Watchman Prayer Dutch Sheets,2019-10-15 Be on alert The enemy has already crippled believers in every nation around the world and he continues to steal and destroy But we have a part to play when Satan attacks It is up to us to take responsibility and be watchful of his schemes And we must become spiritually militant in order to counter his assaults In this repackaged classic bestselling author Dutch Sheets

issues a call for watchmen who through strategic prayer and the Holy Spirit's leading pray a perimeter of protection around their loved ones their cities and their churches while at the same time unraveling the schemes of the devil God's call still goes out for watchmen Can you hear it Join your fellow believers in fervent prayer **Awakening the One New Man** Robert F. Wolff, 2011-06-21 Normally discussions about One New Man focus on Jew and Gentile needing to reconcile Usually this conversation breaks down over the place of Israel in the Kingdom and end times People rarely think much less act on the purpose behind the Lord calling us to be the One New Man The fundamental issue of identity has been overlooked When people recognize that their true identity is their Messiah they will be drawn into a closer relationship with God They have been born into a time where biblical prophecy is confirming that the unity between Jew and Gentile is ushering in a new season of outpouring of the Holy Spirit and the Lord is calling them to join in There is a call in this season as confirmed in Ephesians 2 and 3 for Jew and Gentile to come together as One New Man and to walk as joint heirs in the commonwealth of Israel When Jew and Gentile come together as One the Lord has stored up a release of blessing and power that will forever change humanity's destiny **Anecdotes & Scripture Notes for All Occasions** John G. Hillier, 2007 Stories are the stuff of life and everyone loves a story How better to learn about our faith than through brief anecdotes followed by to the point reflections Here Father John Hillier offers 425 such anecdotes and Scripture notes about topics of deep relevance for Catholic spirituality today discipleship conversion adversity conflict prejudice perseverance tragedy courage and compassion His reflections offer a Catholic take on a multitude of human experiences and thus are informative as well as enjoyable to read His hope is that through these stories and reflections readers will be inspired to spend more time in prayer and reflection *The Pursuit of Peace* Betsy E. Caram, 2018-06-08 We are living in a time of increasing confusion and turmoil People in the world are full of insecurity they are troubled lonely and full of self doubt In the midst of such uncertainty peace is a sacred treasure Yet the sad truth is that many people and this includes many Christians have never enjoyed the blessings of true peace Peace seems illusive and out of reach and very difficult to maintain in our daily lives God's Word however encourages those who belong to Him to diligently seek peace and pursue it Ps 34:14 This divine directive is meant to stir us up If we truly desire to live a victorious Christian life we cannot just be satisfied with wishing or yearning for peace Instead we must enthusiastically pursue it and when we find it we must grab hold of it and not let it go For all who seek an inner calm from the fears and frustrations of life it is our prayer that this book will help you in your personal pursuit of peace Through Jesus Christ we have been promised abundant life Jn 10:10 Still many Christians cling to the wrong belief that abundant life is only possible when we reach heaven However there are keys in God's precious Word that when unlocked and received within our spirit will bring us to that place of peace we are longing for in this life These keys which are established for us in *The Pursuit of Peace* will enable us to Win the War Within as we conquer our insecurities through the wonderful life changing Word of God *Leaning into God When Life Is Pushing You Away* Robert Anthony Schuller, 2009-11-12 Robert A

Schuller explores the various ways individuals lose or experience interference with their connection to God. He explains that emotions such as shame, regret, fear, and disappointment can stand in the way of the intimate association God wants with His children. The good news is that when His people are struggling, God stays close. There are many ways to reestablish a dynamic connection with Him. Schuller calls these Connection Corrections and leads readers through identifying communication barriers and how to break them. Each chapter delves into the reasons readers fail to connect with God, how to begin repairing the broken wires, and the life-altering benefits of restoring a positive, power-filled relationship with Him. Readers who feel adrift from God will find that no barrier is too big to keep them from a close, loving relationship with Him. *Subject*
