Qumran Community:

Beyond the Qumran Community John J. Collins, 2010 With the full publication of the Dead Sea Scrolls fresh analysis of the evidence presented can be and indeed should be made Beyond the Qumran Community does just that reaching a surprising conclusion the sect described in the Dead Sea Scrolls developed later than has usually been supposed and was never confined to the site of Qumran John J Collins here deconstructs the Qumran community and shows that the sectarian documents actually come from a text spread throughout the land He examines the Community Rule or Yahad and considers the Teacher of Righteousness a pivotal figure in the Essene movement After examining the available evidence Collins concludes that it is in fact overwhelmingly likely that the site of Qumran housed merely a single settlement of a very widespread movement **The Qumrān Community: Its History and Scrolls** Charles Theodore Fritsch, 1972 *Ethics in the Qumran Community* Marcus K. M. Tso, 2010 Revised version of the author's thesis Ph D University of Manchester 2008

The Social Role of Liturgy in the Religion of the Qumran Community Russell Arnold, 2018-11-01 This volume investigates the layers of meaning of the Qumran community's liturgical practice as prayer communication with the divine ritual actions that establish and reinforce the social and ideological structures of the community and speech containing both verbal and non verbal communication Jacket **Wealth in the Dead Sea Scrolls and in the Qumran Community** Catherine Murphy, 2018-12-24 This volume is concerned with exploring sectarian attitudes toward wealth and the economic practices that gave rise to and issued from those attitudes An introductory chapter establishes the state of the question Three subsequent chapters focus on major sectarian texts the Damascus Document the Rule of the Community and 4QInstruction A Other sectarian and non sectarian texts that mention wealth are discussed in a fifth chapter while archaeological evidence from the Qumran region and contemporary documentary texts are introduced in chapters seven and eight Finally ancient secondary testimony on Essene economic practices is discussed The book breaks new ground in arguing for several biblical rationales for the practice of shared wealth Its integration of archaeological and documentary evidence sheds surprising new light on the economic organization of the Qumran community **The Textual Development of the Qumran Community Rule** Sarianna Metso, 2018-11-26 This volume is concerned with tracing the different stages in the formation of the Qumran Community Rule in the light of the material from Cave 4 that has only recently become available The first part of this ground breaking work is devoted to determining the differences between the manuscripts of the Community Rule found in Caves 1 4 and 5 The second part deals with the relationship between the various versions of the Community Rule The third part aims at creating an overall picture of the literary development of this document and includes a discussion of the different elements within it as well as a comparison of the parallel passages which reflect different stages in the redaction of the document

The History of the Qumran Community Phillip R. Callaway, 1988 **From the Damascus Covenant to the Covenant of the Community** Stephen Hultgren, 2007 This volume offers new insight into the origins of the new covenant in the land of

Damascus and the Qumran community and explores topics related to their covenantal theology **The Library of Qumran** Hartmut Stegemann, 2023-08-14 Northwest of the Dead Sea twelve kilometers to the south of Jericho and thirty two kilometers north of the En gedi Oasis lie the ruins of a community long known to the Bedouins as Khirbet Qumran The nearly 900 original manuscript fragments found in caves near the site between 1947 and 1956 have fundamentally altered our view of ancient Judaism The incredible discoveries at Qumran are unveiled in this compelling volume by one of the world's foremost experts on biblical archaeology and the ancient Qumran community Drawing on the best of current research and a thorough knowledge of all the Dead Sea Scrolls Hartmut Stegemann deciphers the meaning of the historical facts regarding the Qumran community and answers in an understandable and exciting way many of the questions that have provoked sensational speculation in the press since the discovery of the Dead Sea Scrolls Stegemann analyzes the purpose of the Qumran settlement itself and paints a picture of how daily life was carried on there He probes similarities and differences between Essene baptism commemorative meals and eschatology and their early Christian counterparts He also explores the relation of the Qumran community to John the Baptist to Jesus and to early Christianity and uncovers the true nature of the Qumran writings which continue to have a profound impact on biblical studies today **The Dead Sea Scrolls: Rule of the community and related documents** James H. Charlesworth, 1994-01-01 This groundbreaking book accurately presents the texts on the leather papyrus of the Dead Sea Scrolls in a state of the art manner Here initial medial or final forms in anomalous positions are reproduced precisely as seen with the original text and the translation on facing pages Photographs

