The Nigerian Nation and Religion. Hyacinth Kalu,2011-06-15 This book which is the first of a three volume series of interfaith relationships in Nigeria presents Nigeria as a multi ethnic and multi religious nation with religion controlling almost every aspects of life It highlights the deep rooted religious divide in Nigeria and looks into various ways that we can move beyond the religious bitterness existing among the three dominant religions in Nigeria African traditional religion Islam and Christianity and live work and co exit peacefully with one another as sisters and brothers Although this volume begins with the history of Nigeria as nation its primary interest and indeed the interest of the entire series is not with the politics economics and culture of the Nigerian people per se its primary focus is the religion of the people Hence it is a study of African Traditional Religion Islam and Christianity in Nigeria The focus is not the theological

and dogmatic principles and faith life of these religions nor the individual and various sects within these religions rather these religions are studied from the standpoint of interfaith encounter and relationships as a requisite for peace unity and harmony in Nigeria

No Peace Without Prayer Timothy Wright, 2013-11-07 Abbot Timothy Wright proposes sowing a small seed from which might grow a greater respect between the world's two largest religions Christianity and Islam Indeed he believes that the seed has already been planted Christians give unique value to their revealed Scriptures as the Word of God Muslims speak of the Qur'an as God speaking to them In *No Peace without Prayer* Wright presents the case for developing this faith in the Word of God to establish groups of Christians and Muslims dedicated to sharing their respective Divine Word in ways that enhance the other This is not a tussle for converts but a way into greater mutual understanding under the eye of the God who communicates this Word to create a new shared memory Such is a work of prayer a prayer that could lead to greater peace The key word says Wright is partnership arising from their shared belief in the One God creator of the universe communicating with the human world and merciful to the repentant

Principles of Islamic International Criminal Law Farhad Malekian, 2011-06-22 While the system of international law is improving enormously and certain legal provisions are becoming an integral part of *jus cogens* norms this body of law must be studied together with other systems which have basically been effective in its development The principles of the rule of law must be evaluated collectively rather than selectively In fact most Islamic nations have ratified the ICC Statute They have thereby contributed to the establishment of the pillars of morality equality peace and justice At the same time those pillars may be strengthened by means of an accurate interpretation of the principles of international criminal laws by all parties The objective of these comparative philosophies is to examine their core principles similarities and differences The intention is to indicate that the variation in theories may not obstruct the legal implementation of international criminal law if their dimensions are judged objectively and with the noblest of motives towards mankind
