Transmitting Jewish

Traditions Yaakov Elman, I. Gershoni, 2000-01-01 This book examines the impact of changing modes of cultural transmission on Jewish and Western cultures over the past two thousand years. The contributors to the volume survey some of the ways conscious and subconscious in which cultural elements are selected, shaped and transmitted and some of the ways they in turn shape the future of their cultures. Focusing on a range of Jewish cultures from late antiquity, the Middle Ages and the modern period, the authors consider both the transformation of traditions in their travels from one contemporaneous cultural context to another and their transformation within a single culture over time. Some of the studies in the book deal with the transition from mixed oral/written cultures to ones in which written print is nearly exclusive. Other chapters deal with the processes of transmission such as anthologizing, translating, teaching and sermonizing. By contextualizing Jewish culture within Western culture and including a comparative perspective, the book makes an important contribution to Judaic studies as well as to other areas of the humanities concerned with questions of textuality and culture. Disputation and Dialogue Frank Talmage, 1975 *Orthodox Judaism in America* Marc Raphael, Moshe Sherman, 1996-05-14 The last in a series of three volumes edited by Marc Lee Raphael surveying some of the major rabbinic and lay personalities who have shaped Judaism in America for the past two centuries, this work focuses on Orthodox Judaism. Along with a basic description of the achievements of some of the most notable leaders, a bibliography of their writings and sources for further study is included, as well as an essay on Orthodox rabbinic organizations and a survey of American Orthodox periodicals. Of interest to scholars, students and lay persons alike, this volume will inform readers about the earliest communities of Jews who settled in America as they developed the institutions of Orthodox Jewish life and set a public standard of compliance with Jewish law. These early American Jews followed a Spanish/Dutch version of Sephardic customs and rites. Their synagogues used traditional prayer books, promoted the celebration of Jewish holidays, established mikva'ot, acquired Passover provisions and arranged for cemetery land and burial services. While many of these Sephardic immigrants did not maintain halakha in their daily regimen as did their European counterparts, they set a public standard of compliance with Jewish law, thus honoring Jewish tradition. Further immigration of thousands of Jews from Western and Central Europe in the middle of the 19th century brought a world of traditional piety and extensive Jewish learning to America, exemplified by Rabbi Abraham Rice who served in Baltimore and Yissachar Dov Bernard Illovy who served communities from Philadelphia to New Orleans. Such men marked the beginning of a learned and scholarly rabbinate in America. This volume provides valuable biographical insights regarding some of the most notable religious leaders in American Orthodoxy.
