonies unresolved quarrels and desperate dangerous secrets come to light leading to a strange and surprising conclusion *Old Bones* is the story of how a single circumstance can bring about huge changes in the lives of many people If we could only know observes one of the characters just how many lost souls are stashed beneath the earth some likely as near as our neighbour's yard we would never sleep at night *Old Bones* is the tale of what happens when some small town stashing comes badly undone
