Function of the Tricolon in the Psalms of Ascents Simon P. Stocks, 2012-06-01 This book explores the little regarded phenomenon of the tricolon in biblical Hebrew poetry that is those poetic lines that appear to have a tripartite form rather than the more common bipartite form Taking the Psalms of Ascents as a sample corpus of poetic texts it identifies tricola on an explicit and consistent basis It draws on the rhythmical accentual approach of Eduard Sievers and in so doing highlights an important but neglected aspect of his method The concept of a para tricolon is developed designating a line that is tripartite yet rhythmically equivalent to a conventional bicolon Analyses of psalm structures and of the syntactic and semantic structures of each tripartite line facilitate an assessment of the function of and characterization of tripartite lines The significance of enjambment is explored as a distinguishing factor between different line forms and as a means of uniting non parallel cola The study demonstrates clear differences between the form and function of para tricola and those of tricola and so will facilitate a more nuanced and realistic appraisal of the functional significance of Hebrew poetic line forms

Karl Lawley, 2023-12-07 Did God hide an Encrypted prophetic last day's timeline in the Psalms to be revealed at the very end If so the discovery of this timeline would be the discovery of the ages Encrypted takes you on a fascinating journey through the Bible and the Psalms to explore the answer to this question and many more On your expedition you will witness overwhelming evidence of a newly discovered timeline indicating the sequence of prophetic end time Biblical events According to the order as evidenced by the encrypted timeline in the Psalms we can soon expect the infamous Gog Magog Invasion into Israel detailed in Ezekiel 38 and 39 and the closing of the Rapture Season which we are now in next on the prophetic calendar Those two events will be followed closely by the rise and revelation of the Antichrist and the beginning of the 7 year tribulation period The Jews will then return to Israel en masse in time for the completion of their new Temple Shortly thereafter the Antichrist will declare that he is God in the new Temple and the Remnant of Israel will flee to the Refuge prepared for them by the true God who will shelter them for three and a half years until Jesus return at Armageddon Skeptical Once you see the encrypted timeline in the Psalms you will recognize that time is extremely short and there remains a multitude around us who are not yet saved and who will be trapped here to suffer through the worst time in history Now is the time to fulfill the Great Commission Furthermore Daniel 12 tells us that the sealed up or encrypted mysteries of Bible prophecy will only be understood by the wise in the final generation We are that final generation spoken of by Daniel Will we be wise enough to realize that God wants His Church to know about and

understand the timing of the days we are living in Or will we continue to rely on the outdated understandings of generations past As end time Bible prophecy becomes more tangible in our day God has revealed this encrypted sequence of years leading up to and through the fast approaching tribulation period so that we can prepare and help prepare others for a great final harvest before time runs out We are now living in Bible times What will be written about you