Qumran Studies Michael Thomas Davis, Brent A. Strawn, 2007-08-28 In *Qumran Studies* the texts considered are old but the questions are new standard positions are revisited and issues are reopened with fresh results The Dead Sea Scrolls have undeniably revolutionized scholarly understanding on a number of fronts This revolution has been ongoing for over fifty years and shows no signs of letting up especially as full publication of the Scrolls is now complete With that publication the important work of interpretation and analysis can continue with a rethinking of earlier analyses in light of the full evidence This volume makes a signal scholarly contribution toward that end Contributors Shane A Berg Carsten Claussen Michael A Daise Michael Thomas Davis C D Elledge Loren L Johns John B Faulkenberry Miller Lidija Novakovic Henry W Morisada Rietz Brent A Strawn Loren T Stuckenbruck [The Letters of Paul](#) Calvin J. [The Relationship Between John the Baptist and Jesus of Nazareth](#) Daniel S. Dapaah, 2005-02-17 What was Jesus' relationship with John the Baptist Did Jesus baptize people like John Where did Christian baptism come from In this book Dr Dapaah looks at these and other important questions coming up with some intriguing answers His well written work offers thought provoking insights into the questions of the historical Jesus and I very warmly commend it David Wenham Dean and Lecturer Wycliffe Hall Oxford University [Work and Community in the Thessalonian Correspondence](#) Gift

Mtukwa,2021-08-31 In this important study Dr Gift Mtukwa investigates the relationship between work and community in Paul s letters to the Thessalonians Utilizing an African biblical hermeneutic he provides a theology of work that takes seriously the communal nature of Paul s context and its parallels with a traditional African worldview He combines cultural and historical insight with biblical analysis to demonstrate that work has a critical role to play in community formation It is neither a burden nor an individual pursuit but a purposeful communal activity done to benefit self and neighbor This fresh look at Paul s work exhortations from a contextualized African perspective offers a powerful reminder that work like all human endeavors should have the glory of God and love of others as its goal *Judgement in the Community* Calvin J. Roetzel,1972 Community-Forming Power Matthias Wenk,2004-12-10 In past years the controversy over Luke s concept of the Spirit has centred on the ethical dimension of his pneumatology Community Forming Power sets out to address the issue by assessing the Lukan writings in the light of evidence from Second Temple Judaism and in applying speech act theory to prophetic utterances Wenk argues that the Spirit s role in prophecy cannot be limited to the content of the prophetic speech stripping it artificially from the intention behind it He further argues that the anointed church continues the liberating work of the anointed messiah in embracing the marginalized and thus is instrumental in realizing good news for the poor

Mercer Dictionary of the Bible Watson E. Mills,Roger Aubrey Bullard,1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus **The Letters of Paul** Calvin J. Roetzel,1998-01-01 Exploring the sometimes heated exchanges found in the letters of Paul Calvin Roetzel compares Paul s Jewish background and the cultures of his converts Roetzel brings alive Paul s intriguing and sometimes enigmatic personality making his theology as accessible and engaging to Christians today as it was to Christians living in the first century Society and the Promise to David William M. Schniedewind,1999-06-03 This study traces interpretations of the Promise to David 2 Samuel 7 1 17 from the inception of the Hebrew monarchy until the dawn of Christianity

Non-Retaliation in Early Jewish and New Testament Texts Gordon Zerbe,1993-10-01 This study examines the varieties and continuities of ethical exhortations and ideals in the Jewish and Christian traditions c 200 BCE 100 CE that fall under the rubric of non retaliation One of the principal conclusions of this thought provoking work is that a critical factor in determining the shape of non retaliatory ethics is whether the exhortation is applied to relations within the local and or elect community or to relations with oppressors of the elect community It becomes apparent also that the non retaliatory ethic of the NT stands solidly in the tradition of non retaliatory ethics in Early Judaism
