Quincas Borba Machado de Assis, Neusa Pinsard Caccese, 1979 **El español de América** Ángel Rosenblat, María Josefina Tejera, 2002 **El Libro español**, 1979 *Catálogo español: Authors*, 1980 **Estudio contrastivo del régimen verbal en el portugués de Brasil y el español peninsular**. Shirley de Sousa Pereira, 2007 **Interiors and Narrative** Estela Vieira, 2012-12-17 Interiors and Narrative shows how crucial interiors are for our understanding of the nature of narrative A growing cultural fascination with interior dwelling so prevalent in the late nineteenth century parallels an intensification of the rhetorical function interior architecture plays in the development of fiction The existential dimension of dwelling becomes so intimately tied to the novelistic project that fiction surfaces as a way of inhabiting the world This study illustrates this through a comparative reading of three realist masterpieces of the Luso Hispanic nineteenth century Machado de Assis's Quincas Borba 1891 E. de Queirós's The Maias 1888 and Leopoldo Alas's La Regenta 1884 1885 The first full length study to juxtapose the renowned writers Interiors and Narrative analyzes the authors spatial poetics while offering new readings of their work The book explores the important links between interiors and narrative by explaining how rooms furnishings and homes function as metaphors for the writing of the narrative reflecting on the complex relation between private dwellings and human interiority and arguing that the interior design of rooms becomes a language that gives furnishings and decorative objects a narrative life of their own The story of homes and furnishings in these narratives creates a semiotic language that both readers and characters rely on in order to make sense of fiction and reality **The Evolution of Literature in the Americas** Earl E. Fitz, 2025-03-31 This book offers a systematic and comparative history of the evolution of literature in the Americas from the beginning to the present day It begins with an introduction that assesses the development of the field and then proceeds to a chapter on the literature of Pre Columbian and indigenous America It then moves forward chronologically from the arrival of the Europeans beginning in 1492 to the year 2026 Including indigenous literature the other American literatures represented in the book are those of Canada both Francophone and Anglophone the United States the Caribbean Francophone and Anglophone Spanish America and Brazil Not every book ever written in the Americas is included of course only those that in the author's estimation offer some valid point of comparison with other American literary cultures These points of comparison include issues of theme genre literary periods literature and other disciplines such as history art music or politics cases of influence and reception and translation The book's emphasis is on viewing American literature from a hemispheric and comparative lens **La desheredada** Benito Pérez Galdós, 2023-11-17 La desheredada es una novela clave en la obra de Benito Pérez Galdós que ofrece un profundo estudio de la sociedad española de finales del siglo XIX La narración gira en torno a la vida de su protagonista la joven Huertana quien desheredada por su familia navega por las complejidades de la pobreza y la búsqueda de identidad en un entorno hostil Galdós utiliza un estilo realista entrelazando diálogos agudos con descripciones y vidas que revelan las tensiones sociales y econ

micas de su tiempo Contextualmente la obra se sitúa en una España en plena transformación marcado por el derrumbe de las viejas estructuras aristocráticas y la lucha de clases emergente Benito Pérez Galdós uno de los más destacados novelistas españoles mostró en su obra un compromiso profundo con la realidad social y política de su país Influenciado por el ambiente de cambio y modernidad que presenciaba lo largo de su vida Galdós emplea la literatura como herramienta para criticar y explorar la condición humana Su formación y experiencias personales especialmente su tránsito entre la historia y la novela informaron su enfoque narrativo en *La desheredada* la cual se presenta como un reflejo de su dedicación a los problemas contemporáneos de España Recomendando encarecidamente *La desheredada* a los lectores interesados en la literatura realista y en la exploración de las dinámicas sociales La obra no solo es un relato cautivador sino que también proporciona una reflexión crítica sobre la herencia la identidad y el papel de la fortuna en la vida humana La destreza de Galdós para captar la esencia de su época invita a una profunda reflexión haciendo de la novela un clásico perdurable en la literatura española **Pensar el Brasil hoy.**

Cómo la historia del libro latinoamericano ha narrado o no los aportes que ellas han hecho en el ámbito editorial. Durante siglos las impresoras, editoras, tipógrafas, encuadernadoras y librerías han sido invisibilizadas o relegadas en los estudios sobre la edición. Esta obra que reúne los trabajos de veintiocho investigadoras de distintas disciplinas aborda casos, panoramas, problemas, metodologías y fuentes documentales con el fin de valorar los diversos aspectos del papel que han tenido las mujeres en el mundo del libro en Argentina, Brasil, Chile, Colombia, España, Guatemala, México, Perú, República Dominicana y Uruguay entre los siglos XVII y XXI. En el marco de este campo aún reciente y poco explorado, *Las mujeres y los estudios del libro y la edición en Iberoamérica* establece una línea de investigación con la que se espera incentivar futuras historias del libro y la edición de Latinoamérica en las que de forma articulada y sistemática las voces de las mujeres sean incluidas, visibilizadas e iluminadas **Diccionario inglés-español**, 1963
