A PAST CARVED IN STONE

Patricia Harrigan Browne

Quincy Ma A Past Carved In Stone

Patricia Harrigan Browne

Quincy Ma A Past Carved In Stone:

Quincy Patricia Harrigan Browne,1996 Quincy Massachusetts is a historic and solid community whose first fortunes were made in the granite and shipbuilding industries Its battleships and stone carvings have traveled the country and the world over and the legacy of Quincy s early years is indeed carved in stone Patricia Harrigan Browne s new visual history of this fascinating city chronicles its development from the 1870s through World War II in a series of remarkable vintage photographs For many of course Quincy is a beloved and welcoming hometown community Its natural charm and beauty hold great attraction Quincy s Hough s Neck was once considered one of the premier summer resorts in the United States Ms Browne s book contains photographs of beachgoers along the Quincy shore in 1916 and the building of the Neponset River Bridge in addition to some especially moving pictures of the granite workers and carvers

Old Parish Cemetery of Norwood, Massachusetts Patricia J. Fanning,2023 Founded in 1741 as the burial ground for the Second Parish of Dedham Old Parish Cemetery encapsulates the history of the town of Norwood from its beginnings in 1736 Today volunteers with the support of town officials are working to preserve this historic site Dormant since the mid 1900s and virtually surrounded by commercial structures Old Parish Cemetery offers a contemplative green space for those seeking solace and peace Its memorials are rich in lessons about the cultural and social evolution of the community Historian and author Patricia Fanning guides the reader through the history of Norwood as she tells the engaging stories of those buried here Milestones & Guideposts of Massachusetts and Southeastern New Hampshire Mary E. Gage,James E. Gage,2014-02-03 Across

Massachusetts roadsides are dotted with small stone markers giving the mileage to major cities These ancient road signs called milestones aided travelers during the 1700 s and 1800 s as our road signs today do with their mileage and destination information Although these old milestones no longer serve a useful purpose in our modern age of highways they continue to fascinate us This fascination has led to the preservation by local communities of at least 129 milestones in Massachusetts and a number of milestones in New Hampshire Milestones were for the most part commissioned by private citizens and made by local or itinerant stone carvers With the exception of the turnpike milestones no two milestones are alike There are differences in the type of stone chosen the wording and the lettering styles of individual carvers These differences give the milestones personality and character This sense of character is one of the endearing aspects of these humble road signs that continues to draw us to them Although some of the milestones like those around Boston and those along the famous Upper Post Road are well known many are not The authors have spent a number of years combing through old books and newspapers and traveling through the state in search of these local historical treasures This book draws together all of their research in an effort to provide a comprehensive inventory of Massachusetts milestones In addition it includes milestones the authors have found in their travels through southeastern New Hampshire

Early Gravestones in Southern Maine: The Genius of Bartlett Adams Ron Romano,2016 The slate gravestones of southern Maine bear evidence to the region s fascinating history from shipwrecks and famous wartime sea captains to countless ordinary citizens Master stone cutter Bartlett Adams memorialized the tragedy and triumph of the region in nearly two thousand gravestones Examine the artistry of the headstones that mark the resting places of three generations of the same family who all went down with the schooner Charles and discover the grief that Adams poured into the stones for his own three children Through deep and original research author and guide Ron Romano narrates the early history of southern Maine and one man s legacy carved in stone *Stone* ,1909 **Labor Bulletin of the Commonwealth of Massachusetts** ,1903 New England Ancestors ,2006 *History of Plymouth, Norfolk and Barnstable Counties, Massachusetts* Elroy Sherman Thompson,1928 **Architecture** Henry-Russell Hitchcock,1987-01-01 This book examines a period which is far more than a prelude to the age of steel and concrete The first half century culminated in the bold iron and glass of the Crystal Palace There follows the creation of the modern styles of the era based on traditions of the past and finally in the 20th century Art Nouveau and the modern architects in their generations Perret Wright Gropius Corbusier Mies van der Rohe and others in many parts of the world **Social Science Abstracts** ,1929 **Pioneer Cemeteries** Annette Stott,2008-11-01 As pioneers attempted to settle and civilize the Wild West cemeteries became important cultural centers Filled with carved wooden headboards inscribed local stones and Italian marble statues cemeteries functioned as symbols of stability and progress toward a European inspired vision of Manifest Destiny As repositories of art and history these pioneer cemeteries tell the story of communities and visual culture emerging together within the developing landscape of the Old West Annette Stott traces this story through Rocky Mountain towns on the western frontier from the unkempt boot hills of the early mining camps and cattle settlements to the more refined fair mounts She shows how people from Asia Europe and the Americas contributed to the visual character of the mountain cemeteries and how the sepulchral garden functioned as an open air gallery of public sculpture at once a site for relaxation learning and social ritual Here widespread participation in a variety of ceremonies brought mountain communities together with a frequency almost unimaginable today Illustrated with eighty three striking photographs this book shows how the pioneer cemetery emerged as a site of public sculpture and cultural transmission in which each carved or molded monument played dual and sometimes conflicting public and private roles recording the community s history and values while memorializing individuals and events **The New Yorker** ,1972

