The sky is filled with horizontal, layered clouds that catch the low light, creating a palette of warm colors including deep oranges, yellows, and soft pinks. The overall mood is peaceful and contemplative.

Hunger Jon L. Dybdahl, 2015-12-16 Human hunger for God is intense and universal. Even if suppressed or denied, it cries out silently from the depths. Such hunger is not a wish to know about God, but rather a quest to encounter Him. People want to touch, experience, and feel the divine, not just discover facets about God. Dr. Jon L. Dybdahl: Humans have tried since the beginning of their creation to fill the hunger or empty space inside of themselves with all that they can find on their own. The desire for money, homes, cars, and various material possessions continues to fill our credit cards without filling our longing for something. Dr. Jon Dybdahl brings his passion for teaching into this second edition of his successful book *Hunger: Satisfying the Longing of your Soul*. Whether you are a seminary professor, a small group leader with 3-12 students, or someone who seeks to move closer in your relationship to God, your Savior, and Creator, you will find entrees which are biblically grounded to study and that are savory and healthy for your spiritual body.
