Committee in charge of the celebrations launched in a widespread dissemination activity of the writer's work in many European countries. And since the translations the main objective of the project required a complex knowledge of the author, his style, the dialogue and the difference with the reference culture, it was suggested to study and promote them not only through the reconstruction of the history and typicality of the author's narrative path but also through the reconstruction of his scarce reception abroad within the framework in the case of Dess of the presence outside national borders of Italian literature in the second half of the 20th century. Through the examination of books, editorial catalogues, magazines, anthologies and thanks to the commitment of scholars and young collaborators of Italian and foreign universities, it is now France, England, Spain, Germany, the Netherlands, Poland, Hungary, Ukraine, Finland, Sweden and many more at the centre of the attention with their reading preferences and aversions together with Italy and with the themes, stories, characters of the writer to whom this book is dedicated.

Novelle italiane: Racconti italiani del novecento, Italienische Erzählungen des 20. Jahrhunderts in Einzelinterpretationen Manfred Lentzen, 2003

**Racconta il Novecento** Walter Pedullà, 2013-05-22

In un originale e sempre sorprendente itinerario attraverso la narrativa italiana degli ultimi cento anni, Walter Pedullà ripercorre le crisi culturali, gli smascheramenti e i cambiamenti radicali che hanno segnato la nostra storia da D'Annunzio al postmoderno. Analizzando sia le tecniche collettive delle avanguardie e dei realismi sia le strategie personali di Svevo, Pirandello, Gadda, Palazzeschi, Savinio, De Benedetti, Fenoglio, Calvino, D'Arrigo e di altri, l'autore usa anzitutto il fantastico e il comico come grimaldelli per penetrare nelle ideologie e nelle psicologie degli italiani. Non una ma quattro storie della narrativa da altrettanti punti di vista: uno sguardo sulla modernità di cui il Novecento è il canto del cigno, la descrizione dei modelli inventati o riadattati in un'epoca minacciata dalla ripetizione, i movimenti e le correnti con cui gli innovatori e gli sperimentalisti si sono contesi il Novecento e infine le note in appendice nelle quali si verifica sui testi più memorabili in che modo la letteratura combatte con la scienza per capire prima e meglio il mondo e la vita.

In *Racconta il Novecento* Walter Pedullà narra in una prosa incalzante e avvincente come lingua e dialetti fanno crescere la società come le forme generano i significati che desideriamo come le trasgressioni preludono a un nuovo ordine da cui ricominciare l'avventura.

*Io sono un'aliena* Luce d'Eramo, 2025-06-10T00:00:00+02:00

Se uno apre gli occhi sugli abissi che ha in sé, forse ha maggiori capacità di captare quello che gli veramente ignoto.

Uscito nel 1999, *Io sono un'aliena* è una lunga riflessione in parte nata da un colloquio con Paola Gaglianone in cui Luce d'Eramo rievoca le tappe del suo insolito, scomodo percorso esistenziale e intellettuale. Il filo dei pensieri si intreccia con le esperienze di vita e di lavoro dall'infanzia nella Francia del Fronte popolare ai terribili anni della guerra, alla passione per la fantascienza in un'affascinante viaggio dentro i procedimenti di scrittura di una donna veramente aliena. In pagine di scarsa intensità emotiva, d'Eramo ci apre le porte delle sue convinzioni e del suo sforzo incessante di abbracciare la diversità nel mondo, di riconoscere l'alieno dentro e fuori di noi, di farla finita con l'antropocentrismo su questo piccolo pianeta solo soletto ai margini della galassia. Oggi, a cento anni dalla nascita di questa

esploratrice dell'Altro il suo messaggio smuove nel profondo i lettori con un sorriso impunito che viene da un passato drammatico e si apre a un domani impensato      **L'antologia, forma letteraria del Novecento** Sergio Pautasso, Paolo Giovannetti, 2004 Research and analysis on the presence role and intellectual significance of anthologies of literature and literary culture during the 20th century      *Via Terra* Achille Serrao, Luigi Bonaffini, Justin Vitiello, 1999      Il treno ha fischiato, 1988      **Reading and Writing the Mediterranean** Vincenzo Consolo, 2006-01-01 Vincenzo Consolo is counted by many critics among the most significant voices in contemporary world literature This volume makes available for the first in English an edited and annotated volume of Consolo's short stories essays and other writings pertaining to the diverse cultures and histories of Sicily and the Mediterranean basin The Mediterranean region holds a particular fascination for Consolo who seeks through his writing to recover the memory of a Sicilian and Mediterranean history which he feels is presently being threatened by the forces of late capitalist Western culture His writings about the region also voice a commitment to questions of ethics and human rights which have been brought to the fore by recent tensions dividing this area and forcing a mass exodus of its people At a time when this part of the world is under threat from unbridled globalization as well as dangerous forms of ethnic and religious fundamentalism Consolo's words offer an insightful rethinking of regionalism within a global hierarchy of values They remind us of the necessity of moderation and contingency and in so doing attempt to recover a moral and ethical dimension for our collective life
