Dead Men's Money Joseph Smith Fletcher, 1920 **The Complete Works of G. A. Henty** G. A. Henty, 2022-11-13 The Complete Works of G A Henty presents a remarkable collection of historical novels that vividly transport readers to pivotal moments in the past Henty's literary style is characterized by meticulous research and gripping narratives seamlessly blending factual history with thrilling adventure His ability to infuse action with historical accuracy serves as both entertainment and education making the experience of reading these works richly immersive The collection spans various periods from the Middle Ages to colonial times reflecting Henty's fascination with heroism and moral integrity in the face of adversity George Alfred Henty a prolific Victorian author was deeply influenced by the cultural milieu of his time notably the British Empire's expansion Having been a war correspondent and a passionate advocate of imperialism Henty's personal experiences undoubtedly shaped his literary voice infusing it with a sense of adventure and patriotic fervor His novels often feature young protagonists who embark on exhilarating quests overcoming challenges that echo the ideals of Victorian society For readers seeking a captivating journey through history The Complete Works of G A Henty offers an enthralling

collection that is both educational and entertaining Unraveling tales of bravery exploration and triumph this compendium is essential for anyone interested in classic literature and historical adventures providing a window into the values of an intriguing era

The Selected Works of George Alfred Henty George Alfred Henty, You may be told perhaps that there is no good to be obtained from tales of fighting and bloodshed that there is no moral to be drawn from such histories Believe it not War has its lessons as well as Peace You will learn from tales like this that determination and enthusiasm can accomplish marvels that true courage is generally accompanied by magnanimity and gentleness and that if not in itself the very highest of virtues it is the parent of almost all the others since but few of them can be practiced without it The courage of our forefathers has created the greatest empire in the world around a small and in itself insignificant island if this empire is ever lost it will be by the cowardice of their descendants At no period of her history did England stand so high in the eyes of Europe as in the time whose events are recorded in this volume A chivalrous king and an even more chivalrous prince had infected the whole people with their martial spirit and the result was that their armies were for a time invincible and the most astonishing successes were gained against numbers which would appear overwhelming The victories of Cressy and Poitiers may be to some extent accounted for by superior generalship and discipline on the part of the conquerors but this will not account for the great naval victory over the Spanish fleet off the coast of Sussex a victory even more surprising and won against greater odds than was that gained in the same waters centuries later over the Spanish Armada The historical facts of the story are all drawn from Froissart and other contemporary historians as collated and compared by Mr James in his carefully written history They may therefore be relied upon as accurate in every important particular

The Chronicles of Conan Volume 27: Sands Upon the Earth James Owsley, 2014-08-06 He is known as The Great Devil Heku warlord of the eastern kingdoms commander of a horde likened to the sands upon the earth More than conquest Heku desires the return of his son Kobe once coldly given as a gift to a king but now Conan s comrade and unwilling to return to his father s evil embrace All Kobe has between him and Heku s host is his sword and Conan s friendship a bond stronger than steel The Chronicles of Conan collects classic Conan the Barbarian tales never before collected and unavailable for over a quarter of a century

The Victorious Opposition (American Empire, Book Three) Harry Turtledove, 2003-08-05 A colossal and brilliant saga This novel may be the strongest and most compelling since the opener How Few Remain Publishers Weekly starred review Seventy years have passed since the first War Between the States Jake Featherston leader of the ruling Freedom Party has won power in the South and is taking his country and the world to the edge of an abyss Charismatic and shrewd he is whipping the Confederate States into a frenzy of hatred Blacks are being rounded up and sent to prison camps and the persecution has just begun As the North stumbles through a succession of leaders Featherston is feeling his might With the U S A locked in a bitter bloody occupation of Canada facing an intractable rebellion in Utah and fatigued from a war in the Pacific against Japan Featherston may pursue one dangerous proposition above all that he can defeat the U S A in an all out
