Race And Rumors Of Race:

Outcasts from Evolution John S. Haller, 1995 Haller history medical humanities Southern Illinois U examines the scientific proof of racial inferiority in the US during the period between the 1859 publication of Darwin's *Origin of Species* and the discovery in 1900 of Gregor Mendel's experiments with genetics in this reprint of a work first published in 1971 by University of Illinois Press He shows how scientists sought to apply evolutionary ideas to morality health and the physiognomy of nonwhite races and looks at the relationship between scientific theories and public policy Includes bandw illustrations Annotation copyright by Book News Inc Portland OR

Cultures of violence Ivan Evans, 2013-07-19 This book deals with the inherent violence of race relations in two important countries that remain iconic expressions of white supremacy in the twentieth century *Cultures of violence* does not just reconstruct the era of violence Instead it convincingly contrasts the lynch culture of the American South to the bureaucratic culture of violence in South Africa By contrasting mobs of rope wielding white Southerners to the gun toting policemen and administrators who formally defended white supremacy in South Africa *Cultures of violence* employs racial killing as an optic for examining the distinctive logic of the racial state in the two contexts Combining the historian's eye for detail with the sociologist's search for overarching claims the book explores the systemic connections amongst three substantive areas to explain why contrasting traditions of racial violence took such firm root in the American South and South Africa

The Southern Way of Life Charles Reagan Wilson, 2022-11-30 How does one begin to understand the idea of a distinctive southern way of life a concept as enduring as it is disputed In this examination of the American South in national and global contexts celebrated historian Charles Reagan Wilson assesses how diverse communities of southerners have sought to define the region's identity Surveying three centuries of southern regional consciousness across many genres disciplines and cultural strains Wilson considers and challenges prior presentations of the region advancing a vision of southern culture that has always been plural dynamic and complicated by race and class Structured in three parts *The Southern Way of Life* takes readers on a journey from the colonial era to the present from when complex ideas of southern civilization rooted in slaveholding and agrarianism dominated to the twenty first century rise of a modern multicultural southern living As Wilson shows there is no singular or essential South but rather a rich tapestry woven with contestations contingencies and change

Transforming Occupation in the Western Zones of Germany Camilo Erlichman, Christopher Knowles, 2018-08-23 *Transforming Occupation in the Western Zones of Germany* provides an in depth transnational study of power politics daily life and social interactions in the Western Zones of occupied Germany during the aftermath of the Second World War Combining a history from below with a top down perspective the volume explores the origins impacts and legacies of the occupations of the western zones of Germany by the United States Britain and France examining complex yet topical issues that often arise as a consequence of war including regime change transitional justice everyday life under occupation the role of intermediaries and the multifaceted relationship between

occupiers and occupied Adopting a novel set of approaches that puts questions of power social relations gender race and the environment centre stage it moves beyond existing narratives to place the occupation within a broader framework of continuity and change in post war western Europe Incorporating essays from 16 international scholars this volume provides a substantial contribution to the emerging fields of occupation studies and the comparative history of post war Europe

Political Violence in America Lori Cox Han, Tomislav Han, 2022-03-29 This multivolume encyclopedia surveys America's long and troubled history of political violence from the colonial era to the present with a particular emphasis on factors driving political violence and intimidation in the United States in the 21st century Americans like to think of their nation as one grounded in high minded democratic ideals and peaceful transitions of power In reality though American politics has been heavily laced with expressions of violence and intimidation since the nation's very inception which saw a campaign of violent rebellion against British rule Since then America has endured the deaths of four presidents from assassination a four year civil war racist attacks on civil rights activists and ordinary citizens deadly clashes between protesting citizens and law enforcement sustained campaigns of violence against marginalized populations seeking greater political or economic equality politically motivated mass shootings and on January 6 2021 the shocking spectacle of a politically motivated mob attack on the U S Capitol How and why did these events transpire What were the root causes What factors are driving political violence and intimidation in America today And are there changes that we could make to our country's political discourse that would reduce such outbreaks of bloodshed This authoritative multivolume encyclopedia provides answers to all these questions and more

Sexuality and German Fascism Dagmar Herzog, 2005 this volume makes a significant contribution to the field of German history allowing experts in the field as well as researchers in other areas a forceful immersion into the workings and deployment of sexual categories and policies during and following the Third Reich There is little doubt that it will become a standard text for teaching and future research Sexuality instead they emphasize the interrelationships between incitement to sexual activity and persecution and mass murder Dagmar Herzog is Professor of History at the Graduate Center City University of New York and the author of *Sex after Fascism* Memory and Morality in Twentieth Century Germany Princeton 2004 and *Intimacy and Exclusion* Religious Politics in Pre revolutionary Baden Princeton 1996

Reckoning with Race Frederick Allen, 2023-08-01 In his fifty year career as an award winning journalist CNN commentator and author of multiple books Rick Allen has had a front row seat on dramatic change in race relations in America In this collection of eighteen essays he explores his ongoing efforts to understand the struggle of black and white Americans to navigate a shared history at once wicked and intimate full of love and hate as they seek to level an uneven playing field Allen examines issues from the era of Reconstruction through Jim Crow the Civil Rights movement the rhythms of resistance and progress into today's contentious debates over redlining reparations and critical race theory Starting as a reporter with the Atlanta Constitution in 1972 Allen got to know and befriend legendary black political figures including Julian Bond John Lewis Andy Young Hosea

Williams Maynard Jackson Jesse Jackson and Daddy King the father of Martin Luther King Jr He also encountered ardent white segregationists some of whom saw the light and others who took their racism to the grave Drawing on his experience covering politics he examines presidents from LBJ and Jimmy Carter to Obama and Trump He explores the symbolism of Confederate flags the controversy over Uncle Remus the election of Atlanta s first black mayor Maynard Jackson and the tragic case of the Atlanta Child Murders He has had first hand encounters with white supremacy and violent black protest alike Throughout his essays Allen is candid about his own shortcomings as a white native Northerner learning gradually about the complexities of race in his adoptive South The essays highlight his continuing journey toward understanding the forces that both hinder and promote equality and harmony between the races [The Siberian Husky](#) Michael

Jennings,2008-04-21 The mischievous face of the Siberian Husky is a familiar sight wherever dog lovers gather and you don t even need snow or a sled to appreciate the breed s many fine qualities The spirit of this able athlete and able friend can be recognized throughout this bright new book Like the other titles in Howell s Best of Breed Library this book features chapters on all aspects of caring for and competing with a dog Written for experienced breeders and novices alike the book is practical yet complete and includes over 100 full color photos

A Realist Metaphysics of Race Jeremy Pierce,2014-12-11 In A Realist Metaphysics of Race A Context Sensitive Short Term Retentionist Long Term Revisionist Approach Jeremy Pierce defends a social kind view of racial categories On this view the biological features we use to classify people racially do not make races natural kinds Rather races exist because of contingent social practices single out certain groups of people as races give them social importance and allow us to name them as races Pierce also identifies several kinds of context sensitivity as central to how racial categorization works and argues that we need racial categories to identify problems in how our racial constructions are formed including the harmful effects of racial constructions Hence rather than seeking to eliminate such categories Pierce argues that we should also make efforts to change the conditions that generate their problematic elements with an eye toward retaining only the unproblematic aspects A Realist Metaphysics of Race contains insights relevant not just to professional philosophers in metaphysics philosophy of race social philosophy philosophy of language and philosophy of science but also to students and scholars working in sociology biology anthropology ethnic studies and political science