Amulets, Effigies, Fetishes, and Charms Edward J. Lenik,2016-11-22 Rounds out Edward J Lenik s comprehensive and expert study of the rock art of northeastern Native Americans Decorated stone artifacts are a significant part of archaeological studies of Native Americans in the Northeast The artifacts illuminated in Amulets Effigies Fetishes and Charms Native American Artifacts and Spirit Stones from the Northeast include pecked sculpted or incised figures images or

symbols These are rendered on pebbles plaques pendants axes pestles and atlatl weights and are of varying sizes shapes and designs Lenik draws from Indian myths and legends and incorporates data from ethnohistoric and archaeological sources together with local environmental settings in an attempt to interpret the iconography of these fascinating relics For the Algonquian and Iroquois peoples they reflect identity status and social relationships with other Indians as well as beings in the spirit world Lenik begins with background on the Indian cultures of the Northeast and includes a discussion of the dating system developed by anthropologists to describe prehistory The heart of the content comprises more than eighty examples of portable rock art grouped by recurring design motifs This organization allows for in depth analysis of each motif The motifs examined range from people animals fish and insects to geometric and abstract designs Information for each object is presented in succinct prose with a description illustration possible interpretation the story of its discovery and the location where it is now housed Lenik also offers insight into the culture and lifestyle of the Native American groups represented An appendix listing places to see and learn more about the artifacts and a glossary are included The material in this book used in conjunction with Lenik s previous research offers a reference for virtually every known example of northeastern rock art Archaeologists students and connoisseurs of Indian artistic expression will find this an invaluable work

The Art and Thought of John La Farge Katie Kresser,2017-07-05 The Art and Thought of John La Farge Picturing Authenticity in Gilded Age America offers an unprecedented portrait of one of the most celebrated artists of the Gilded Age and opens a window onto nineteenth century American culture The book reveals how the work of John La Farge contributed to a rich philosophical dialogue concerning the trustworthiness of human perception In his struggle against a common truth of iconic symbols presented by a new mass visual culture La Farge developed a subversive approach to visual representation that focused attention not on the artwork itself but on the complex real encounter of artist subject and medium from which the artwork came Katie Kresser charts La Farge s efforts to assert his own reality his own intrinsic uniqueness in a postwar society that increasingly based personal identity on standardized vocational labels and economic productivity La Farge s work is contrasted with that of Kenyon Cox James Whistler and Henry Adams all of whom for La Farge had fallen prey to the crass new visual environment albeit in very different ways This innovative study suggests that La Farge dealt with issues still relevant in a world characterized by ubiquitous mass media and the proliferation of normative visions

Portsmouth Cemeteries Glenn A. Knoblock,2005-07-06 Portsmouth Cemeteries a photographic study of this city s cemeteries uncovers a compelling history of the area from the Colonial era to the 1900s These cemeteries provide a direct link to the past where many stories are told in stone The gravestones and monuments feature unusual works of art and the inscriptions act as documents that preserve family histories valiant military service and memories of photographs readers can see how gravestones evolved over time and learn about some of Portsmouth s own practitioners in the art of stone carving

Stone,1931 *The Coming of the Railway* David Gwyn,2023-05-23 The first global history of the epic early days of the iron railway

Railways in simple wooden or stone form have existed since prehistory But from the 1750s onward the introduction of iron rails led to a dramatic technological evolution one that would truly change the world In this rich new history David Gwyn tells the neglected story of the early iron railway from a global perspective Driven by a combination of ruthless enterprise brilliant experimenters and international cooperation railway construction began to expand across the world with astonishing rapidity From Britain to Australia Russia to America railways would bind together cities nations and entire continents Rail was a tool of industry and empire as well as eventually passenger transport and developments in technology occurred at breakneck speed even if the first locomotive in America could muster only 6 mph The Coming of the Railway explores these fascinating developments documenting the early railway s outsize social political and economic impact carving out the shape of the global economy as we know it today

Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **Quincy Ma A Past Carved In Stone**

In some sort of inundated with monitors and the cacophony of instant connection, the profound energy and emotional resonance of verbal art frequently disappear in to obscurity, eclipsed by the continuous onslaught of noise and distractions. Yet, situated within the lyrical pages of **Quincy Ma A Past Carved In Stone**, a interesting work of fictional splendor that impulses with raw feelings, lies an wonderful trip waiting to be embarked upon. Penned by way of a virtuoso wordsmith, that interesting opus manuals visitors on an emotional odyssey, softly revealing the latent potential and profound affect embedded within the delicate web of language. Within the heart-wrenching expanse of the evocative analysis, we can embark upon an introspective exploration of the book is key styles, dissect their captivating publishing design, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
