*Canadian Periodical Index*, 2000 **A Curse upon the Nation** Kay Wright Lewis, 2017-08-15 From the inception of slavery as a pillar of the Atlantic World economy both Europeans and Africans feared their mass extermination by the other in a race war In the United States says Kay Wright Lewis this ingrained dread nourished a preoccupation with slave rebellions and would later help fuel the Civil War thwart the aims of Reconstruction justify Jim Crow and even inform civil rights movement strategy And yet says Lewis the historiography of slavery is all but silent on extermination as a category of analysis Moreover little of the existing sparse scholarship interrogates the black perspective on extermination A Curse upon the Nation addresses both of these issues To explain how this belief in an impending race war shaped eighteenth and nineteenth century American politics culture and commerce Lewis examines a wide range of texts including letters newspapers pamphlets travel accounts slave narratives government documents and abolitionist tracts She foregrounds her readings in the long record of exterminatory warfare in Europe and its colonies placing lopsided reprisals against African slave revolts or even rumors of revolts in a continuum with past brutal incursions against the Irish Scots Native Americans and other groups out of favor with the empire Lewis also shows how extermination became entwined with ideas about race and freedom from early in the process of enslavement making survival an important form of resistance for African peoples in America For African Americans enslaved and free the potential for one sided violence was always present and deeply traumatic This groundbreaking study reevaluates how extermination shaped black understanding of the Atlantic slave trade and the political social and economic worlds in which it thrived **Masterful Stories** John V Pavlik, 2017-02-24 The early eras of radio storytelling have entered and continue to enter the public domain in large quantities offering unprecedented access to the Golden Age of Radio Author and Professor John Pavlik mines the best this age of radio has to offer in Masterful Stories an examination of the masterpieces of audio storytelling This book provides a chronological history of the best of the

best from radio's Golden Age outlining a core set of principles and techniques that made these radio plays enduring examples of storytelling. It suggests that by using these techniques stories can engage audiences emotionally and intellectually. Grounded in a historical and theoretical understanding of radio drama, this volume illuminates the foundational works that preceded popular modern shows such as *Radiolab*, *The Moth*, and *Serial*. Masterful Stories will be a powerful resource in both media history courses and courses teaching audio storytelling for modern radio and other audio formats such as podcasting. It will appeal to audio fans looking to learn about and understand the early days of radio drama.
