Raid on Innocence Billy H. Dean, 2011-10 *Raid on Innocence* In the years before the Civil War began the small town of Salinas Indiana was starting a period of growth that could turn this farming community into a small city The driving force behind the growth was the combined effort of two hard working farmers with a vision to make Salinas one of the major cities in southern Indiana William Consley raised and trained quality saddle team and workhorses for most of the farmers and businessmen in the northern half of the county He always had 30 to 40 horses on his 300 acre farm but could sometimes have as many as 10 additional that were being trained Andrew Davis had an expanding cattle business that reached out to support other businesses in the community His 1000 acres could support over 500 head of cattle that he sent to the slaughterhouse in town and then sent the hides to the tan yard to be made into leather The ice harvesting he did in the winter allowed his beef to be shipped back east to market All of his businesses provided employment for a large portion of the citizens of the community and encouraged an influx of more settlers to the town There weren't any citizens who had a stake in the slavery issue even though most of them still had strong ties to relatives in the south When war does break out only a few young men volunteer to go in the Army either North or South The community makes every attempt to avoid the war until the war came to them What happens that day will surprise and shock you and will explain what becomes of the town afterwards

The Christmas Quilt Jennifer Chiaverini, 2007-11-01 A heartwarming rendition of how Christmas traditions at Elm Creek Manor were created and embellished over generations When Christmas Eve comes to Elm Creek Manor the tenor of the holiday is far from certain Sylvia Bergstrom Compson the Master Quilter has her own reasons for preferring a quiet even subdued Christmas Her young friend Sarah McClure however takes the opposite view and decides to deck the halls brightly As she explores the trunks packed with Bergstrom family decorations that haven't been touched in more than fifty years Sarah discovers a curious Christmas quilt Begun in seasonal fabrics and patterns the quilt remains unfinished Sylvia reveals that the handiwork spans several generations and a quartet of Bergstrom quilters her great aunt her mother her sister and herself As she examines the array of quilt blocks each family member contributed but never completed memories of Christmases past emerge At Elm Creek Manor Christmas began as a celebration of simple virtues joy and hope buoyed by the spirit of giving As each successive generation of Bergstroms lived through its unique trials the antebellum era the Great Depression World War II tradition offered sustenance even during the most difficult times For Sylvia who is coping with the modern problem of family dispersed estranged or even forgotten reconciliation with her personal history may prove as elusive as piecing the Christmas Quilt Elm Creek Manor is full of secrets from a Christmas tree with unusual properties to the sublime Bergstrom strudel recipe Sylvia's tales at first seem to inform her family legacy but ultimately illuminate far more from the importance of

women s art to its place in commemorating our shared experience at Christmastime and in every season
